**Licensing Act 2003 – Application for a new Premises Licence at:
No. 7 Limbrick Corner, Limbrick Lane, Worthing, BN12 6JL**

Report by the Director for Communities

1. Recommendation

- 1.1 That a Sub Committee of Licensing & Control Committee “B” consider and determine the application made by :

Mr Nishal & Mrs Darshna PATEL

for a new Premises Licence to authorise the sale of alcohol for consumption off the premise.

2. Reasons for Hearing

- 2.1 The application has been the subject of formal representation by a responsible authority and nine other persons. It therefore falls to this sub-committee to determine.

3. Background

- 3.1 The proposed store is situated on the junction of Limbrick Lane and Palatine Road in a parade of shops in a mixed commercial/residential area adjacent to the A259.
- 3.2 The shop is currently unoccupied but previously operated as a flooring showroom.
- 3.3 The application was made by Mr & Mrs Patel to Worthing Borough Council on the 4 March 2015 for a new Premises Licence to authorise the sale of alcohol, for consumption off the premise, at a proposed new convenience store.
- 3.4 Documentation attached to the report:
- Map of the area (Appendix A)
 - Plan of the store (Appendix B)
 - The application (Appendix C)
 - A representation made by a Responsible Authority (Appendix D)
 - Representations made by members of the public (Appendix E1 - 9)
 - Mediation correspondents (Appendices F)

4. **The Application**

4.1 The Application is attached at **Appendix C**. However, in summary, the application is seeking authorisation for:

- the sale of alcohol between the hours of:
06.00hrs and 23.00hrs Monday to Sunday incl.
- It is proposed that the store will open to the public between the hours of:
06.00hrs and 23.00hrs Monday to Sunday incl.

4.2 As recommended by the Guidance issued under section 182 of the Licensing Act 2003 the applicant has completed an operating schedule as to how it is intended to address the Licensing Objectives if this application were granted.

4.3 The proposed designated supervisor detailed in the application is Mr Depesh Patel, who holds a personal licence issued by Mid Sussex District Council.

5. **Promotion of the Licensing Objectives**

5.1 The Licensing Act 2003 and regulations require that the Council, as local licensing authority, carries out its functions with a view to promoting the four licensing objectives:

- prevention of crime and disorder;
- public safety;
- prevention of public nuisance;
- protection of children from harm.

5.2 In carrying out its licensing functions, the licensing authority must also have regard to the Guidance issued by the Secretary of State and its own Statement of Licensing Policy. Members are advised that the following sections of the Worthing Borough Council's Policy may be particularly relevant to consideration of this matter, though of course the Policy in its entirety must be considered. Sections indicated relate to paragraph numbers in the Policy itself:

Prevention of Crime & Disorder

- 4.2 *The Council places huge importance on the prevention of crime and disorder. A high standard of control is, therefore, expected to be exercised over licensed premises.*
- 4.3 *In accordance with Section 17 of the Crime and Disorder Act 1998 the Council is under a duty to exercise its functions with due regard to the likely effect on, and the need to do all it reasonably can to prevent, crime and disorder in its areas. The possible crime and disorder implications are clearly relevant factors in the consideration of all applications and this is re-emphasised by the Licensing Act 2003 itself, the Guidance issued under section 182 to the Act and this policy. The Council will give "due regard" to all possible implications and its Licensing & Control Committee will always consider all the information available and relevant*

representations made, including those from interested parties and the responsible authorities, particularly the Police.

- 4.4 *In their role as a responsible authority, Sussex Police are an essential source of advice and information on the impact and potential impact of licensable activities in the borough, particularly on the crime and disorder objective. The police have a key role in managing the night-time economy and usually have good working relationships with those operating in the local area. The council recognises that Sussex Police are the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder, but may also be able to make relevant representations with regards to the other licensing objectives if they have evidence to support such representations. The Council will accept all reasonable and proportionate representations made by the police unless the authority has evidence that to do so would not be appropriate for the promotion of the licensing objectives. However, it remains incumbent on the police to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.*
- 4.9 *The Council recognises that the Licensing Act is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from licensed premises. Nonetheless, it is a key aspect of such control and licensing law will always be part of a holistic approach to the management of the evening and night time economy in town centres.*

Prevention of Public Nuisance

- 4.17 *Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of disturbances impacting upon people living, working or sleeping in the vicinity of the premises or wider afield.*
- 4.18 *Noise disturbance can arise from entertainment or activities held within licensed premises and also from people or motor vehicles outside licensed premises. The Council will expect Operating Schedules to address these issues. Advice and guidance can be obtained from Licensing Officers or the Council's Environmental Protection Team. If representations are received the Council may utilise appropriate conditions to control noise disturbance and the use of such conditions will depend upon the activities/entertainment/hours of operation proposed; the nature of the locality; and existing background noise levels and ambient noise levels. Noise control conditions may include the satisfactory sound insulation of licensed premises; compliance with maximum noise levels; and limiting hours of operation.*
- 4.19 *When addressing public nuisance the applicant should initially identify any particular issues (having regard to their particular type/construction of their premises, proposed activities and nature of locality) which are likely to adversely affect the promotion of the objective to prevent public nuisance. Such steps as are required to deal with these identified issues should be included within the applicant's Operating Schedule.*
- 4.20 *Anti-social behaviour such as excessive noise from access and egress or patrons littering should also be addressed in the Operating Schedule.*

Protection of Children from Harm

- 4.24 *The wide range of premises that require licensing means that children can be expected to visit many of these, perhaps on their own, for food and/or entertainment.*

- 4.28 *It is an offence to sell alcohol to an individual aged under 18. Licence holders are required to consider carefully ways to ensure that the sale of alcohol is restricted to those over the age of 18. Popular schemes include the 'Challenge 25 scheme' whereby if the individual looks under 25; they are required to prove that they are over the age of 18 when buying alcohol or tobacco. Acceptable forms of proof are: a photo card driver's licence, passport or PASS. PASS is the national guarantee scheme for proof-of-age, which is fully supported by the Home Office. Applicants are encouraged to introduce such schemes and detail them in operating schedules. The council may impose conditions requiring such schemes if relevant representation is received. Special care should be exercised and the licensed trade should be alert to counterfeit IDs and their fraudulent use.*

DEMAND, SATURATION & HOURS

- 6.1 *In accordance with the Government's guidance the Council recognises that demand is not a relevant criterion in considering an application under the Act.*
- 6.14 *Following relevant representations the Council will deal with the issue of licensing hours having due regard to the individual merits of each application. However, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated in mainly residential areas. This will particularly apply in circumstances where, having regard to the location, size and nature of the licensed premises, it is likely that disturbance will be caused to residents in the vicinity of the premises, or its environs, by concentrations of people either present or leaving during normal night-time sleeping periods (23.00hrs to 07.00hrs).*
- 6.18 *The Council will generally consider the licensing of shops, stores and supermarkets to sell alcohol for consumption off the premises at any times they are open for shopping. However, it may consider that in some circumstances there are very good reasons for restricting those hours and these are detailed in paragraphs 7.1 to 7.13 below. .*

