

Appendix F 44
Petition Collected in Liquid Lounge & Light Bar

Attached is the petition we have gathered totalling 421 names and addresses. We have not counted any which are illegible.

Please support Liquid lounge!

A

We want everyone to enjoy their night out in Worthing and especially when they visit our nightclub, this can only continue if everyone enjoys their night responsibly by not getting intoxicated and by stamping out anti-social behaviour in the club and after you leave the venue

Please sign our petition below to say that you understand and agree with the above and feel that liquid lounge is a safe venue to visit!
