

ADUR DISTRICT
C O U N C I L

26 April 2018

**Council Meeting
26 April 2018**

Queen Elizabeth II Room,
The Shoreham Centre, Pond Road,
Shoreham-by-Sea

7:00pm

Agenda

16 April 2018

ALL MEMBERS OF THE COUNCIL are hereby summoned to attend for the following business:

Part A

- 1. Apologies for absence**
- 2. Declarations of Interest**

Members and officers must declare any disclosable pecuniary interests in relation to any business on the agenda. Declarations should also be made at any stage such an interest becomes apparent during the meeting.

If in doubt contact the Legal or Democratic Services representative for this meeting.

- 3. Questions from the public**

To receive any questions from Members of the public addressed to Members of the Executive in accordance with Council Procedure Rule 11. There is up to 5 minutes for each question, one supplementary question may be asked arising from the original question.

Questions must relate to any matter the Council has power or which affects the District except no question may be asked on

- a) A specific planning or licensing application
- b) A specific staffing appointment or appeal or Standards determination

Public question time will last up to 30 minutes; questions will be taken in order of receipt. The deadline for submission of questions is **Tuesday 24 April 2018 at 12 noon**. Questions to be submitted to democratic.services@adur-worthing.gov.uk

Director for Communities:
Mary D'Arcy 01903 221300
Adur & Worthing Councils,
Town Hall, Chapel Road,
Worthing, West Sussex, BN11 1HA

4. Confirmation of Minutes

To approve the minutes of the Meeting of the Council on Thursday 22 February 2018, copies of each have been previously circulated. A copy is available to view at <http://www.adur-worthing.gov.uk/meetings-and-decisions/committees/adur/council/>

5. Announcements by the Chairman, Leader of the Council, Executive Members and / or Head of Paid Service

6. Items raised under urgency provisions

To consider any items the Chairman has agreed are urgent.

7. Recommendations from the Executive and Committees to Council :

To consider recommendations to the Council, details of which are set out in the attached items as 7A-D.

Full reports are available on the website as listed below:

	Executive/Committee	Date	Item
A	Census Joint	8 December 2018	Dissolution of the Census Joint Committee http://mid-sussex.cmis.uk.com/mid-sussex/MeetingsCalendar/tabid/70/cid/ViewMeetingPublic/mid/397/Meeting/1766/Committee/36/Default.aspx

Extract from Census Joint Committee - 8 December 2017

6. DISSOLUTION OF THE CENSUS JOINT COMMITTEE

Jane Eaton, Director of Corporate Resources at Horsham District Council introduced the report recommending for the dissolution of the Joint Committee from 1 April 2018. The report is being presented to Members at this meeting to provide time for Members from each Council to make a decision to dissolve the Committee as this has to be done individually. Horsham will need to do this on 21 February 2018. She highlighted that an Officer Project Management Board would continue in place of the Committee to oversee the joint technology work and report to the relevant Cabinet Member or Portfolio Holder at their Council in the usual way.

The Solicitor to the Council at Mid Sussex confirmed that individual Councils have to dissolve the committee through their Constitutions, with this being planned by Mid Sussex District Council for 28 March 2018.

A Member proposed that the last section of the Terms of Reference be amended to reflect that the Board will meet when required, rather than monthly. Paul Brewer also confirmed that the name of the Board had changed since the writing of the report, and will now be 'Infrastructure Service Project Group'.

As there were no further questions the Chairman confirmed that the CenSus Joint Committee will meet one further time in March 2018. He then took Members to the recommendations outlined in the report.

RESOLVED

Members agreed to:

- i. **Recommend to Adur District Council, Horsham District Council, Mid Sussex District Council and Worthing Borough Council that they approve the dissolution of the Census Joint Committee from 1 April and remove it from their Constitution.**
- ii. Approve the 'Infrastructure Service Project Group'. to oversee the joint technology work, reporting to the relevant Cabinet Member or Portfolio Holder at their Council in the usual way.

Extract from Joint Strategic Committee - 6 March 2018

JSC/090/17-18 Redevelopment of former Adur Civic Centre - Phase II Marketing

Purpose

1.1 This report seeks approval to allocate a valuation, appraisal and marketing budget to facilitate the disposal and redevelopment of the former Adur Civic Centre site, south of Ham Road, Shoreham.

Summary of Discussion

Before the Committee was a report by the Director for the Economy, copies of which had been circulated to all Members and a copy of which is attached to the signed copy of these Minutes as Item 10.

The report sought approval to allocate a valuation, appraisal and marketing budget to facilitate the disposal and redevelopment of the former Adur Civic Centre site, south of Ham Road, Shoreham.

