Licensing Act 2003 – Application for a new Premises Licence at:

Lyndhurst Road Post Office
46 Lyndhurst Road, Worthing, BN11 2DF

Report by the (Interim) Director for Communities

1. Recommendation

- 1.1 That a Sub Committee of Licensing & Control Committee “B” consider and determine the application made on behalf of :
- Mr Piranavan Arulchelvam**
- for a new Premises Licence to authorise the sale of alcohol for consumption off the premise.

2. Reasons for Hearing

- 2.1 The application has been the subject of formal representation by a responsible authority, a local resident and a petition signed by local residents and it therefore falls to this sub-committee to determine.

3. Background

- 3.1 An application was made on behalf of Mr Arulchelvam to the Licensing Authority, Worthing Borough Council, on the 15 April 2016 for the grant of a new premises licence.
- 3.2 The store is situated in Lyndhurst Road at the end of a small parade of shops in a mixed commercial/residential area. The parade consists of just under a dozen retail units including a public house, two takeaway restaurants and various other independent outlets situated on the south side of Lyndhurst Road. There is a pre-school situated opposite. A licensed convenience store is situated approximately 100 m along the road to the west and Lyndhurst First School approx. 250m to the east both on the opposite side of the road.
- 3.3 The Post Office is located on the ground floor with a self-contained residential flat above.

3.4 This is a long established business situated in a long established shop. The business is intending to operate as a post office/convenience store serving a variety of convenience products and the applicant wishes to sell a small variety of beers, wines & spirits for takeaway.

3.5 Attached to the report are:

- A plan of the area (Appendix A)
- A plan of the store (Appendix B)
- A copy of the application (Appendix C)
- A copy of the representation made by the Responsible Authority, namely Sussex Police & the agreement reached (Appendix D)
- A copy of the representation received from a local resident. (Appendix E)
- A copy of a petition received (Appendix F)

4. **The Application**

4.1 The Application is attached at **Appendix C**. However, in summary, the application is seeking authorisation for:

- the sale of alcohol between the hours of:
06.00hrs to 23.00hrs Monday - Sunday
- It is proposed that the store will open to the public between the hours of:
06.00hrs to 23.00hrs Monday - Sunday

4.2 As recommended by the Guidance issued under section 182 of the Licensing Act 2003 the applicant has completed an operating schedule as to how it is intended to address the Licensing Objectives if this application were granted.

4.3 The proposed designated supervisor detailed in the application is Mr Piranavan Logendrant Arulchelvam who holds a personal licence issued by Harrow Council.

5. **Promotion of the Licensing Objectives**

5.1 The Licensing Act 2003 and regulations require that the Council, as local licensing authority, carries out its functions with a view to promoting the four licensing objectives:

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance;
- the protection of children from harm.

5.2 In carrying out its licensing functions, the licensing authority must also have regard to the Guidance issued by the Secretary of State and its own Statement of Licensing Policy. Members are advised that the following sections of the Worthing Borough Council's Policy may be particularly relevant to consideration of this matter, though of course the Policy in its entirety must be considered. Sections indicated relate to paragraph numbers in the Policy itself:

Prevention of Crime & Disorder

- 4.2 *The Council places huge importance on the prevention of crime and disorder. A high standard of control is, therefore, expected to be exercised over licensed premises.*
- 4.3 *In accordance with Section 17 of the Crime and Disorder Act 1998 the Council is under a duty to exercise its functions with due regard to the likely effect on, and the need to do all it reasonably can to prevent, crime and disorder in its areas. The possible crime and disorder implications are clearly relevant factors in the consideration of all applications and this is re-emphasised by the Licensing Act 2003 itself, the Guidance issued under section 182 to the Act and this policy. The Council will give "due regard" to all possible implications and its Licensing & Control Committee will always consider all the information available and relevant representations made, including those from interested parties and the responsible authorities, particularly the Police.*
- 4.4 *In their role as a responsible authority, Sussex Police are an essential source of advice and information on the impact and potential impact of licensable activities in the borough, particularly on the crime and disorder objective. The police have a key role in managing the night-time economy and usually have good working relationships with those operating in the local area. The council recognises that Sussex Police are the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder, but may also be able to make relevant representations with regards to the other licensing objectives if they have evidence to support such representations. The Council will accept all reasonable and proportionate representations made by the police unless the authority has evidence that to do so would not be appropriate for the promotion of the licensing objectives. However, it remains incumbent on the police to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.*
- 4.9 *The Council recognises that the Licensing Act is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from licensed premises. Nonetheless, it is a key aspect of such control and licensing law will always be part of a holistic approach to the management of the evening and night time economy in town centres.*