SPECIFIC CONSIDERATIONS

Off sales of alcohol – Stores & Supermarkets

- 7.1 *The Home Office Guidance to the Act recommends that shops, stores and supermarkets selling alcohol should generally be permitted to match the hours during which they may sell alcohol with their normal trading hours, unless there are good reasons, based on the licensing objectives, for restricting those hours.*
- 7.2 *The council will consider all applications on their own merit and will not consider 'need or demand' but If an area is experiencing problems and this is linked to the number of premises in the area already selling alcohol, for consumption off the premises, the council will carefully consider the cumulative impact on the licensing objectives of any new application if relevant representation is received.*
- 7.3 *The council will be particularly concerned with regard to the granting of new licences to stores and supermarkets in localities where the following problems have been identified:*
- *Alcohol sales to persons who are drunk*
 - *Underage drinking*
 - *Street drinking*
 - *Pre-loading & post-loading*

- 7.4 *Selling alcohol to a person who is drunk or to a person who is under the age of 18 are both offences under the Licensing Act. The council recognises that the vast majority of licensees are very aware of their responsibilities and the duty of care they have selling alcohol to the public. However, the council takes both these issues extremely seriously.*
- 7.5 *The Council considers it vital that licence holders provide formal and effective training to all staff involved in the sale of alcohol to recognise members of the public who are drunk or underage and give their staff the ability and confidence to refuse service. The council will expect operating schedules to demonstrate that the licence holder has considered such matters and addressed them as far as possible and that formal training records are kept on the premise and are to be made available for inspection by Police and/or Licensing Unit officers on request.*
- 7.6 *Over recent years problems associated with street drinking have been experienced across the borough but particularly in the town centre, on the promenade, the beach and Worthing's public parks & gardens. While there are some areas with recurring problems with regard to street drinking groups they also crop up in different areas at different times. These individuals and the shops that supply them can be a focus of antisocial behaviour, disorder and disturbance. The supply of alcohol to individuals involved in the day-long consumption of alcohol on the street and in open spaces can directly lead to these groups of drinkers causing various types of crime, public nuisance and anti-social behaviour.*
- 7.7 *Pre-loading and post-loading, the sale of alcohol to people who consume it on the way to or from venues licensed for the consumption of alcohol on the premises, gives rise to problems of drunkenness and disorderly behaviour. The proliferation of stores selling alcohol for consumption off the premises is of concern if it leads to drinking on the streets or alcohol being carried into premises such as pubs and nightclubs. The council is concerned that alcohol loading from off-licence sales is a significant problem in the town and adversely affects the licensing objectives.*
- 7.8 *Where the police or others make representations against the grant of a further licence for off sales, because of their serious concerns over any of the problems listed above and the disorder associated with the off sale of alcohol in the area, the council will give specific consideration to restricting the number, type, and the hours of premises selling alcohol exclusively for consumption off the premises. The council will want to be assured that the Operating Schedule of premises, and their overall management, training and levels of staffing, are appropriate to ensure that the licensing objectives are promoted in what may be challenging circumstances. The earliest and latest hours of opening will be of particular concern. This is because problematic street drinkers and others who are seriously addicted to alcohol, may be drawn to shops that sell alcohol earlier in the morning and later in the evening than other premises and consequently create public nuisance. Where there are representations on problems of disorder the hours when alcohol may be sold for consumption off the premises may be conditioned to be less than the generally granted hours issued to public houses and restaurants in the area.*
- 7.9 *Due to these concerns and their link to crime, disorder and disturbance, the Council will not, as a general rule, grant applications for the 24-hour sale of alcohol for consumption off the premises. It will consider very seriously any representation made by Sussex Police, other responsible authorities, and relevant representations from the public before determining such applications.*

- 7.10 *To address the problems of street drinkers, underage drinkers and pre/post-loaders the council has introduced a controlled drinking zone across the whole borough giving the police powers to stop street drinking and seize alcohol and receptacles under the powers of the Criminal Justice and Police Act 2001. In addition short term Dispersal Zones have and will be used in parts of the town where the break-up of street drinking groups is required to disrupt any emerging patterns of street drinking.*
- 7.11 *When requested by the police, or other authorities, the Licensing Authority may impose on new applications, or on existing licences at review, conditions requiring:*
- *No sales of alcoholic beverages (beers, lagers & ciders) over a specified limit of alcohol by volume or of specified quantities (e.g. of beers, lagers and ciders over 6.0% alcoholic content by volume).*
 - *No sales of single cans or bottles of beer, lager and cider in containers containing less than 500ml.*
 - *No sales of miniature bottles of wine or spirit in units of less than 35cl.*
 - *Other conditions may be imposed directed at reducing problematic street drinking.*
 - *Conditions stopping irresponsible drink promotions that do not follow best practice, that would appeal to underage drinkers or street drinkers or encourage excessive consumption.*
 - *Conditions relating to the positioning of alcohol within the shop and the types of displays of alcohol within the store. Particularly those displays that might appeal to younger consumers.*
- 7.12 *From October 2010 it became a mandatory condition that all licence holders selling alcohol put in place an age verification policy for the premises. In some circumstances the Council will impose, where necessary to promote the licensing objectives, implicit conditions on the checking of the age of those who appear under 21 or 25 to ensure that alcohol is not sold to those under 18 years of age.*
- 7.13 *Licence holders need to have sufficient day to day control of operations at their premise. They will be held responsible for breaches of the licence and ensuring there is adequate staffing and training. The authorities will continue to use young people for the 'test purchasing' of alcohol and CCTV evidence, which has proved its usefulness in prosecutions for unlawful sales of alcohol. The likely consequences of a review of licence for underage sales include the imposition of additional conditions such as the attendance of a personal licence holder, licence suspensions and in some cases revocation to act as deterrence.*

6. Consultation

- 6.1 The application has been subject to the statutory consultation and statutory public advertisement arrangements in accordance with the provisions of the Act, in respect of which relevant representations were received from the following:

Other Persons – 9 X Representations

Responsible Authorities – 1 X Representation from Sussex Police

7. Relevant Representations

- 7.1 Detail regarding the relevant representations received is reproduced at **Appendices D & E**. They are considered to relate to the statutory licensing objectives as follows:

The Prevention of Crime and Disorder.

The Prevention of Public Nuisance

The Protection of Children from Harm

- 7.2 Sussex Police made a representation listing a number of conditions that they consider required to enable this premise to meet the licensing objectives if members were of a mind to grant a licence. These being:

- The premises will operate an age verification policy set at a minimum of 25 years, whereby any person attempting to buy alcohol who appears to be under 25 (or the age set by the policy) will be asked for photographic ID to prove their age. The only form of ID that will be accepted are passports, driving licences with a photograph or 'Citizencard' or validated proof of age cards bearing the "PASS" mark hologram. The list of approved ID maybe amended or revised subject to prior written agreement with Sussex Police. Signage advertising the "Challenge" policy will be displayed in prominent locations in the premises and shall include the point of sale and the area where the alcohol is displayed, as a minimum.*
- All staff members engaged, or to be engaged, in selling alcohol on the premises shall receive full training pertinent to the Licensing Act, specifically in regard age-restricted sales, and the refusal of sales to persons believed to be under the influence of alcohol or drugs. Induction training must be completed and refresher training thereafter at intervals of no more than eight (8) weeks. All restricted sales training undertaken by staff members shall be fully documented and signed by the employee and the DPS. All training records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers.*
- A written record of those authorised to make sales of alcohol shall be kept. This shall be endorsed by the DPS with the date such authorisation commences. This shall be made available immediately upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers*
- The premises shall at all times maintain and operate a sales refusals log and an incident log will be kept at the premises to record all refusals and incidents of crime or disorder. These shall be reviewed and signed by the Designated Premises Supervisor at intervals of no more than four (4) weeks. Feedback shall be given to staff to ensure these are used on each occasion that a refusal or incident occurs at the premises. These records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers.*

