## AUDIT COMMITTEE – SELF-ASSESSMENT

### REPORT BY THE CHIEF FINANCIAL OFFICER

#### 1.0 SUMMARY

1.1 Members are asked to review and comment on the self-assessment of good practice questionnaire attached to this report which will allow them to assess the effectiveness of the Audit Committee and identify whether there are any further improvements that could be made to improve the Committee's overall effectiveness.

## 2.0 BACKGROUND

- 2.1 An Audit Committee has a key function in ensuring effective corporate governance, risk and control arrangements are in place in the Council. Within Adur and Worthing Councils, the functions of an Audit Committee are undertaken by the Joint Governance Committee.
- 2.2 The effectiveness of the committee should be judged by the contribution it makes to, and beneficial impact it has on, the Council's business. A good standard of performance against recommended practice, together with a knowledgeable and experienced membership, are essential requirements to enable an effective Audit Committee. By reviewing their effectiveness against a good practice self-assessment on an annual basis, the committee can demonstrate a high degree of performance and evidence that the committee is soundly based with a knowledgeable membership that is effective. Completion of the self-assessment can also be used to support the planning of the Audit Committee work programme and training plans
- 2.3 Carrying out a self-assessment is also recommended good practice as set out in the Chartered Institute of Public Finance & Accountancy's (CIPFA) publication "Audit Committees Practical Guidance for Local Authorities and Police 2013 Edition". CIPFA state that a regular self-assessment can be used to support the planning of the audit committee work programme and training plans.

#### 3.0 PROPOSALS

3.1 The Section 151 Officer and the Interim Head of Internal Audit have completed an initial review of the self-assessment with knowledge of the Committee's compliance with recommended practices for members to consider, discuss and amend as they wish.

## 3.0 PROPOSALS

- 3.2 It was felt that this method of completing the questionnaire would minimise the input that members would initially have to make but would allow them to amend and agree at the meeting the final version of the assessment. A copy of the self-assessment is attached for Members to review at **Appendix A**.
- 3.3 Compliance against most of the aspects of the self-assessment can be demonstrated. Depending on members' consideration of the outcomes of the self-assessment, there may be some recommendations or improvements that are identified that can further improve the effectiveness of the Audit Committee. In particular, Members may wish to pay particular attention to the following questions when reviewing the assessment:

## 12. Is the chair free of executive or scrutiny functions?

The Adur Chair of the Governance Committee sits on the Joint Overview and Scrutiny Committee and Planning Committee. However within smaller District and Borough Councils is may be difficult to get a strict separation between the Governance Committee and the other Committees of the Councils.

# 13. Are Members sufficiently independent of the other key Committees of the Council?

No member of the Executive sits on the Committee. However, members of the committee do sit on scrutiny and other non-executive committees. . However within smaller District and Borough Councils is may be difficult to get a strict separation between the Governance Committee and the other Committees of the Councils.

3.4 Members are also requested to consider what training they would like to receive in 2017/18.

## 4.0 LEGAL

4.1 The Accounts and Audit Regulations 2015 place an obligation on the Councils to ensure that they have:

'a sound system of internal control which-

- (a) facilitates the effective exercise of its functions and the achievement of its aims and objectives;
- (b) ensures that the financial and operational management of the authority is effective; and
- (c) includes effective arrangements for the management of risk.'

The Joint Governance Committee helps the Councils meet these obligations

## 5.0 FINANCIAL IMPLICATIONS

5.1 There are no financial implications arising from the self-assessment.

## 6.0 **RECOMMENDATION**

- 6.1 The Joint Governance Committee is recommended to:
  - i) Consider and comment as appropriate on the attached self-assessment of good practice and identify any amendments required.
  - ii) Identify if there is any further work, actions or training required as a result of the completion of the self-assessment of good practice.
