Record of Decision: Pier and Lido Sub-structure Maintenance Contract			
Decision taken by: Worthing Executive Member for Regeneration and Adur Executive Member for Regeneration			
Declaration of Disclosable Pecuniary Interests: WBC Executive Member for Regeneration: I hereby confirm that I do not have any disclosable pecuniary interest in this item. ADC Executive Member for Regeneration: I hereby confirm that I do not have any disclosable pecuniary interest in this item.			
Decision: The Adur Executive Member for Regeneration has abstained from the decision as a Worthing matter. The Worthing Executive Member for Regeneration has authorised the acceptance of the submitted tender and award of the term service contract to South Coast Inc.			
Key Decision: Yes			
Reason for Decision: The Pier and Lido form part of the historic landscape of Worthing's seafront and are both landmark buildings that add great value to the resident and visitor experience. As a local authority we are guardians of the towns heritage and as such we should ensure that it is maintained. I am satisfied that the tender process has achieved best value. Not to do these works will risk these structures and bring the reputation of the council into disrepute.