Prevention of Public Nuisance

- 4.17 *Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of disturbances impacting upon people living, working or sleeping in the vicinity of the premises or wider afield.*
- 4.18 *Noise disturbance can arise from entertainment or activities held within licensed premises and also from people or motor vehicles outside licensed premises. The Council will expect Operating Schedules to address these issues. Advice and guidance can be obtained from Licensing Officers or the Council's Environmental Protection Team. If representations are received the Council may utilise appropriate conditions to control noise disturbance and the use of such conditions will depend upon the activities/entertainment/hours of operation proposed; the nature of the locality; and existing background noise levels and ambient noise levels. Noise control conditions may include the satisfactory sound insulation of licensed premises; compliance with maximum noise levels; and limiting hours of operation.*

- 4.19 *When addressing public nuisance the applicant should initially identify any particular issues (having regard to their particular type/construction of their premises, proposed activities and nature of locality) which are likely to adversely affect the promotion of the objective to prevent public nuisance. Such steps as are required to deal with these identified issues should be included within the applicant's Operating Schedule.*
- 4.20 *Anti-social behaviour such as excessive noise from access and egress or patrons littering should also be addressed in the Operating Schedule.*

DEMAND, SATURATION & HOURS

- 6.1 *In accordance with the Government's guidance the Council recognises that demand is not a relevant criterion in considering an application under the Act.*
- 6.14 *Following relevant representations the Council will deal with the issue of licensing hours having due regard to the individual merits of each application. However, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated in mainly residential areas. This will particularly apply in circumstances where, having regard to the location, size and nature of the licensed premises, it is likely that disturbance will be caused to residents in the vicinity of the premises, or its environs, by concentrations of people either present or leaving during normal night-time sleeping periods (23.00hrs to 07.00hrs).*
- 6.18 *The Council will generally consider the licensing of shops, stores and supermarkets to sell alcohol for consumption off the premises at any times they are open for shopping. However, it may consider that in some circumstances there are very good reasons for restricting those hours and these are detailed in paragraphs 7.1 to 7.13 below. .*

SPECIFIC CONSIDERATIONS

Off sales of alcohol – Stores & Supermarkets

- 7.1 *The Home Office Guidance to the Act recommends that shops, stores and supermarkets selling alcohol should generally be permitted to match the hours during which they may sell alcohol with their normal trading hours, unless there are exceptional reasons related to the licensing objectives, in particular 'the prevention of crime and disorder' and 'the prevention of public nuisance'.*
- 7.2 *The council will consider all applications on their own merit and will not consider 'need or demand' but if an area is experiencing problems and this is linked to the number of premises in the area already selling alcohol, for consumption off the premises, the council will carefully consider the cumulative impact on the licensing objectives of any new application if relevant representation is received.*
- 7.3 *The council will be particularly concerned with regard to the granting of new licences to stores and supermarkets in localities where the following problems have been identified:*
- *Alcohol sales to persons who are drunk*
 - *Underage drinking*
 - *Street drinking*
 - *Pre-loading & post-loading*
- 7.4 *Selling alcohol to a person who is drunk or to a person who is under the age of 18 are both offences under the Licensing Act. The council recognises that the vast*

majority of licensees are very aware of their responsibilities and the duty of care they have selling alcohol to the public. However, the council takes both these issues extremely seriously.

