

Motion on Notice from Councillor Cooper

In October 2013 the Council accepted a Motion in support of promoting cycling across the Borough. This Motion seeks to build upon that agreement and asks the Council to support the recently formed Walking & Cycling Action Group in their work to:

- Map current cycle and walking routes in Worthing. Suggest improvements to these routes and additional routes not currently in place
- Ensure that Worthing Borough has a comprehensive Local Cycling and Walking Implementation Plan (LCWIP) by the end of FY 2018/19
- Partner with other directorates across the Council to ensure that Active Travel is embedded in key considerations for the Borough such as the development of a new Local Plan.

This Motion also calls to call upon West Sussex County Council, acting as the Highway Authority, to take the necessary steps to liaise with stakeholders such as the Worthing Cycle Forum, to discuss ways in which relevant section 106 monies currently held and allocated to cycle schemes, together with future allocated sums, can be used in Worthing in order to improve the cycling experience in the town in line with current Government expectations.”

Proposed by: Cllr Cooper

Seconded by: To be advised