A Member queried whether it was the right time to spend this £150,000, suggesting that the Council could wait to see if there was movement by the government on borrowing to build. He also asked whether a public / private partnership had been considered. Officers advised that it was imperative to find the right scheme for the site and would explore a number of different options to achieve that aim. Different development models were being explored with potential development partners in order to identify a scheme that delivered the right regeneration benefits for the site.

Resolution from Committee

Decision,

The Joint Strategic Committee recommended to Adur District Council that it approved a valuation, appraisal and marketing budget of £150,000 which will be funded from the capital receipt generated from the sale of the site.

Extract from Joint Governance Committee - 27 March 2018

JGC/061/17-18 Amendments to the Constitution

Before the Committee was a report by the Monitoring Officer, copies of which had been circulated to all Members and copies are attached to the signed copy of these Minutes as Item 12.

The report updated the Joint Governance Committee with recent amendments made to the Councils' Constitutions by the Monitoring Officer, and asked Members to note those amendments.

The report also sought Members' approval, and recommendation to each Council, of revised terms of reference for the Joint Governance Committee and the revised Council Procedure Rules relating to Motions on Notice.

Members sought clarification regarding the proposed changes to the Terms of Reference of the Joint Governance Committee outlined in paragraph 3.1.1. of the report. In particular, the co-opting of Parish Councillors onto the Joint Governance Committee for the consideration of Parish matters such as determining allegations that a Member of a Parish Council, within the District of Adur, had failed to comply with the relevant Parish Council Code of Conduct.

The Monitoring Officer advised that it was a statutory provision that Adur District Council undertook Code of Conduct investigations on behalf of Parish Councils within the District and that such complaints would be heard by a Sub-Committee of the Joint Governance Committee. Co-opted Parish Councillors would have an advisory role rather than voting capacity and the proposed changes would reflect provisions elsewhere in the constitution, in particular, the Standards Procedure Rules.

A Member queried the proposed wording of 14.3.3 (as set out in Appendix A) regarding the maximum number of accepted motions to be presented at a Council meeting by the largest political groups. The Monitoring Officer acknowledged that some flexibility would be required if the Council had 4 main political groups and agreed to amend the wording to reflect this.

Resolved,

The Joint Governance Committee

- noted the Monitoring Officer's use of her delegated powers to make minor and consequential amendments to the Constitution;
- **recommended to each Council the adoption of the amended terms of reference for the Joint Governance Committee, with effect from 1st May 2018;**
- **recommended to each Council the adoption of the amended Council Procedure Rule 14, relating to Motions on Notice, with effect from 1st May 2018.**

‘Start Well, Live Well, Age Well’

JSC/098/17-18 ‘Start Well, Live Well, Age Well’ - Public Health at the local level - A refresh of our strategy to encourage the good health of all our citizens

Purpose:

This report supports the presentation of the Councils' refreshed and re-aligned Public Health Strategy 2018-2021.

The refreshed strategy will support the work of the Councils across a number of areas to improve the health and wellbeing of our communities, whilst highlighting the Councils' leadership role in our places in the sphere of public health and makes explicit links to wider health and wellbeing agendas.

Summary of Discussion:

The report supported the presentation of the Councils' refreshed and re-aligned Public Health Strategy 2018-2021. The refreshed strategy would support the work of the Councils across a number of areas to improve the health and wellbeing of local communities, whilst highlighting the Councils' leadership role in the sphere of public health and identified links to wider health and wellbeing agendas.

Members welcomed the strategy, acknowledging that the Councils were punching well above their weight in this area of work which provided benefits for all residents of Adur and Worthing. The strategy recognised all the good work that had been done, clearly set a direction of travel and provided numerous opportunities to work with communities.

Resolution from Committee

Decision,

The Joint Strategic Committee

1. **recommended to Adur and Worthing Full Councils that they adopt the refreshed Public Health Strategy 2018-2021, as outlined in 3.5 - 3.13. and Appendix I;**
2. delegated final approval of the Delivery Plan (to be developed) to the Director for Communities in consultation with the Executive Members for Wellbeing;
3. agreed that the Delivery Plan on Public Health, reports to the Public Health Strategy Delivery group, chaired by the Director for Communities and that this be reported to each Council on an annual basis.

-

Executive Member for Health and Wellbeing

HAW/007/17-18 Adur Community Grants - Allocation of Funds for Round 2 2017/18

B. Decisions Taken by the Joint Strategic Committee on 6 March 2018

Full details can be found:

www.adur-worthing.gov.uk/committee/cab-docs-joint-strategic.htm

Items relating to Worthing Borough Council are not reproduced on this agenda

**JSC/085/17-18 3rd Quarter Capital Investment Programme & Projects
Monitoring 2017/18**

Before the Committee was a report by the Director for Digital & Resources, copies of which had been circulated to all Members and a copy of which is attached to the signed copy of these Minutes as Item 5.

