## 5. Promotion of the Licensing Objectives

5.1 The Licensing Act 2003 and regulations require that the Council, as local licensing authority, carries out its functions with a view to promoting the four licensing objectives:

- prevention of crime and disorder;
- public safety;
- prevention of public nuisance;
- protection of children from harm.

5.2 In carrying out its licensing functions, the licensing authority must also have regard to the Guidance issued by the Secretary of State and its own Statement of Licensing Policy. Members are advised that the following sections of the Worthing Borough Council's Policy may be particularly relevant to consideration of this matter, though of course the Policy in its entirety must be considered. Sections indicated relate to paragraph numbers in the Policy itself:

### ***Prevention of Crime & Disorder***

- 4.2 *The Council places huge importance on the prevention of crime and disorder. A high standard of control is, therefore, expected to be exercised over licensed premises.*
- 4.3 *In accordance with Section 17 of the Crime and Disorder Act 1998 the Council is under a duty to exercise its functions with due regard to the likely effect on, and the need to do all it reasonably can to prevent, crime and disorder in its areas. The possible crime and disorder implications are clearly relevant factors in the consideration of all applications and this is re-emphasised by the Licensing Act 2003 itself, the Guidance issued under section 182 to the Act and this policy. The Council will give "due regard" to all possible implications and its Licensing & Control Committee will always consider all the information available and relevant representations made, including those from interested parties and the responsible authorities, particularly the Police.*
- 4.4 *In their role as a responsible authority, Sussex Police are an essential source of advice and information on the impact and potential impact of licensable activities in the borough, particularly on the crime and disorder objective. The police have a key role in managing the night-time economy and usually have good working relationships with those operating in the local area. The council recognises that Sussex Police are the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder, but may also be able to make relevant representations with regards to the other licensing objectives if they have evidence to support such representations. The Council will accept all reasonable and proportionate representations made by the police unless the authority has evidence that to do so would not be appropriate for the promotion of the licensing objectives. However, it remains incumbent on the police to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.*
- 4.9 *The Council recognises that the Licensing Act is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from licensed premises. Nonetheless, it is a key aspect of such control and*

*licensing law will always be part of a holistic approach to the management of the evening and night time economy in town centres.*

### **Prevention of Public Nuisance**

- 4.17 *Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of disturbances impacting upon people living, working or sleeping in the vicinity of the premises or wider afield.*
- 4.18 *Noise disturbance can arise from entertainment or activities held within licensed premises and also from people or motor vehicles outside licensed premises. The Council will expect Operating Schedules to address these issues. Advice and guidance can be obtained from Licensing Officers or the Council's Environmental Protection Team. If representations are received the Council may utilise appropriate conditions to control noise disturbance and the use of such conditions will depend upon the activities/entertainment/hours of operation proposed; the nature of the locality; and existing background noise levels and ambient noise levels. Noise control conditions may include the satisfactory sound insulation of licensed premises; compliance with maximum noise levels; and limiting hours of operation.*
- 4.19 *When addressing public nuisance the applicant should initially identify any particular issues (having regard to their particular type/construction of their premises, proposed activities and nature of locality) which are likely to adversely affect the promotion of the objective to prevent public nuisance. Such steps as are required to deal with these identified issues should be included within the applicant's Operating Schedule.*
- 4.20 *Anti-social behaviour such as excessive noise from access and egress or patrons littering should also be addressed in the Operating Schedule.*

### **Protection of Children from Harm**

- 4.24 *The wide range of premises that require licensing means that children can be expected to visit many of these, perhaps on their own, for food and/or entertainment.*
- 4.28 *It is an offence to sell alcohol to an individual aged under 18. Licence holders are required to consider carefully ways to ensure that the sale of alcohol is restricted to those over the age of 18. Popular schemes include the 'Challenge 25 scheme' whereby if the individual looks under 25; they are required to prove that they are over the age of 18 when buying alcohol or tobacco. Acceptable forms of proof are: a photo card driver's licence, passport or PASS. PASS is the national guarantee scheme for proof-of-age, which is fully supported by the Home Office. Applicants are encouraged to introduce such schemes and detail them in operating schedules. The council may impose conditions requiring such schemes if relevant representation is received. Special care should be exercised and the licensed trade should be alert to counterfeit IDs and their fraudulent use.*