- *Digital CCTV and appropriate recording equipment to be installed in accordance with Home Office Guidelines relating to UK Police Requirements for Digital CCTV System (PSDB Publication Number 09/05), operated and maintained throughout the premises internally and externally to cover all public areas, including the entrance to the premises. The system shall be on and recording at all times the premises licence is in operation.*
 - *The CCTV cameras and recording equipment must be of sufficient quality to work in all lighting levels inside the premises at all times.*
 - *CCTV footage will be stored for a minimum of 31 days*
 - *The management will give full and immediate cooperation and technical assistance to the Police in the event that CCTV footage is required for the prevention and detection of suspected or alleged crime.*
 - *The CCTV images will record and display dates and times, and these times will be checked regularly to ensure their accuracy.*
 - *Subject to Data Protection guidance and legislation, the management of the premises will ensure that key staff are fully trained in the operation of the CCTV, and will be able to download selected footage onto a disk for the police without difficulty or delay and without charge to Sussex Police.*
 - *Any breakdown or system failure will be notified to the police immediately & remedied as soon as practicable.*
- *Spirits will be stored and displayed behind the servery, or out of the reach of the public.*

7.3 Nine letters of representation were received from members of the public objecting to the application.

7.5 All those making relevant representation have been invited to attend this hearing.

8. Mediation

8.1 The Licensing Act 2003 encourages mediation.

8.2 The applicant and Sussex Police have been in mediation and agreement has been reached with the applicant volunteering all the conditions requested by Sussex Police (listed at 7.2). With the only amendment being:

Alcohol products, unless behind the counter, will not be displayed within a three (3) metre radius of the front entrance.

These conditions would become enforceable conditions of any licence granted and therefore the Police have withdrawn their representation.

8.3 Officers are unaware of further mediation between the applicant and those that have made representation. If mediation is successful it will be reported to members prior to or at the hearing.

9. Consideration

- 9.1 Members must take into consideration the following when determining this application:
- The four statutory licensing objectives
 - Worthing Borough Council's Statement of Licensing Policy
 - Guidance issued by the Home Secretary
 - The relevant representations from all parties and any mediated agreement reached.
- 9.2 These are the only matters to be addressed by the authority when considering this application. The statutory Licensing objectives are the only grounds on which representations can be made, and the only grounds on which an authority will be able to refuse an application or impose conditions in addition to statutory conditions and those proposed by the applicant in the Operating Schedule.
- 9.3 When considering this application for a premises licence the following options are available to the Sub-Committee:
- a. Grant the licence, as requested,
 - b. Grant the licence, as requested, with additional conditions appropriate to the promotion of the specific licensing objectives on which relevant representations have been received.
 - c. Reject the whole or part of the application.
- Members may also:
- d. Grant the licence but exclude certain licensable activities from the licence,
 - e. Refuse to specify a particular person as a premises supervisor,
 - f. Approve different parts of the premises for different activities.
- 9.4 Members are required to give reasons for their decision.

10. Legal Implications

- 10.1 Under Section 181 and Schedule 5 of the Act, the following rights of appeal to the Magistrates' Court in respect of applications for a premises licence includes:
- (1) The applicant may appeal against any decision to modify the conditions of the licence.
 - (2) The applicant may appeal against a rejection in whole or part of an application.
 - (3) A person who has made relevant representations may appeal against a licence being granted, or against the modification or lack of modification of any conditions.
- 10.2 Members are reminded that the Act allows for the local licensing authority to undertake a review following the grant of a premises licence, when requested to

do so by a responsible authority, such as the police, or the fire authority, or any other person, such as a resident living in the vicinity of the premises. The Government's guidance states: *"The proceedings set out in the 2003 Act for reviewing premises licences represent a key protection for the community where problems associated with crime and disorder, public safety, public nuisance or the protection of children from harm are occurring. It is the existence of these procedures which should, in general, allow licensing authorities to apply a light touch bureaucracy to the grant and variation of premises licences by providing a review mechanism when concerns relating to the licensing objectives arise later in respect of individual premises."*

- 10.3 In determining this application, the principles of the Human Rights Act 1998 must be taken into consideration and the convention rights of both individuals and businesses will be given due weight.
- 10.4 Members must consider each application on its own merits, and in accordance with the principles of natural justice, as well as the provisions of the Licensing Act 2003. All relevant factors must be taken into account, and all irrelevant factors must be disregarded.
- 10.5 All applications, before Committee, must be considered against the backdrop of anti-discriminatory legislation, such as the Equality Act 2010 and also in accordance with the Council's stated policy on Equal Opportunities.
- 10.6 In accordance with Section 17 of the Crime and Disorder Act 1998 the Council is under a duty to exercise its functions with due regard to the likely effect on, and the need to do all it reasonably can to prevent, crime and disorder in its areas. The possible crime and disorder implications are clearly relevant factors in the consideration of all applications and this is re-emphasised by the Licensing Act 2003 itself. In giving "due regard" to these possible implications members will consider and weigh up all the information available and representations made, including those from interested parties and the responsible authorities particularly the Police.

11. Other Implications

- 11.1 Any decision taken will have regard for the local environment and, in particular, any conditions attached for the purposes of preventing public nuisance will take this principle into account.

12. Recommendation

- 12.1 **Members are requested to determine the application for a new Premises Licence made by Mr Nishal & Mrs Darshna Patel for their proposed new convenience store situated at No.7 Limbrick Corner, Worthing and give reasons for that determination.**

MEMORANDUM

To: **Simon Jones Licensing Officer, Adur District and Worthing Borough Council**

From: **West Sussex Neighbourhood Licensing Team**

Extension: **101 x581179**

Date: **Thursday 05th March 2015**

Dear

**APPLICATION FOR A PREMISES LICENCE TO BE GRANTED UNDER THE LICENSING ACT 2003 FOR
LIMBRICK LANE, GORING BY SEA WORTHING.**

I write on behalf of the Chief Officer of Police for Sussex to raise a representation against the grant of the above application on the grounds of Prevention of Crime and Disorder, the Prevention of Public Nuisance and the Protection of Children from Harm.

In principle Sussex Police have no objections to the application and what it is proposing however while the operating schedule identifies a few steps, some of the measures need slight alteration in order to effectively promote the licensing objectives. Sussex Police propose the below conditions which we believe are enforceable, clear and concise and ensure all four licensing objectives are promoted.

If the applicant is agreeable to the proposed conditions Sussex Police can resolve this representation.