The report updated the Joint Strategic Committee on the progress made on the 2017/18 Capital Investment Programmes for Adur District Council and Worthing Borough Council. The programmes included schemes which supported the delivery of services by the Joint Strategic Committee.

A Councillor queried why the '*summary of the progress of all schemes in the 2017/18 Capital Investment Programme*' was available on the intranet but hadn't been included with the report. Officers advised that this would be shared electronically in future.

Highlighting the delay to car park improvements at the Riverside (Lower Beach) Car Park resulting from the Coast Protection Tidal Walls Scheme, a member asked if the £50,000 compensation to the contractor should be paid by the Environment Agency rather than Adur District Council. Officers advised that there had been discussions with the Environment Agency, who had agreed in principle, to provide a refund for the delays caused to the car park project.

Decision:

The Joint Strategic Committee:-

- (a) With respect to the Capital Investment Programme of Adur District Council
- 2.1 noted the reprofiling and likely phasing of the Adur District Council capital schemes.
 - 2.2 approved the replacements of 4 town centre CCTVs funded from underspends in the 2017/18 Capital Investment Programme, and the amendment to the 2017/18 Capital Investment Programme to include this scheme.
 - 2.3 approved the purchase of 4 vans for the delivery of the new public convenience cleaning contract funded from underspends in the 2017/18 Capital Investment Programme, and the amendment to the 2017/18 Capital Investment Programme to include this scheme.
 - 2.4 approved the amendment to the 2017/18 Capital Investment Programme to include the external funding grant of £50,000 from Sport England towards the expansion of the changing rooms at Wadurs Swimming Pool.

- 2.5 approved the additional funding of £20,000 for the Parks and Open Spaces water stand pipes upgrades funded from underspends in the 2017/18 Capital Investment Programme.
- 2.6 approved the purchase of vibration safety equipment for Parks employees at a cost of £4,900 funded from underspends in the 2017/18 Capital Investment Programme, and the amendment to the 2017/18 Capital Investment Programme.
- 2.7 noted the possible £50,000 overspend on the Riverside (Lower Beach) Car Park improvements scheme.
- 2.8 agreed the amendment to the 2017/18 Capital Investment Programme to include the Environment Agency Grant of £7,442.50 for the Adur Beach Management Plan.

(b) With respect to the Capital Investment Programme of Worthing Borough Council

Not included here

JSC/086/17-18 3rd Quarter Revenue Budget Monitoring 2017/18

Before the Committee was a report by the Director for Digital & Resources, copies of which had been circulated to all Members and a copy of which is attached to the signed copy of these Minutes as Item 6.

The report updated the Joint Strategic Committee with the latest expenditure and income projections for each Council in the current financial year 2017/18, compared to the Revenue Budget approved by both Councils on the 23 February 2017 (Adur District Council) and 21 February 2017 (Worthing Borough Council).

The Committee noted the projected outturn positions as at quarter 3 which were underspends of £14,000 in Adur District Council and £46,100 in Worthing Borough Council. This was lower than anticipated in quarter 2 when underspends of £176,000 and £117,000 were being forecast in Adur and Worthing respectively.

The areas that had contributed to the net movement were highlighted in the report and appendix 4(b) and included; External borrowing costs, investment income, Minimum Revenue Provision, Homelessness and income from Environmental Services, Development Management, Building Control, and property investments. Income and expenditure would continue to be monitored against budget.

Whilst the 'spend to date' would be the position as at the 31 December 2017, the forecast position would reflect the latest information available as at 31 January 2018 to ensure an up-to-date forecast was presented.

A Member highlighted the vacancy saving target outlined in paragraph 4.11 and queried how many posts were vacant and the impact this was having on capacity. Officers advised that the vacancy provision was based on approximately 3% of the salary budget, which although a large figure, was a small percentage. Provision was

based on the natural recruitment lag the Councils had when a post became vacant, it may take up to 3 months to fill it.

Decision,

The Joint Strategic Committee noted the report and projected outturn position for the Joint, Adur and Worthing Revenue Budgets and proposed use of reserves.

JSC/087/17-18 Fairer Funding Review

Before the Committee was a report by the Director for Digital & Resources, copies of which had been circulated to all Members and a copy of which is attached to the signed copy of these Minutes as Item 7.

