**Local Government (Miscellaneous Provisions) Act 1976  
Proposed Increase in the Taxi Tariff**

**Report by the Director of Customer Services**

**1.0 Summary**

1.1 Members are requested to consider an application received from an Adur Taxi proprietor for an increase in the Hackney Carriage Tariff.

**2.0 Background**

2.1 Adur District Council has powers under Section 65, of the Local Government (Miscellaneous Provisions) Act 1976 to set a tariff for Hackney Carriages, (Taxis).

2.2 The last such increase was authorised in September 2008. A copy of the current Adur Taxi tariff structure is attached marked **Appendix A**

2.3 Members of the Adur Taxi Trade hold local trade meetings at least once a year. Officers from the Adur & Worthing Licensing Unit are usually invited to attend.

2.4 At such a meeting it was agreed by the trade to seek a tariff increase and the request was put before the licensing committee on the 15 March 2011. The proposal was considered but refused by members.

2.5 The matter was further discussed by the trade at their meeting on the 5 October 2011. A proposed tariff increase proved controversial so a secret ballot was carried out and resulted in a majority vote to keep the current tariff unchanged

2.6 Since that time and until November 2013 no further proposal for a tariff increase gained popular support

**3.0 Proposal**

3.1 At the Adur Taxi Trade meeting in 27 November 2013 the matter of a tariff increase was revisited by members of the trade. At the meeting a majority voted to seek an increase and Mr Stephen Fleming, an Adur Taxi Driver and Proprietor, was nominated to put a proposal to the council.

3.2 Mr Fleming has presented a proposal letter of 3 March 2014 to the Adur & Worthing Councils' Licensing Unit for an increase to the current hackney carriage tariff.  
**Appendix B**

3.3 The proposed tariff has been checked and officers can confirm that the tariff is mathematically consistent and can be programmed into taximeters.

#### **4.0 Legal**

4.1 The Council has powers under Section 65, Local Government (Miscellaneous Provisions) Act 1976 (“the Act”) to set a tariff for Hackney Carriages, (Taxis). It is important that the tariff set is consistent and unambiguous.

4.2 The suggested tariff must be advertised in a local paper giving the proposed variation in fares, a copy of the notice must be lodged at the Council offices, available for inspection by the public “at all reasonable hours”, and at least 14 days must be allowed after such publication for any objections.

4.3 If there are no objections, or any objections made are withdrawn, the new tariff may come into effect on a date which is not less than 14 days after the date of publication, or the date of withdrawal of the last objection, whichever is later.

4.4 If there are objections, the Council must consider them unless previously withdrawn. The new tariff, if imposed by members after such consideration, will then come into effect on a date set by the Committee, which is not more than two months after the first specified day.

#### **5.0 Financial implications**

5.1 There are no direct financial implications for the Council.

5.2 Members should bear in mind that the vast majority of taxi drivers are small sole trader businesses, whose income is indirectly regulated by the Council.

5.3 The tariff set is a maximum tariff, and drivers are not obliged to charge the full amount shown on the meter, in every case.

#### **6.0 Recommendation**

6.1 Members are requested to determine the request from the Adur licensed proprietor and driver for a new Tariff Scheme.

3<sup>rd</sup> March 2014

Dear Mr. Carson Aubrey,

**Adur Hackney Tariff Review- Proposal February 2014**

1. On 27<sup>th</sup> November 2013 there was a Taxi Trade meeting of which Hackney Carriage drivers had been notified. It was decided by a majority vote that an application for an increase should be made.
2. There has been no tariff increase since September 2008, nearly 6 years.
3. The proposed increase would mean:
  - a. A current fare of £3.80p would be £4.60p
  - b. A current fare of £5.00p would be £5.80p
  - c. A current fare of £10.00p would be £11.00p
  - d. It is perhaps worth noting, customers are already charged £1.00p extra for a £10.00p fare on Sundays. This goes unremarked.
4. The above examples can be seen on the comparison chart marked 'A'  
The alterations proposed for Tariff 1 are shown on the attachment marked 'B'  
These increases are in line with the general inflation figures provided by the Licensing Office.
5. It is common knowledge that fuel and motoring costs over the past few years have been greater than general inflation. Bus and train fares have gone up several times.
6. This application, supported by a process, is intended to cover the unavoidable increase in our business costs, and in the circumstances, is reasonable.