- The premises will operate an age verification policy set at a minimum of 25 years, whereby any person attempting to buy alcohol who appears to be under 25 (or the age set by the policy) will be asked for photographic ID to prove their age.
- The only form of ID that will be accepted are passports, driving licences with a photograph or Citizen card or validated proof of age cards bearing the "PASS" mark hologram. The list of approved ID may be amended or revised subject to prior written agreement with Sussex Police.
- Signage advertising the "Challenge" policy will be displayed in prominent locations in the premises and shall include the point of sale and the area where the alcohol is displayed, as a minimum.
- All staff members engaged, or to be engaged, in selling alcohol on the premises shall receive full training pertinent to the Licensing Act, specifically in regard age-restricted sales, and the refusal of sales to persons believed to be under the influence of alcohol or drugs. Induction training must be completed and refresher training thereafter at intervals of no more than eight (8) weeks. All restricted sales training undertaken by staff members shall be fully documented and signed by the employee and the DPS. All training records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers.
- A written record of those authorised to make sales of alcohol shall be kept. This shall be endorsed by the DPS with the date such authorisation commences. This shall be made available immediately

upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers

- The premises shall at all times maintain and operate a sales refusals log and an incident log will be kept at the premises to record all refusals and incidents of crime or disorder. These shall be reviewed and signed by the Designated Premises Supervisor at intervals of no more than four (4) weeks. Feedback shall be given to staff to ensure these are used on each occasion that a refusal or incident occurs at the premises. These records shall be made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers
- Digital CCTV and appropriate recording equipment to be installed in accordance with Home Office Guidelines relating to UK Police Requirements for Digital CCTV System (PSDB Publication Number 09/05), operated and maintained throughout the premises internally and externally to cover all public areas, including the entrance to the premises. The system shall be on and recording at all times the premises licence is in operation.
 - The CCTV cameras and recording equipment must be of sufficient quality to work in all lighting levels inside the premises at all times.
 - CCTV footage will be stored for a minimum of 31 days
 - The management will give full and immediate cooperation and technical assistance to the Police in the event that CCTV footage is required for the prevention and detection of suspected or alleged crime.
 - The CCTV images will record and display dates and times, and these times will be checked regularly to ensure their accuracy.
- Subject to Data Protection guidance and legislation, the management of the premises will ensure that key staff are fully trained in the operation of the CCTV, and will be able to download selected footage onto a disk for the police without difficulty or delay and without charge to Sussex Police.
- Any breakdown or system failure will be notified to the police immediately & remedied as soon as practicable.
- Spirits will be stored and displayed behind the servery, or out of the reach of the public.
- Alcohol products will not be displayed within a three (3) metre radius of the front entrance

If you wish to discuss this further please do not hesitate to contact me.

Yours sincerely

To whom it may concern,

It has been brought to my attention that the premises of 7 Limbrick Corner Goring-By-Sea have applied for an alcohol license.

I would like to lodge my objection to this license due to there already being more than sufficient supply of licensed premises in the local vicinity and therefore more than enough supply already.

I would therefore suggest that any more licensed premises will cause a detriment to the area and cause my way of life to be greatly impacted by the resulting anti-social behaviour and increased traffic.

Dear Sirs,

Re: Proposed opening of Licenced premises in Limbrick Lane.

We are writing to ask you not to grant a licence for the opening of yet more alcohol related premises in this area.

We already have just around the corner in Palatine Road a Mcolls, an off licence, not to mention the Yoeman Pub/Restaurant which is opposite. We also note that the new premises wish to open from 6.00a.m. to 11.00p.m.

We live in Boxgrove and the amount of broken glass, tins, empty wrapping papers and general damage to our cars and property is all alcohol related caused by people walking home at night after drinking. There is also a fish and chip shop next to this proposed shop.

Please do not let this shop open in it's present form, we have enough of these shops in this area, all very close together.

We could go on and on having lived here since 2001 and seen the general degeneration of this area caused by alcohol.

Yours faithfully,

To Whom it may concern,

I am writing to you with Concern to the alcohol licensing application at 7 Limbrick Corner Goring-By Sea. I would like it to be known that I strongly object to yet another premises selling alcohol in this area as there are already 3 other premises within 100 metres that already have a license to sell alcohol.

My reasons for Objecting are as follows:

1) I believe this will cause a public nuisance due to inadequate parking facilities in Limbrick Lane, there is already an issue with parking and driving on the pavement outside the adjacent premises.

and also I believe the traffic may well increase in Limbrick Lane which is already a very narrow yet fast moving residential road.

Plus unlike already licensed premises in Palatine road 7 Limbrick Corner has residential houses directly opposite that will be adversely affected by the extra noise and traffic that would be created.

2) protection of children.

I am of the belief that this licensing proposal would greatly Jeopardise Children as the Premises are situated on several school routes 2 of which are high schools.

I therefore feel it unwise to allow a shop that sells alcohol to be situated next to a chip shop that school children regularly frequent as this may bring these impressionable children into contact with alcohol at a younger age.

3) Prevention of crime and disorder.

The area in which these premises are situated are already a hot spot for Anti-social behaviour, with the Police having to attend most evenings during the summer months.

Very often there is already broken glass from bottles and vomit on the pavement add to this vandalised cars and windows being smashed.

There is also CCTV evidence of large groups of youths hanging around until the early hours of the morning making a noise nuisance, behaving badly and fighting, With the older ones buying alcohol legally but then giving it to those who are under age. I feel that if a license is granted it will only add to the already severe problems in this neighbourhood.

4) I would like to add a note about the amount of alcoholics that regularly frequent the local area and ask is it really fare or wise to put yet more temptation in there way??

I was of the belief that the government wanted to stop the alcohol culture in this country, therefore I believe that this application goes against what the government are trying to achieve

yours sincerely

Dear Simon,

Thank you for your reply. Castle Ward was plagued by drinkers, under age and of age for some years. Alcohol was sometimes purchased deliberately for underage consumption, some from the off licence in limbrick corner, now under new management. We had many instances involving the police and a considerable amount of empty cans and bottles, damage caused to property and noise because of it and the neighbourhood watch and the police worked hard with local residents to end the nuisance. The police and probably the excellent chair of the neighbourhood panel will doubtless have recorded information.

Please let me know if my words are insufficient for the purposes of the licencing committee.

Hello,

I understand that there is an application for an alcohol licence due in for the currently empty shop at Limbrick corner.

I would respectfully request that it is denied on grounds of public safety, the prevention of Crime and Disorder, public nuisance and prevention of danger to children.

I have been heavily involved with Neighbourhood Watch in Castle Ward for many years and we've worked hard with the police to stamp out the awful problems we've had with all of these issues and I don't want to see that improvement reversed.

Sincerely,

P.S.

We are right opposite the shop concerned. We all ready have a lot of problems because large delivery lorries have to come up on to our pavement to reverse up behind the shops. The pavement is completely broken up. (GAS MAINS UNDERNEATH) I would suggest that you made a layby outside this shop and the fish shop. They have one outside the shops in Palatine Road. Also the hours this shop wants to open is ridiculous. 11:00pm. NOT ON. We already have a PUB, OFF LICENCE & CONVENIENCE STORE THAT SELL ALCOHOL

the situation?

3. Why inflict local residents with yet more unsociable behavior?

Hi Helen,

Further to our telephone conversation and a re think, the 2 points I am not sure about are:

- Spirits will be stored and displayed behind the servery, or out of the reach of the public.
- Alcohol products will not be displayed within a three (3) metre radius of the front entrance

I can confirm that the Spirits will be stored behind the counter and so it will not be accessible for customers / public, however I would like the counter at the front of the shop (near the door) to stop other items being stolen as well as being able to meet and greet customers.

I can confirm that all other alcohol (wines, beers, etc) will not be displayed within a three (3) meter radius of the front entrance.

I hope we can come to some sort of agreement on this issue.

If you have any other questions please contact me on: [REDACTED] or email me at: [REDACTED]

Kind Regards,

Mr Nishal Patel

**Licensing Act 2003 – Application for a new Premises Licence at:
Sainsbury's, 341 Goring Road, Goring-by-Sea, Worthing, BN12 4NX**

Report by the Director for Communities

1. Recommendation

- 1.1 That a Sub Committee of Licensing & Control Committee "B" consider and determine the application made on behalf of :
Sainsbury's Supermarkets Ltd.
for a new Premises Licence to authorise the sale of alcohol for consumption off the premise.

2. Reasons for Hearing

- 2.1 The application has been the subject of formal representation by a responsible authority and a local residents' association. It therefore falls to this sub-committee to determine.