Funding allocations to Local Government as outlined in the local government finance settlement were based on an assessment of individual council's relative needs and resources. The current allocations were based on formulas which were introduced over 10 years ago and which had not been updated since the introduction of the 50% business rate retention system in 2013/14. Consequently the allocations were now significantly out of date.

In the intervening time, changes to demographic pressures had impacted on the cost of delivery of services, particularly those services aimed at older persons. The Government announced a review last year to address concerns about the fairness of the local government funding allocations in recognition of the fact that the allocation of funding no longer reflected current demography and cost pressures.

The funding allocations not only influenced the amount of Revenue Support Grant that the Councils received, but also the amount of business rate income that could be retained via the Business Rate Retention Scheme (BRSS).

The report outlined the proposed response of the technical consultation on the fairer funding review (FFR). The consultation focused specifically on potential approaches that had been identified to measure the relative needs of local authorities. The consultation was released on the 19 December 2017 as part of provisional settlement and was due to close on the 12 March 2018.

A Member suggested the following:-

- the response to question 8 could have included visitor numbers to Worthing;
- the response to question 18B could have made reference to the cost of housing, building land and the shortage of both; and
- the consultation response should include a general comment about the unfairness of the funding review with the Councils lobbying for a special safety net with transitional provisions and equalisation.

Officers advised that the inclusion of visitor numbers had been considered, however, these generally benefited cities rather than districts because of the inclusion of commuters. In regards to the key cost drivers, the Committee were advised that the

relationship between local housing allowance and the local housing market was the most important. This was illustrated by the higher cost pressures in Worthing resulting from the relatively low housing allowance in comparison to high market rents. In addition, Officers advised that it was highly likely that there would be some sort of transition arrangement and two further consultations were due on this matter. One of these would inevitably look at transition arrangements for moving from one funding system to another and would provide a better place to start to lobby for what the Councils would like to see.

Decision,

The Joint Strategic Committee approved the draft consultation response detailed in Appendix 1 and delegated any final amendments to the Chief Financial Officer in consultation with the Executive Members for Resources.

JSC/088/17-18 Brighton Mainline Alliance - supporting our Regional Infrastructure properties

Before the Committee was a report by the Director for the Economy, copies of which had been circulated to all Members and a copy of which is attached to the signed copy of these Minutes as Item 8.

The Coast to Capital LEP area, which runs from South London to Brighton and across the coast to Chichester, needed significant long-term rail investment to support a growing regional economy and maintain its competitive advantage, protecting the economic potential of the region and the contribution made to the wider economy.

Network Rail had identified the Brighton Mainline (BML) as the top priority for investment in the region and had proposed upgrades that included enhancement to the Windmill Bridge Junction, just outside East Croydon Station, and a major redevelopment of the station itself.

The Windmill Bridge Junction scheme would deliver a significant increase in regional rail capacity. Unlocking the bottleneck at Windmill Bridge Junction would enhance connectivity, capacity and resilience, and drive both growth and productivity throughout the region. Greatly improving links to London and international connectivity.

Coast to Capital LEP was leading a regional campaign to target Government investment in the rail infrastructure in Croydon, specifically targeting a Government commitment to the detail of the project at Budget 2019. The campaign, called the Brighton Mainline Alliance, had strong cross-party support and was backed by regional businesses and business organisations. Included within these was the Greater Brighton Economic Board.

The scheme was costly, complex and of national significance, and Government had recently commissioned further work to develop the business case. Funding could be taken for granted, with many other regions in the UK proposing their own railway schemes for development. A joined up commitment to the development of the region through local authority and business voices, via the BMA, would encourage the Government to support economic growth in the Coast to Capital area.

Members expressed their support for the proposals acknowledging that other infrastructure, including the A27, needed improvement too.

Resolved,

That the Joint Strategic Committee:-

- endorsed Adur & Worthing Councils adding their support to the Brighton Mainline Alliance in their advocacy for vital investment to infrastructure through the Windmill Junction Scheme;
- noted there were no resources required in the Councils' support of the Brighton Mainline Alliance.

JSC/091/17-18 Use of s106 Funding to enhance Sport and Recreation Facilities in Adur

Before the Committee was a report by the Director for the Economy, copies of which had been circulated to all Members and a copy of which is attached to the signed copy of these Minutes as Item 11.

The report recommended allocating £15,000 of the s106 funding secured in connection with the Brighton and Hove Albion Training Ground as a contribution towards the provision of a covered swimming pool at the Globe School, Lancing.

The School had been fund raising for some time and the financial contribution would help to deliver the project to benefit children at the school but also the local community. The report considered whether it was a good use of the funding and the extent to which the local community would benefit from the facility.