### **DEMAND, SATURATION & HOURS**

- 6.1 *In accordance with the Government's guidance the Council recognises that demand is not a relevant criterion in considering an application under the Act.*
- 6.14 *Following relevant representations the Council will deal with the issue of licensing hours having due regard to the individual merits of each application. However,*

*consideration will be given to imposing stricter conditions in respect of noise control where premises are situated in mainly residential areas. This will particularly apply in circumstances where, having regard to the location, size and nature of the licensed premises, it is likely that disturbance will be caused to residents in the vicinity of the premises, or its environs, by concentrations of people either present or leaving during normal night-time sleeping periods (23.00hrs to 07.00hrs).*

## **6. Consultation**

- 6.1 The application has been subject to the statutory consultation and statutory public advertisement arrangements in accordance with the provisions of the Act, in respect of which relevant representations were received from the following:

Other Persons – 1 X letter of representation  
Responsible Authorities – 1 X representation from Sussex Police

## **7. Relevant Representations**

- 7.1 Details of the relevant representations received are reproduced at **Appendices D & E**. They are considered to relate to the statutory licensing objectives as follows:

### ***The Prevention of Crime and Disorder. The Prevention of Public Nuisance***

- 7.2 One representation was received from a member of the public. (Appendices D)
- 7.3 Sussex Police made a number of comments and listed a number of conditions that they considered the minimum required to enable this premise to meet the licensing objectives if members were of a mind to grant a licence in the terms applied for. (Appendix E)
- 7.4 All those making relevant representation have been invited to attend this hearing.

## **8. Mediation**

- 8.1 The Licensing Act 2003 encourages mediation.
- 8.2 Sussex Police have successfully mediated with representatives of Whitbread and as a result the following conditions have been volunteered to the applicant's operating schedule:
- *CCTV to be installed in accordance with Home Office Guidelines relating to UK Police Requirements for Digital CCTV System and shall as a minimum cover the entrances/exits and any bar area. CCTV to be operational at all times licensable activities are taking place to which non-residents have access to the premises.*
  - *All staff members engaged, or to be engaged, in selling alcohol on the premises shall receive full training pertinent to the Licensing Act, specifically in regard age-restricted sales, and the refusal of sales to persons believed to be under the*

*influence of alcohol or drugs. Induction training must be completed and refresher training thereafter at intervals of no more than six (6) months. All restricted sales training undertaken by staff members shall be fully documented and signed by the employee and the DPS. All training records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers.*

- CCTV Images shall be retained for at least 28 days and except for mechanical breakdown beyond the control of the proprietor, shall be immediately available upon request to the police. Any breakdown or system failure will be notified to the police immediately & remedied as soon as practicable.*
- It will be the responsibility of the DPS, or duty manager, to ensure that any request from the police for a CCTV recording to be made for evidential purposes, is carried out as soon as possible or in any case within 12 hours, in compliance with data protection legislation.*
- The premises shall at all times maintain and operate a sales refusals log and an incident log which will be kept on the premises to record all refusals and incidents of crime or disorder. This can be stored as an electronic log but must be easily available for inspection. These shall be reviewed and signed by the Designated Premises Supervisor at intervals of no more than four (4) weeks. Feedback shall be given to staff to ensure these are used on each occasion that a refusal or incident occurs at the premises. These records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers*
- The only form of ID that will be accepted are passports, driving licences with a photograph or Citizen card or validated proof of age cards bearing the "PASS" mark hologram. The list of approved ID may be amended or revised subject to prior written agreement with Sussex Police.*

8.3 These would become conditions of any licence members may consider granting and consequently Sussex Police have confirmed that their concerns have been addressed and they have withdrawn their objection to the amended application being granted. (Appendix F)

8.4 Mediation between Whitbreads and [REDACTED] the member of the public that made relevant representation was embarked on but no response received. Though if any agreement were to be reached after this report was published members will be fully updated prior to any hearing.