3. Background

- 3.1 The proposed store is situated on the junction of Mulberry Lane and Goring Road in a parade of shops in a mixed commercial/residential area.
- 3.2 The building is currently unoccupied but previously operated as a car showroom.
- 3.3 The application was made on behalf of Sainsbury's Supermarkets Ltd. to Worthing Borough Council on the 12 March 2015 for a new Premises Licence to authorise the sale of alcohol, for consumption off the premise, at a proposed new supermarket.
- 3.4 Documentation attached to the report are:
- Map of the area (Appendix A)
 - Plan of the store (Appendix B)
 - The application (Appendix C)
 - Representation made by a Responsible Authority, namely Sussex Police (Appendix D)
 - Representation made by the residents association (Appendix E)
 - Mediation correspondents (Appendices F)

4. **The Application**

4.1 The Application is attached at Appendix C. However, in summary, the application is seeking authorisation for:

- the sale of alcohol between the hours of:
07.00hrs and 23.00hrs Monday to Sunday incl.
- It is proposed that the store could open to the public 24 hours a day.

4.2 As recommended by the Guidance issued under section 182 of the Licensing Act 2003 the applicant has completed an operating schedule as to how it is intended to address the Licensing Objectives if this application were granted.

4.3 The proposed designated supervisor detailed in the application is Ms Joanne Surguy, who holds a personal licence issued by the London Borough of Bexley.

5. **Promotion of the Licensing Objectives**

5.1 The Licensing Act 2003 and regulations require that the Council, as local licensing authority, carries out its functions with a view to promoting the four licensing objectives:

- prevention of crime and disorder;
- public safety;
- prevention of public nuisance;
- protection of children from harm.

5.2 In carrying out its licensing functions, the licensing authority must also have regard to the Guidance issued by the Secretary of State and its own Statement of Licensing Policy. Members are advised that the following sections of the Worthing Borough Council's Policy may be particularly relevant to consideration of this matter, though of course the Policy in its entirety must be considered. Sections indicated relate to paragraph numbers in the Policy itself:

Prevention of Crime & Disorder

4.2 *The Council places huge importance on the prevention of crime and disorder. A high standard of control is, therefore, expected to be exercised over licensed premises.*

4.3 *In accordance with Section 17 of the Crime and Disorder Act 1998 the Council is under a duty to exercise its functions with due regard to the likely effect on, and the need to do all it reasonably can to prevent, crime and disorder in its areas. The possible crime and disorder implications are clearly relevant factors in the consideration of all applications and this is re-emphasised by the Licensing Act 2003 itself, the Guidance issued under section 182 to the Act and this policy. The Council will give "due regard" to all possible implications and its Licensing & Control Committee will always consider all the information available and relevant representations made, including those from interested parties and the responsible authorities, particularly the Police.*

- 4.4 *In their role as a responsible authority, Sussex Police are an essential source of advice and information on the impact and potential impact of licensable activities in the borough, particularly on the crime and disorder objective. The police have a key role in managing the night-time economy and usually have good working relationships with those operating in the local area. The council recognises that Sussex Police are the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder, but may also be able to make relevant representations with regards to the other licensing objectives if they have evidence to support such representations. The Council will accept all reasonable and proportionate representations made by the police unless the authority has evidence that to do so would not be appropriate for the promotion of the licensing objectives. However, it remains incumbent on the police to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.*
- 4.9 *The Council recognises that the Licensing Act is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from licensed premises. Nonetheless, it is a key aspect of such control and licensing law will always be part of a holistic approach to the management of the evening and night time economy in town centres.*

Prevention of Public Nuisance

- 4.17 *Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of disturbances impacting upon people living, working or sleeping in the vicinity of the premises or wider afield.*
- 4.18 *Noise disturbance can arise from entertainment or activities held within licensed premises and also from people or motor vehicles outside licensed premises. The Council will expect Operating Schedules to address these issues. Advice and guidance can be obtained from Licensing Officers or the Council's Environmental Protection Team. If representations are received the Council may utilise appropriate conditions to control noise disturbance and the use of such conditions will depend upon the activities/entertainment/hours of operation proposed; the nature of the locality; and existing background noise levels and ambient noise levels. Noise control conditions may include the satisfactory sound insulation of licensed premises; compliance with maximum noise levels; and limiting hours of operation.*
- 4.19 *When addressing public nuisance the applicant should initially identify any particular issues (having regard to their particular type/construction of their premises, proposed activities and nature of locality) which are likely to adversely affect the promotion of the objective to prevent public nuisance. Such steps as are required to deal with these identified issues should be included within the applicant's Operating Schedule.*
- 4.20 *Anti-social behaviour such as excessive noise from access and egress or patrons littering should also be addressed in the Operating Schedule.*

Protection of Children from Harm

- 4.24 *The wide range of premises that require licensing means that children can be expected to visit many of these, perhaps on their own, for food and/or entertainment.*
- 4.28 *It is an offence to sell alcohol to an individual aged under 18. Licence holders are required to consider carefully ways to ensure that the sale of alcohol is restricted to*

those over the age of 18. Popular schemes include the 'Challenge 25 scheme' whereby if the individual looks under 25; they are required to prove that they are over the age of 18 when buying alcohol or tobacco. Acceptable forms of proof are: a photo card driver's licence, passport or PASS. PASS is the national guarantee scheme for proof-of-age, which is fully supported by the Home Office. Applicants are encouraged to introduce such schemes and detail them in operating schedules. The council may impose conditions requiring such schemes if relevant representation is received. Special care should be exercised and the licensed trade should be alert to counterfeit IDs and their fraudulent use.

DEMAND, SATURATION & HOURS

- 6.1 *In accordance with the Government's guidance the Council recognises that demand is not a relevant criterion in considering an application under the Act.*
- 6.14 *Following relevant representations the Council will deal with the issue of licensing hours having due regard to the individual merits of each application. However, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated in mainly residential areas. This will particularly apply in circumstances where, having regard to the location, size and nature of the licensed premises, it is likely that disturbance will be caused to residents in the vicinity of the premises, or its environs, by concentrations of people either present or leaving during normal night-time sleeping periods (23.00hrs to 07.00hrs).*
- 6.18 *The Council will generally consider the licensing of shops, stores and supermarkets to sell alcohol for consumption off the premises at any times they are open for shopping. However, it may consider that in some circumstances there are very good reasons for restricting those hours and these are detailed in paragraphs 7.1 to 7.13 below. .*

SPECIFIC CONSIDERATIONS

Off sales of alcohol – Stores & Supermarkets

- 7.1 *The Home Office Guidance to the Act recommends that shops, stores and supermarkets selling alcohol should generally be permitted to match the hours during which they may sell alcohol with their normal trading hours, unless there are good reasons, based on the licensing objectives, for restricting those hours.*
- 7.2 *The council will consider all applications on their own merit and will not consider 'need or demand' but If an area is experiencing problems and this is linked to the number of premises in the area already selling alcohol, for consumption off the premises, the council will carefully consider the cumulative impact on the licensing objectives of any new application if relevant representation is received.*
- 7.3 *The council will be particularly concerned with regard to the granting of new licences to stores and supermarkets in localities where the following problems have been identified:*
- *Alcohol sales to persons who are drunk*
 - *Underage drinking*
 - *Street drinking*
 - *Pre-loading & post-loading*