The report also recommended the allocation of a further £5,000 towards the provision of CCTV cameras at Sir Robert Woodard Academy to improve security in connection with the new 3G pitch currently under construction at the site.

The report also provided an update on other projects which had secured funding and the amount of funding still available to be allocated to worthwhile projects that enhanced sport and leisure activities across the District.

Members expressed their support for the proposals.

Decision,

The Joint Strategic Committee

- agreed to the request for a £15,000 contribution towards the provision of a covered swimming pool (subject to the school entering into a community use agreement as part of any grant funding agreement) and a grant of £5,000 towards CCTV at Sir Robert Woodard Academy and agreed to amend the Capital Investment Programme accordingly; and,
- agreed that the decision to enter into the relevant grant funding agreements be delegated to the Head of Planning and Development in consultation with the Executive Member for Regeneration.

C. Decisions Taken by the Joint Strategic Committee on 10 April 2018

Full details can be found:

www.adur-worthing.gov.uk/committee/cab-docs-joint-strategic.htm

Items relating to Worthing Borough Council are not reproduced on this agenda

The matters not appearing elsewhere on the agenda:

JSC/096/17-18 Delivering our Housing Strategy - Review of Progress 2017-2018

Before the Committee was a report by the Director for Communities, copies of which had been circulated to all Members and a copy of which is attached to the signed copy of these Minutes as Item 5.

The Adur and Worthing Councils Housing Strategy 2017-2020 'Housing Matters' outlined a vision for our communities where everyone could have a place they could call home. The Councils recognised that having a secure and safe home, not just a place to sleep, was one of the most important factors in enabling local communities to be ambitious, prosperous and resilient.

The report updated Members on all of the activities and outcomes that had been achieved to date in delivering the strategy, as well as highlighting challenges and opportunities for the future. The Committee noted that the strategy had three broad areas of focus; preventing homelessness, developing the supply of new homes and improving Adur Council's role as Landlord. It was also noted that the biggest change in legislation to impact statutory housing services had also now been implemented, the 'Homelessness Reduction Act'.

The report provided details of work that had been undertaken over the past year, including work to secure Emergency and Temporary accommodation and to deliver the repairs and maintenance programme. The latter included a project to deliver a digital tool for reporting and managing the delivery of repairs.

A Member asked a question regarding 'Temporary Accommodation and engagement with Private Sector Landlords'. Officers agreed to provide a response following the meeting.

The Committee was advised that the Albion Street project would deliver houses towards the Council's housing quota whilst also providing brand new social housing. Residents had shown a real interest, with a 150 of them attending a recent public meeting about the project. It was noted that Cecil Norris House was the next project in the pipeline following completion of work at Albion Street.

Decision:

The Joint Strategic Committee noted and commended the contents of the report.

JSC/097/17-18 Supporting our Communities - Welfare Reform and Financial Inclusion

Before the Committee was a report by the Director for Communities, copies of which had been circulated to all Members and a copy of which is attached to the signed copy of these Minutes as Item 6.

The report outlined how the Councils had responded to and prepared local people and communities for, continuing Welfare Reform, in order to best support and enable resilient communities. The Councils roles were both providers of services but also creator of opportunities for communities to improve their skills across a range of areas such as; financial management, digital inclusion and skills whilst also supporting those in need to access affordable credit.

The Committee was advised that the 2017 Autumn Budget announced some significant changes to how Universal Credit would be administered and sought to address many of the issues and concerns that had been raised in relation to full service UC. The changes were outlined in paragraph 3.2 of the report including from January 2018, an advance of up to 100% of expected benefit would be payable and stretching of the repayment over 12 months would be possible.

Officers advised that the Boom Credit Union provided loans to Adur and Worthing residents and requested that the Committee approve further investment in the Credit Union to support ongoing financial inclusion measures.

Members expressed their support for the proposals.

Decision,

The Joint Strategic Committee:-

- noted the contents of the report;
- approved the investment of an additional £25k, via the purchase of deferred shares, by Worthing Borough Council in Boom Credit Union which was to be

added to the capital programme and funded by a revenue contribution as outlined in paragraph 7.3;

- recommended that Worthing Borough Council approve the amendment of the Annual Investment Policy and Strategy document to allow the investment in the Credit Union to be increased to £50,000.

D. Urgent Decisions Taken by the Executive

Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2000 as amended.

The following is reported to Council:

Nil

Councillor Neil Parkin
Leader of the Council

Local Government Act 1972

Background papers

Reports and Record of decisions of various are available on the Council's web site www.adur-worthing.gov.uk or as indicated in each of the paragraphs above. Some of the reports contain exempt information and not fully published on the websites.