If you or any of your members of the committee have any queries please do not hesitate to contact me.

Yours sincerely,

S.V. Fleming

Chairman Taxi Trade Meetings.

## Local Government (Miscellaneous Provisions) Act 1976 Review of Taxi and Private Hire licence conditions

### Report by the Director of Customer Services

#### 1.0 Summary

- 1.1 Members are asked to review the current conditions imposed on Adur Taxi & Private Hire licences and consider new updated Taxi and Private Hire licence conditions to replace the current conditions of licence.

#### 2.0 Background

- 2.1 The council has a responsibility for licensing hackney carriage and private hire vehicles and drivers and licensing private hire operators. Under the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976 the council issues licences subject to specific conditions that are placed on the licences to ensure minimum standards and public safety. Adur District Council places a number of conditions on the licences it issues that reflect the character of the district and the needs of the local population. However, these conditions are historic and have been in place for a number of years.
- 2.2 The aim of licensing the hackney carriage and private hire vehicle trade is, primarily, to protect the public as well as to ensure that the public have reasonable access to these services because of the part they play in local transport provision. It is important that the Council's hackney and private hire licensing powers are used to ensure that licensed vehicles in the district are safe, comfortable, properly insured and drivers are sufficiently tested to ensure they are fit and proper.
- 2.3 The new conditions are being proposed to reflect best practice, provide a consistent approach for the purpose of licensing and to concentrate on issues that have caused difficulty in the past or that seem of particular significance

#### 3.0 Proposals

- 3.1 It is proposed to introduce new licence conditions
  - Private Hire Driver Condition – **Appendix A**
  - Private Hire Vehicle Condition – **Appendix B**
  - Private Hire Vehicle Specification- **Appendix C**
  - Stretched Limousines and speciality vehicles – **Appendix D**
  - Private Hire Operator Condition – **Appendix E**
  - Hackney Carriage Vehicle Condition – **Appendix F**

- Hackney Carriage Vehicle Specification – **Appendix G**

3.2 It should be noted that the council is not permitted to attach conditions to a hackney carriage driver's licence. However, they are subject to the Hackney Carriage Byelaws made under section 68 of the Town Police Clauses Act 1847 and Section 171 of the Public Health Act 1875 by the District Council of Adur.

3.3 It is proposed to introduce new licence conditions after a full public consultation that will be referred to members with a review of putting these conditions within a new policy.

#### **4.0 Legal**

4.1 In determining licensing matters the principles of the Human Rights Act 1998 must be taken into consideration and the convention rights of both individuals and businesses given due weight.

4.2 Members must consider each licensing matter on its own merits, and in accordance with the principles of natural justice, as well as the provisions of the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976. All relevant factors must be taken into account, and all irrelevant factors must be disregarded.

4.3 The powers that the Council has to impose conditions LG(MP) Act 1976 section 55(3) Private Hire Operators and Section 51 on Private Hire Drivers which the local authority consider reasonably necessary.

4.4 All licensing matters, before Committee, must be considered against the backdrop of anti-discriminatory legislation, such as the Equality Act 2010 and also in accordance with the Council's stated policy on Equal Opportunities.

4.5. In accordance with Section 17 of the Crime and Disorder Act 1998 the Council is under a duty to exercise its functions with due regard to the likely effect on, and the need to do all, it reasonably can to prevent, crime and disorder in its areas.

#### **5.0 Implications**

5.1 There are no significant equality or environmental implications. Crime and disorder considerations are included in the Policy.

5.2 The revised licence conditions have been produced pursuant to the powers conferred by the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976 which places on the council the duty to carry out its licensing functions in respect of hackney carriage and private hire vehicle and drivers.

#### **6.0 Financial implications**

6.1 There are no direct financial implications for the Council.

## **7.0 Recommendation**

- 7.1 Members are requested to review and agree the draft licence conditions.
- 7.2 Approve the draft licence conditions which will form part of a new policy to be which will be publically consulted on after the draft policy has been agreed by Members at a future meeting.
