The Joint Strategic Committee:-

- (2) agreed the proposed questions shown in appendices one and two should form the basis of the public consultation to be conducted in respect of the schemes for 2018/19 for:

**JSC/035/17-18      Adur and Worthing Response to the A27 Worthing and Lancing Improvement Scheme**

**Decision,**

The Joint Strategic Committee objected to the current consultation on the grounds that:

- i) the proposed A27 improvements does not provide any significant improvement to the current congestion problems, secure any significant reduction in journey times or improvement in air quality;

- ii) the lack of funding allocated to the project means that the consultation failed to meet the original scope of the Road Investment Strategy which was to test the scope for 'full dualling' of the A27 through Worthing; and
- iii) the consultation failed to provide any alternative options for the local community to consider;
- iv) the limited improvement in capacity in the short term will not meet the Government's future objectives for meeting housing demand in the area or support economic growth of the sub-region; and
- v) the piecemeal approach to consulting on the A27 improvements failed to take a holistic view of the problems along the length of the A27 corridor nor assess in sufficient detail the cumulative impact of improvements (or decisions not to proceed with certain improvements).