## **9. Consideration**

9.1 Members must take into consideration the following when determining this application:

- The four statutory licensing objectives
- Worthing Borough Council's Statement of Licensing Policy
- Guidance issued by the Home Secretary
- The relevant representations from all parties and the mediated agreement reached.

9.2 These are the only matters to be addressed by the authority when considering this application. The statutory Licensing objectives are the only grounds on which representations can be made, and the only grounds on which an authority will be

able to refuse an application or impose conditions in addition to statutory conditions and those proposed by the applicant in the Operating Schedule.

9.3 When considering this application for a premises licence the following options are available to the Sub-Committee:

- a. Grant the licence, as requested,
- b. Grant the licence, as requested, with additional conditions appropriate to the promotion of the specific licensing objectives on which relevant representations have been received.
- c. Reject the whole or part of the application.

Members may also:

- d. Grant the licence but exclude certain licensable activities from the licence,
- e. Refuse to specify a particular person as a premises supervisor,
- f. Approve different parts of the premises for different activities.

9.4 Members are required to give reasons for their decision.

## 10. Legal Implications

10.1 Under Section 181 and Schedule 5 of the Act, the following rights of appeal to the Magistrates' Court in respect of applications for a premises licence includes:

- (1) The applicant may appeal against any decision to modify the conditions of the licence.
- (2) The applicant may appeal against a rejection in whole or part of an application.
- (3) A person who has made relevant representations may appeal against a licence being granted, or against the modification or lack of modification of any conditions.

10.2 Members are reminded that the Act allows for the local licensing authority to undertake a review following the grant of a premises licence, when requested to do so by a responsible authority, such as the police, or the fire authority, or any other person, such as a resident living in the vicinity of the premises. The Government's guidance states: *"The proceedings set out in the 2003 Act for reviewing premises licences represent a key protection for the community where problems associated with crime and disorder, public safety, public nuisance or the protection of children from harm are occurring. It is the existence of these procedures which should, in general, allow licensing authorities to apply a light touch bureaucracy to the grant and variation of premises licences by providing a review mechanism when concerns relating to the licensing objectives arise later in respect of individual premises."*

10.3 In determining this application, the principles of the Human Rights Act 1998 must be taken into consideration and the convention rights of both individuals and businesses will be given due weight.

- 10.4 Members must consider each application on its own merits, and in accordance with the principles of natural justice, as well as the provisions of the Licensing Act 2003. All relevant factors must be taken into account, and all irrelevant factors must be disregarded.
- 10.5 All applications, before Committee, must be considered against the backdrop of anti-discriminatory legislation, such as the Equality Act 2010 and also in accordance with the Council's stated policy on Equal Opportunities.
- 10.6 In accordance with Section 17 of the Crime and Disorder Act 1998 the Council is under a duty to exercise its functions with due regard to the likely effect on, and the need to do all it reasonably can to prevent, crime and disorder in its areas. The possible crime and disorder implications are clearly relevant factors in the consideration of all applications and this is re-emphasised by the Licensing Act 2003 itself. In giving "due regard" to these possible implications members will consider and weigh up all the information available and representations made, including those from interested parties and the responsible authorities particularly the Police.

## **11. Other Implications**

- 11.1 Any decision taken will have regard for the local environment and, in particular, any conditions attached for the purposes of preventing public nuisance will take this principle into account.

## **12. Recommendation**

- 12.1 Members are requested to determine the application for a new Premises Licence made by Whitbread Group Plc. for their new hotel to be situated in Marine Parade, Worthing and give reasons for that determination.**

**Please give a general description of the premises (please read guidance note 1)**

This is a development site for which no rateable value has been fixed attributable to our client's proposed development as a Premier Inn. It would appear that a Band A fee would be payable.

It is intended that the proposed premises will operate as a Hotel under the Premier Inn brand with related licensed accommodation. The premises form part of a larger site.

The proposed Hotel will have at ground floor level an entrance lobby. The Hotel reception and food and beverage provision will also be situated at ground floor level.

