Record of Decision: Brighton Marina to River Adur Flood and Coastal Erosion Risk Management			
Decision taken by: Cabinet Member for Health and Wellbeing			
Declaration of Disclosable Pecuniary Interests: I hereby confirm that I do not have any disclosable pecuniary interest in this item.			
Decision:			
1) The results of the recent public consultation on the list of options are noted			
2) The intentions for further public consultation on the preferred options as laid out in appendix 2 are also noted as is the intention to report back results later in 2014			
3) The preferred options for Adur District Council are those highlighted in the report, namely Unit 1 – improve; Unit 2, improve A, wall raising and Unit 3, Sustain			
Key Decision: Yes / No			
Reasons for the Decision: To ensure that a local flood risk management strategy is developed and implemented along the part of the coast from the mouth of the River Adur to and including the Brighton Marina to minimise flood risk and balance the needs of the local economy.			
Alternative Options Considered: All available options have been considered as contained in the report, and those identified provide the best option to balance all interests as well as provide the best long term solution to the threat of flooding along the coastal strip.			
Other Matters Considered:			
Legal Advice and Issues	✓	Financial Advice and Issues	✓
Sustainability Issues	✓	Equality Issues	
Community Safety Issues		Human Rights Issues	
Reputation	✓	Risk Assessment	✓
Health and Safety Issues	✓