- 7.4 *Selling alcohol to a person who is drunk or to a person who is under the age of 18 are both offences under the Licensing Act. The council recognises that the vast majority of licensees are very aware of their responsibilities and the duty of care they have selling alcohol to the public. However, the council takes both these issues extremely seriously.*
- 7.5 *The Council considers it vital that licence holders provide formal and effective training to all staff involved in the sale of alcohol to recognise members of the public who are drunk or underage and give their staff the ability and confidence to refuse service. The council will expect operating schedules to demonstrate that the licence holder has considered such matters and addressed them as far as possible and that formal training records are kept on the premise and are to be made available for inspection by Police and/or Licensing Unit officers on request.*
- 7.6 *Over recent years problems associated with street drinking have been experienced across the borough but particularly in the town centre, on the promenade, the beach and Worthing's public parks & gardens. While there are some areas with recurring problems with regard to street drinking groups they also crop up in different areas at different times. These individuals and the shops that supply them can be a focus of antisocial behaviour, disorder and disturbance. The supply of alcohol to individuals involved in the day-long consumption of alcohol on the street and in open spaces can directly lead to these groups of drinkers causing various types of crime, public nuisance and anti-social behaviour.*
- 7.7 *Pre-loading and post-loading, the sale of alcohol to people who consume it on the way to or from venues licensed for the consumption of alcohol on the premises, gives rise to problems of drunkenness and disorderly behaviour. The proliferation of stores selling alcohol for consumption off the premises is of concern if it leads to drinking on the streets or alcohol being carried into premises such as pubs and nightclubs. The council is concerned that alcohol loading from off-licence sales is a significant problem in the town and adversely affects the licensing objectives.*
- 7.8 *Where the police or others make representations against the grant of a further licence for off sales, because of their serious concerns over any of the problems listed above and the disorder associated with the off sale of alcohol in the area, the council will give specific consideration to restricting the number, type, and the hours of premises selling alcohol exclusively for consumption off the premises. The council will want to be assured that the Operating Schedule of premises, and their overall management, training and levels of staffing, are appropriate to ensure that the licensing objectives are promoted in what may be challenging circumstances. The earliest and latest hours of opening will be of particular concern. This is because problematic street drinkers and others who are seriously addicted to alcohol, may be drawn to shops that sell alcohol earlier in the morning and later in the evening than other premises and consequently create public nuisance. Where there are representations on problems of disorder the hours when alcohol may be sold for consumption off the premises may be conditioned to be less than the generally granted hours issued to public houses and restaurants in the area.*
- 7.9 *Due to these concerns and their link to crime, disorder and disturbance, the Council will not, as a general rule, grant applications for the 24-hour sale of alcohol for consumption off the premises. It will consider very seriously any representation made by Sussex Police, other responsible authorities, and relevant representations from the public before determining such applications.*

- 7.10 *To address the problems of street drinkers, underage drinkers and pre/post-loaders the council has introduced a controlled drinking zone across the whole borough giving the police powers to stop street drinking and seize alcohol and receptacles under the powers of the Criminal Justice and Police Act 2001. In addition short term Dispersal Zones have and will be used in parts of the town where the break-up of street drinking groups is required to disrupt any emerging patterns of street drinking.*
- 7.11 *When requested by the police, or other authorities, the Licensing Authority may impose on new applications, or on existing licences at review, conditions requiring:*
- *No sales of alcoholic beverages (beers, lagers & ciders) over a specified limit of alcohol by volume or of specified quantities (e.g. of beers, lagers and ciders over 6.0% alcoholic content by volume).*
 - *No sales of single cans or bottles of beer, lager and cider in containers containing less than 500ml.*
 - *No sales of miniature bottles of wine or spirit in units of less than 35cl.*
 - *Other conditions may be imposed directed at reducing problematic street drinking.*
 - *Conditions stopping irresponsible drink promotions that do not follow best practice, that would appeal to underage drinkers or street drinkers or encourage excessive consumption.*
 - *Conditions relating to the positioning of alcohol within the shop and the types of displays of alcohol within the store. Particularly those displays that might appeal to younger consumers.*
- 7.12 *From October 2010 it became a mandatory condition that all licence holders selling alcohol put in place an age verification policy for the premises. In some circumstances the Council will impose, where necessary to promote the licensing objectives, implicit conditions on the checking of the age of those who appear under 21 or 25 to ensure that alcohol is not sold to those under 18 years of age.*
- 7.13 *Licence holders need to have sufficient day to day control of operations at their premise. They will be held responsible for breaches of the licence and ensuring there is adequate staffing and training. The authorities will continue to use young people for the 'test purchasing' of alcohol and CCTV evidence, which has proved its usefulness in prosecutions for unlawful sales of alcohol. The likely consequences of a review of licence for underage sales include the imposition of additional conditions such as the attendance of a personal licence holder, licence suspensions and in some cases revocation to act as deterrence.*

6. Consultation

- 6.1 The application has been subject to the statutory consultation and statutory public advertisement arrangements in accordance with the provisions of the Act, in respect of which relevant representations were received from the following:

Other Persons – 1 X Representation

Responsible Authorities – 1 X Representation from Sussex Police

7. Relevant Representations

- 7.1 Detail regarding the relevant representations received is reproduced at Appendices D & E. They are considered to relate to the statutory licensing objectives as follows:

Prevention of Crime and Disorder.

Prevention of Public Nuisance

Protection of Children from Harm

- 7.2 Sussex Police made a representation listing a number of conditions that they considered required to enable this premise to meet the licensing objectives if members were of a mind to grant a licence. These being:

- *A list of staff members who are authorised to sell alcohol on the premises shall be kept. Each of these staff members shall receive full training pertinent to the Licensing Act, specifically in regard to age-restricted sales, and the refusal of sales to persons believed to be under the influence of alcohol or drugs. Induction training must be completed and refresher training thereafter at intervals of no more than twelve (12) weeks. All restricted sales training undertaken by staff members shall be full documented and signed by the employee and the DPS. All training records shall be kept for a minimum of twenty four (24) months, and made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers.*
- *The premises shall at all times maintain and operate a sales refusals log and an incident log will be kept to record all refusals and incidents of crime or disorder. These shall be reviewed and signed by the Designated Premises Supervisor at intervals of no more than four (4) weeks. Feedback shall be given to staff to ensure these are used on each occasion that a refusal or incident occurs at the premises. These records shall be kept for a minimum of twenty four (24) months, and made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers*
- *Alcohol shall not be located in the immediate vicinity of the entrances and exits to the premises, but shall be in an area in which it shall be monitored by staff on a frequent and daily basis while licensable activities are taking place.*
- *Spirits will be stored and displayed behind the servery, or out of the reach of the public.*

- 7.3 A letter of representation was received from the chair of the Ilex Conservation Association objecting to the application.

- 7.5 All those making relevant representation have been invited to attend this hearing.

8. Mediation

- 8.1 The Licensing Act 2003 encourages mediation.

8.2 The applicant and Sussex Police have been in mediation and agreement has been reached with the applicant volunteering a number of alternative conditions to address the Police concerns. These being:

1. *All staff engaged or to be engaged in the sale of alcohol on the premises shall receive the following training in age restricted sales:*
 - *Induction training which must be completed and documented prior to the sale of alcohol by the staff member.*
 - *Refresher/reinforcement training at intervals of no more than 6 months.**Training records will be kept at the premises available for inspection by a police officer or other authorised officer on request.*
2. *All cashiers shall be trained to record refusals of sales of alcohol in a refusals register. The register will contain:*
 - *details of the time and date the refusal was made;*
 - *the identity of the staff member refusing the sale;*
 - *details of the alcohol the person attempted to purchase.**This register will be available for inspection by a police officer or other authorised officer on request.*
3. *An incidents register shall be maintained at the premises recording:*
 - *all incidents of crime and disorder occurring at the premises;*
 - *details of occasions when the police are called to the premises.**This register will be available for inspection by a police officer or other authorised officer on request.*
4. *There shall be no self-service of spirits except for spirit mixtures with an ABV not exceeding 5.5% ABV*
5. *There shall be no alcohol available by self-service within 3 metres of the store entrance.*

These conditions would become enforceable conditions of any licence granted and as a result Sussex Police have withdrawn their representation.