The bedrooms (which will be unlicensed) will be on the upper floors comprising in all some 81 rooms.

The details of the development are shown on the drawings identified below, deposited with this application.

A Licensed Premises Notification will be given for 2 gaming machines under the Gaming Act 2005.

It is proposed that the permitted hours for licensable activities for these premises should be :-

Monday to Sunday: 10:00 – 00:30 inclusive with the premises closing to the general public 30 minutes thereafter. However, the premises will remain open 24 hours a day to hotel residents.

This application seeks to licence the premises specifically to authorise under the Licensing Act 2003 the following activities:

1. Exhibition of a film principally non-live television or educational videos.
2. The sale of alcohol.
3. The provision of late night refreshment after 23.00

The appropriate drawings deposited with this application are :-

- Indicative site location plan.
- Further site location plan showing the premises will be part of a wider development.
- Drawing no. 3595/L01 being a detailed layout for the proposed licensed area for the ground floor of the premises.
- Proposed ground floor plan showing the wider development including apartments etc.
- Plans showing the upper floors of the premises (again forming part of a larger part of the development (which are to be unlicensed).

Please note that the internal licensed areas edged red on the licensing drawing (3595/L01) are intended to be used (as required) for all licensable activities.

Please further note that the appropriate fire safety precautions will be incorporated within the development in consultation with the Fire Safety Officer and under the Building Regulation approval process.

It is not anticipated that the proposed development will adversely affect crime and disorder or public nuisance.

It is proposed that the development of this site will improve the area by providing jobs for the local community and bringing a new Hotel facility to this location.

Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)**

We have undertaken our own risk assessment to propose the following steps:-

The steps which we have identified in relation to the four licensing objectives are listed below

**b) The prevention of crime and disorder**

No further risks have been identified which need to be addressed, save as below

1. The use of door staff will be risk assessed on an ongoing basis by the licence holder of premises supervisor. Where engaged, door staff shall be licensed by the Security Industry Authority.

Hello,

[REDACTED] has sent you an enquiry from the Adur & Worthing Councils website. The page they sent the message from was:

<http://www.adur-worthing.gov.uk/licensing-consultations/>

Account / Reference number (if supplied):

Their enquiry was:

I had no idea that your office closed at five. I have spent a long time trawling the web sites in the last two days, and so has my friend. I rang the council today and they took my number and said that a relevant person would ring me back. As I have heard nothing, I presumed, that they were busy and would ring later.

I live at [REDACTED], Marine Parade [REDACTED] in West Worthing.

I wanted to comment on the licensing application for the new Premier Inn, on the site of the old Beach Hotel.

They propose to open until 0.30 a.m and longer on Bank Holidays and other limited days. This is a residential seafront area in West Worthing and there is already quite a lot of noise fairly late in the evening. I feel that this would greatly increase the amount of noise.

We have also had quite a lot of car damage in the evenings. The proposed hotel is not, a refined hotel, and there could, therefore, be a great increase the amount of noisy revellers. It is hard to know what to put without seeming presumptuous. I do know that we were looking to possibly upgrade to one of the newer apartments, where the rest of the Beach Hotel was, but were put off by the possible noise disturbance after midnight. I don't think that there is a place for late opening when the licensed premise is attached to residential apartments.

Please reply to this email if required.

Thank you.

To: **Simon Jones Licensing Officer Worthing and Adur District Council.**

From: **West Sussex Neighbourhood Licensing Team**

Date: **02<sup>nd</sup> May 2014**

Dear Mr Jones

**RE APPLICATION FOR A PREMISES LICENCE TO BE GRANTED UNDER THE LICENSING ACT 2003  
FOR PREMIER INN, MARINE DRIVE, WORTHING (FORMER SITE OF BEACH HOTEL)**

I write on behalf of the Chief Officer of Police for Sussex to raise a representation against the grant of the above application on the grounds of Prevention of Crime and Disorder and the Protection of Children from Harm.

