**Local Government (Miscellaneous Provisions) Act 1976
Proposed Increase in the Worthing Hackney Carriage Tariff**

Report by the Director for Communities

1.0 Summary

- 1.1** Members are requested to consider an application received from Worthing Hackney Carriage trade for an increase in the Hackney Carriage Tariff.

2.0 Background

- 2.1** Worthing Borough Council has powers under Section 65, of the Local Government (Miscellaneous Provisions) Act 1976 to set a tariff for Hackney Carriages, (Taxis).
- 2.2** The last such increase was authorised in October 2014. A copy of the current Worthing Hackney Carriage tariff structure is attached marked **Appendix A**
- 2.3** The licensing office received 2 proposals called Option 1 and Option 2.
- 2.4** There were 2 proposals that were considered by the trade Option 1 reviewed the tariff for all licensed vehicles and the Option 2 was for a tariff review for 5 - 8 seater vehicles only.
- 2.5** Option 2 was proposed by Hackney Carriage Proprietor Mr Carrington this has now been withdrawn as a separate proposal and is included in Option 1.

3.0 Proposal

- 3.1** The Worthing Hackney Carriage drivers have presented a request to the licensing office for an increase to the current Hackney Carriage Tariff including a tariff comparison. **Appendix B**

3.4 There are currently 71 Hackney Carriage Vehicles licensed by Worthing Borough Council. The proposal received Trade agreement from 39 proprietors. Option 1 received 38 signatures and Option 2 received 1 signature. **Appendix C**

3.5 The proposed tariff has been checked and Officers can confirm that the tariff is mathematically consistent and can be programmed into taximeters.

4.0 Legal

4.1 The Council has powers under Section 65, Local Government (Miscellaneous Provisions) Act 1976 ("the Act") to set a tariff for Hackney Carriages, (Taxis). It is important that the tariff set is consistent and unambiguous.

4.2 The suggested tariff must be advertised in a local paper giving the proposed variation in fares, a copy of the notice must be lodged at the Council offices, available for inspection by the public "at all reasonable hours", and at least 14 days must be allowed after such publication for any objections.

4.3 If there are no objections, or any objections made are withdrawn, the new tariff may come into effect on a date which is not less than 14 days after the date of publication, or the date of withdrawal of the last objection, whichever is later.

4.4 If there are objections, the Council must consider them unless previously withdrawn. The new tariff, if imposed by members after such consideration, will then come into effect on a date set by the Committee, which is not more than two months after the first specified day.

5.0 Financial implications

5.1 There are no direct financial implications for the Council.

5.2 Members should bear in mind that the vast majority of taxi drivers are small sole trader businesses, whose income is indirectly regulated by the Council.

5.3 The tariff set is a maximum tariff, and drivers are not obliged to charge the full amount shown on the meter, in every case.

6.0 Recommendation

6.1 **Members are requested to determine the request from the Worthing Hackney Carriage trade for a new Tariff Scheme.**