8.3 Officers have written to the Ilex Conservation Group to mediate and if there are developments it will be reported to members prior to or at the hearing.

9. Consideration

9.1 Members must take into consideration the following when determining this application:

- The four statutory licensing objectives
- Worthing Borough Council's Statement of Licensing Policy
- Guidance issued by the Home Secretary
- The relevant representations from all parties and any mediated agreement reached.

9.2 These are the only matters to be addressed by the authority when considering this application. The statutory Licensing objectives are the only grounds on which representations can be made, and the only grounds on which an authority will be able to refuse an application or impose conditions in addition to statutory conditions and those proposed by the applicant in the Operating Schedule.

9.3 When considering this application for a premises licence the following options are available to the Sub-Committee:

- a. Grant the licence, as requested,
- b. Grant the licence, as requested, with additional conditions appropriate to the promotion of the specific licensing objectives on which relevant representations have been received.
- c. Reject the whole or part of the application.

Members may also:

- d. Grant the licence but exclude certain licensable activities from the licence,
- e. Refuse to specify a particular person as a premises supervisor,
- f. Approve different parts of the premises for different activities.

9.4 Members are required to give reasons for their decision.

10. Legal Implications

10.1 Under Section 181 and Schedule 5 of the Act, the following rights of appeal to the Magistrates' Court in respect of applications for a premises licence includes:

- (1) The applicant may appeal against any decision to modify the conditions of the licence.
- (2) The applicant may appeal against a rejection in whole or part of an application.
- (3) A person who has made relevant representations may appeal against a licence being granted, or against the modification or lack of modification of any conditions.

10.2 Members are reminded that the Act allows for the local licensing authority to undertake a review following the grant of a premises licence, when requested to do so by a responsible authority, such as the police, or the fire authority, or any other person, such as a resident living in the vicinity of the premises. The Government's guidance states: *"The proceedings set out in the 2003 Act for reviewing premises licences represent a key protection for the community where problems associated with crime and disorder, public safety, public nuisance or the protection of children from harm are occurring. It is the existence of these procedures which should, in general, allow licensing authorities to apply a light touch bureaucracy to the grant and variation of premises licences by providing a review mechanism when concerns relating to the licensing objectives arise later in respect of individual premises."*

10.3 In determining this application, the principles of the Human Rights Act 1998 must be taken into consideration and the convention rights of both individuals and businesses will be given due weight.

10.4 Members must consider each application on its own merits, and in accordance with the principles of natural justice, as well as the provisions of the Licensing Act 2003.

All relevant factors must be taken into account, and all irrelevant factors must be disregarded.

- 10.5 All applications, before Committee, must be considered against the backdrop of anti-discriminatory legislation, such as the Equality Act 2010 and also in accordance with the Council's stated policy on Equal Opportunities.
- 10.6 In accordance with Section 17 of the Crime and Disorder Act 1998 the Council is under a duty to exercise its functions with due regard to the likely effect on, and the need to do all it reasonably can to prevent, crime and disorder in its areas. The possible crime and disorder implications are clearly relevant factors in the consideration of all applications and this is re-emphasised by the Licensing Act 2003 itself. In giving "due regard" to these possible implications members will consider and weigh up all the information available and representations made, including those from interested parties and the responsible authorities particularly the Police.

11. Other Implications

- 11.1 Any decision taken will have regard for the local environment and, in particular, any conditions attached for the purposes of preventing public nuisance will take this principle into account.

12. Recommendation

- 12.1 Members are requested to determine the application for a new Premises Licence made on behalf of Sainsbury's Supermarkets Ltd. for their proposed new supermarket situated at 341 Goring Road, Worthing and give reasons for that determination.**

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

b) The prevention of crime and disorder

1. The licence holder will ensure that the premises benefit from a CCTV system that operates at all times when licensable activities are taking place.
2. The system will incorporate a camera covering each of the entrance doors and the main alcohol display area and will be capable of providing an image which is regarded as identification standard. The precise positions of the cameras may be agreed, subject to compliance with Data Protection legislation, with the police from time to time.
3. The system will incorporate a recording facility and any recording will be retained and stored in a suitable and secure manner for a minimum of 30 days and will be made available, subject to compliance with Data Protection legislation, to the police for inspection on request.
4. The system must be able to export recorded images to a removable means e.g. CD/DVD and have its own software enabled to allow playback/review.
5. A member of staff trained in the use of the CCTV system must be available at the premises at all times that the premises are open to the public.
6. The system will display, on any recording, the correct time and date of the recording.

c) Public safety

The premises licence holder will at all times maintain adequate levels of staff and security. Such staff and security levels will be disclosed, on request, to the licensing authority and police.

d) The prevention of public nuisance

Signage will be displayed at the exit of the premises requesting customers leaving the premises late at night to do so quietly and with consideration so as not to disturb nearby residents.

e) The protection of children from harm

The premises licence holder will ensure that an age verification policy will apply to the premises whereby all cashiers will be trained to ask any customer attempting to purchase alcohol, who appears to be under the age of 25 years (or older if the licence holder so elects) to produce, before being sold alcohol, identification being a passport or photocard driving licence bearing a holographic mark or other form of identification that complies with any mandatory condition that may apply to this licence.

Dear Mr Jones

**APPLICATION FOR A PREMISES LICENCE TO BE GRANTED UNDER THE LICENSING ACT 2003 FOR
SAINSBURY'S, 341 GORING ROAD, GORGING BY SEA WORTHING, BN12 4NX**

I write on behalf of the Chief Officer of Police for Sussex to raise a representation against the grant of the above application on the grounds of Prevention of Crime and Disorder, the Prevention of Public Nuisance and the Protection of Children from Harm.

In principle Sussex Police have no objections to the application and what it is proposing however, the operating schedule provided is insufficient. While it identifies a few steps, it fails to satisfy Sussex Police that sufficient measures have been proffered in order to effectively promote the licensing objectives. Sussex Police propose the below conditions which we believe are enforceable, clear and concise and ensure all four licensing objectives are promoted.

If the applicant is agreeable to the proposed conditions Sussex Police can resolve this representation.

- A list of staff members who are authorised to sell alcohol on the premises shall be kept. Each of these staff members shall receive full training pertinent to the Licensing Act, specifically in regard to age-restricted sales, and the refusal of sales to persons believed to be under the influence of alcohol or drugs. Induction training must be completed and refresher training thereafter at intervals of no more than twelve (12) weeks. All restricted sales training undertaken by staff members shall be fully documented and signed by the employee and the DPS. All training records shall be kept for a minimum of twenty four (24) months, and made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers.
- The premises shall at all times maintain and operate a sales refusals log and an incident log will be kept to record all refusals and incidents of crime or disorder. These shall be reviewed and signed by the Designated Premises Supervisor at intervals of no more than four (4) weeks. Feedback shall be given to staff to ensure these are used on each occasion that a refusal or incident occurs at the premises. These records shall be kept for a minimum of twenty four (24) months, and made immediately available upon request to the Local Authority Licensing Officers and Sussex Police Licensing Officers

Dear Sirs,

Re: New Premises Licence at Sainsbury's

Proposal: An application for a new premises licence to allow alcohol sales at a proposed new supermarket/convenience store. The shop to be situated at 341 Goring Road, Worthing, BN12 4NX

We note that Sainsbury's are asking for 7am to 11pm licensing including Sundays and they also suggest 24 hour opening for the shop. Our current convenience store, Spar, is open 7am to 10 pm Mon to Sat and opens at 8am on a Sunday. We presume that their licensing hours correspond. The other retailer of alcohol in the local shopping area, Hartleys, opens from 10am to 9pm Monday to Saturday and from 12 to 9pm on a Sunday.