Sussex Police believe it is necessary that the following conditions be added to the Premises Licence if granted to either replace or strengthen some of the steps proffered in the operating schedule. These are in keeping with many of the steps offered for the promotion of the Licensing objectives and should not prove onerous as conditions on the licence.

Replace condition three (3) section M (B) with;

- All staff members engaged, or to be engaged, in selling alcohol on the premises shall receive full training pertinent to the Licensing Act, specifically in regard age-restricted sales, and the refusal of sales to persons believed to be under the influence of alcohol or drugs. Induction training must be completed and refresher training thereafter at intervals of no more than twelve (12) weeks. All restricted sales training undertaken by staff members shall be fully documented and signed by the employee and the DPS. All training records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers.

Replace condition seven (7) section M (b) with;

- CCTV to be installed in accordance with Home Office Guidelines relating to UK Police Requirements for Digital CCTV System and shall as a minimum cover the entrances/exits and any bar area.
- CCTV Images shall be retained for at least 28 days and except for mechanical breakdown beyond the control of the proprietor, shall be immediately available upon request to the police. Any breakdown or system failure will be notified to the police immediately & remedied as soon as practicable.
- It will be the responsibility of the DPS, or duty manager, to ensure that any request from the police for a

CCTV recording to be made for evidential purposes, is carried out as soon as possible or in any case within 12 hours, in compliance with data protection legislation.

To add;

- The premises shall at all times maintain and operate a sales refusals log and an incident log which will be kept on the premises to record all refusals and incidents of crime or disorder. These shall be reviewed and signed by the Designated Premises Supervisor at intervals of no more than four (4) weeks. Feedback shall be given to staff to ensure these are used on each occasion that a refusal or incident occurs at the premises. These records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers
- The only form of ID that will be accepted are passports, driving licences with a photograph or Citizen card or validated proof of age cards bearing the "PASS" mark hologram. The list of approved ID may be amended or revised subject to prior written agreement with Sussex Police.

If you wish to discuss this further please do not hesitate to contact me.

Yours sincerely

All restricted sales training undertaken by staff members shall be fully documented and signed by the employee and the DPS. All training records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers.

  - The premises shall at all times maintain and operate a sales refusals log and an incident log which will be kept on the premises to record all refusals and incidents of crime or disorder. This can be stored as an electronic log but must be easily available for inspection. These shall be reviewed and signed by the Designated Premises Supervisor at intervals of no more than four (4) weeks. Feedback shall be given to staff to ensure these are used on each occasion that a refusal or incident occurs at the premises. These records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers
- The only form of ID that will be accepted are passports, driving licences with a photograph or Citizen card or validated proof of age cards bearing the "PASS" mark hologram. The list of approved ID may be amended or revised subject to prior written agreement with Sussex Police.

**Letter emailed to Ms Roberts 30.05.14**

As you know from the application the Licence requests limited licensable activities for the sale of alcohol and exhibition of film principally non live television or educational videos and also late night refreshment.

Our clients currently operate of the order of some 670 plus Premier Inns around the country of which in excess of 200 are stand alone dedicated hotels such as proposed here. These are hotel operations and many of them are in towns and city centres. They operate without apparent difficulty and do not give rise to the apparent issues or concerns which have been expressed. In fact our clients operate for their own residents a "goodnight guarantee". The case is that the most "immediate residents" will be our clients paying guests on site and it is of primary importance to ensure that the amenity of their stay is not disturbed. We will refer to our clients operation of "goodnight guarantee" whereby if any residents sleep is disturbed they have the benefit of a no quibble money back guarantee at the hearing if the hearing does proceed.

So far as the food and beverage provision is concerned this is principally but not exclusively a facility for hotel residents and their guests. My clients tend to find that non residential use is both limited and also that such use declines as the evening progresses.

We are writing at this stage to see if you will forward this email on to the residential objector to see if this addresses the concerns that have been raised. We will be happy to liaise with them direct but felt it appropriate to initially contact you in this regard.

Perhaps you could acknowledge receipt of this email and confirm you will either forward it on or are happy for us to contact them direct in these terms.

I look forward to hearing from you.

Regards.

Tim Shield