As a local resident group, we have noted over a number of years that, especially during the summer, there is drinking (often underage) occurring either on the beach or to and from it. We suggest that hours corresponding to those currently existing for Spar may well be an aid to discourage street drinking and public nuisance and to protect local business. A 10 pm finish will tend to deter "post loading" following beach sessions and consequent nuisance and distress to local residents.

There are already 2 outlets with off sales. Should Sainsbury's be allowed longer hours than Spar then, it is possible that Spar will apply for extended hours (to the detriment of the locality) or they risk losing trade to Sainsbury's. Hartleys, being a specialist off-licence may or may not follow suit.

We also note that in the next local shopping area in Goring Way, ten to fifteen minutes' walk from the Mulberry shops, the Tesco store closes at 10pm.

We hope that the Committee will take our concerns into consideration when determining the licensing hours for the proposed store

Yours faithfully

(Chairman)

Helen

Thank you for your email dated 26 March.

I am authorised by Sainsbury's to agree the following additional conditions:

1. All staff engaged or to be engaged in the sale of alcohol on the premises shall receive the following training in age restricted sales:

- Induction training which must be completed and documented prior to the sale of alcohol by the staff member.
- Refresher/reinforcement training at intervals of no more than 6 months.

Training records will be kept at the premises available for inspection by a police officer or other authorised officer on request.

2. All cashiers shall be trained to record refusals of sales of alcohol in a refusals register. The register will contain:

- details of the time and date the refusal was made;
- the identity of the staff member refusing the sale;
- details of the alcohol the person attempted to purchase.

This register will be available for inspection by a police officer or other authorised officer on request.

3. An incidents register shall be maintained at the premises recording:

- all incidents of crime and disorder occurring at the premises;
- details of occasions when the police are called to the premises.

This register will be available for inspection by a police officer or other authorised officer on request.

4. There shall be no self-service of spirits except for spirit mixtures with an ABV not exceeding 5.5% ABV

5. There shall be no alcohol available by self-service within 3 metres of the store entrance.

Please confirm that the application as amended will be satisfactory to the police and I will then notify the licensing officer of the additional conditions.

Thanks

Robert

Dear Ms Walker

**Re: Licensing Act 2003 – Premises Licence Application
Sainsbury's, 341 Goring Road, Worthing**

Consultation on the above application has closed. Two relevant representations were received objecting to the grant of a premises licence to authorise the sale of alcohol at the above store - from your group and Sussex Police. The Licensing Act encourages mediation and if agreement can be reached between the parties an amended licence can be issued incorporating the results of the mediation but if no agreement can be reached the application is then referred to a Licensing Committee Hearing for members to decide. At the hearing all parties are given the opportunity to address the committee and discuss matters with each other. A hearing for this application has been pencilled in for Wednesday 29 April at 18.30hrs at the town hall.

Under the Licensing Act for a representation to be relevant it must raise concerns under at least one of the four licensing objectives that the proposed licence could undermine:

1. The Prevention of Crime & Disorder
2. Public Safety
3. The Prevention of Public Nuisance
4. The Protection of Children from Harm

No other matters are relevant.

As the Act suggests mediation is now being conducted and negotiations between the applicant and Sussex Police has taken place. The Police have suggested the following conditions be placed on the licence as enforceable terms of licence:

- All staff engaged or to be engaged in the sale of alcohol on the premises shall receive the following training in age restricted sales:
- Induction training which must be completed and documented prior to the sale of alcohol by the staff member.
- Refresher/reinforcement training at intervals of no more than 6 months.

Training records will be kept at the premises available for inspection by a police officer or other authorised officer on request.

1. All cashiers shall be trained to record refusals of sales of alcohol in a refusals register. The register will contain:
 - details of the time and date the refusal was made;
 - the identity of the staff member refusing the sale;
 - details of the alcohol the person attempted to purchase.

This register will be available for inspection by a police officer or other authorised officer on request.

2. An incidents register shall be maintained at the premises recording:

- all incidents of crime and disorder occurring at the premises;
- details of occasions when the police are called to the premises.

This register will be available for inspection by a police officer or other authorised officer on request.

3. There shall be no self-service of spirits except for spirit mixtures with an ABV not exceeding 5.5% ABV
4. There shall be no alcohol available by self-service within 3 metres of the store entrance.

The applicant has agreed to these becoming enforceable terms of any licence that may be granted and as a result Sussex Police will withdraw their objection.

The applicant's solicitor has asked me to pass on the following comments for your consideration:

1. *There is no requirement for Sainsbury's to match the trading hours of existing retailers.*
2. *Worthing Borough Council's licensing policy states:*

18.1 Shops, stores and supermarkets should be free to provide sales of alcohol for consumption off the premises at any time when the retail outlet is open for shopping unless there are good reasons for restricting those hours. Accordingly, if the law permits the shop to open for 24 hours or limits such opening, for example, on Sunday's, the authority will generally permit the sale of alcohol during those hours.

18.2 Good reasons for imposing a limitation may be appropriate, for example, following police representations in the case of isolated shops known to be a focus of disorder or disturbance because youths gather there and engage in anti-social behaviour, including pressurising shop staff to make unlawful sales of alcohol.

3. *Sainsbury's has engaged with the police and agreed conditions in addition to those already in the operating schedule. I hope that these conditions will reduce some of the concerns of The Ilex Conservation Group.*
4. *The representation refers to 24 hour opening. It has never been the intention to open 24 hours. The application is for the sale of alcohol. The actual opening hours is not a licensable activity. Most Local stores of this nature trade from 7-11.*
5. *The grant of a licence to Sainsbury's does not mean that the Spar and/or Hartley's will apply for extended hours. In fact their licences may already allow them to trade to 11pm and they have opted not to do so. Even if they do apply for extended hours those applications would be advertised in the required manner and would be dealt with on their own merits.*
6. *Reference is made to Tesco and again I have not seen a copy of their licence but it may also be to 11pm? We are happy to attend the hearing but I do hope that The Ilex Conservation Group can be reassured that the grant of the licence as agreed with the police will not result in their fears materialising.*

I would be happy to arrange for The Ilex Conservation Group to have a direct contact at Sainsbury's in order for them to liaise both before the store opens and after

Your group's representation appears to be objecting to the grant of the licence because of the timings and the possible nuisance such a licence might create. As part of the process I need to enquire as to whether the above conditions being placed on the licence and the comments the applicant makes would address your concerns, whether there are any further conditions that might address your concerns or whether you still object to a licence and would like this application to be referred to a hearing to have the opportunity to address the Licensing Committee with your objection.

I look forward to your advice and if you would like to discuss please do not hesitate to contact me or the applicant's solicitor [REDACTED] directly on [REDACTED].

Yours sincerely