- 7.5 *The Council considers it vital that licence holders provide formal and effective training to all staff involved in the sale of alcohol to recognise members of the public who are drunk or underage and give their staff the ability and confidence to refuse service. The council will expect operating schedules to demonstrate that the licence holder has considered such matters and addressed them as far as possible and that formal training records are kept on the premise and are to be made available for inspection by Police and/or Licensing Unit officers on request.*
- 7.6 *Over recent years problems associated with street drinking have been experienced across the borough but particularly in the town centre, on the promenade, the beach and Worthing's public parks & gardens. While there are some areas with recurring problems with regard to street drinking groups they also crop up in different areas at different times. These individuals and the shops that supply them can be a focus of antisocial behaviour, disorder and disturbance. The supply of alcohol to individuals involved in the day-long consumption of alcohol on the street and in open spaces can directly lead to these groups of drinkers causing various types of crime, public nuisance and anti-social behaviour.*
- 7.7 *Pre-loading and post-loading, the sale of alcohol to people who consume it on the way to or from venues licensed for the consumption of alcohol on the premises, gives rise to problems of drunkenness and disorderly behaviour. The proliferation of stores selling alcohol for consumption off the premises is of concern if it leads to drinking on the streets or alcohol being carried into premises such as pubs and nightclubs. The council is concerned that alcohol loading from off-licence sales is a significant problem in the town and adversely affects the licensing objectives.*
- 7.8 *Where the police or others make representations against the grant of a further licence for off sales, because of their serious concerns over any of the problems listed above and the disorder associated with the off sale of alcohol in the area, the council will give specific consideration to restricting the number, type, and the hours of premises selling alcohol exclusively for consumption off the premises. The council will want to be assured that the Operating Schedule of premises, and their overall management, training and levels of staffing, are appropriate to ensure that the licensing objectives are promoted in what may be challenging circumstances. The earliest and latest hours of opening will be of particular concern. This is because problematic street drinkers and others who are seriously addicted to alcohol, may be drawn to shops that sell alcohol earlier in the morning and later in the evening than other premises and consequently create public nuisance. Where there are representations on problems of disorder the hours when alcohol may be sold for consumption off the premises may be conditioned to be less than the generally granted hours issued to public houses and restaurants in the area.*
- 7.9 *Due to these concerns and their link to crime, disorder and disturbance, the Council will not, as a general rule, grant applications for the 24-hour sale of alcohol for consumption off the premises. It will consider very seriously any representation made by Sussex Police, other responsible authorities, and relevant representations from the public before determining such applications.*
- 7.10 *To address the problems of street drinkers, underage drinkers and pre/post-loaders the council has introduced a controlled drinking zone across the whole borough giving the police powers to stop street drinking and seize alcohol and*

receptacles under the powers of the Criminal Justice and Police Act 2001. In addition short term Dispersal Zones have and will be used in parts of the town where the breakup of street drinking groups is required to disrupt any emerging patterns of street drinking.

- 7.11 *When requested by the police, or other authorities, the Licensing Authority may impose on new applications, or on existing licences at review, conditions requiring:*
- *No sales of alcoholic beverages (beers, lagers & ciders) over a specified limit of alcohol by volume or of specified quantities (e.g. of beers, lagers and ciders over 6.0% alcoholic content by volume).*
 - *No sales of single cans or bottles of beer, lager and cider in containers containing less than 500ml.*
 - *No sales of miniature bottles of wine or spirit in units of less than 35cl.*
 - *Other conditions may be imposed directed at reducing problematic street drinking.*
 - *Conditions stopping irresponsible drink promotions that do not follow best practice, that would appeal to underage drinkers or street drinkers or encourage excessive consumption.*
 - *Conditions relating to the positioning of alcohol within the shop and the types of displays of alcohol within the store. Particularly those displays that might appeal to younger consumers.*
- 7.12 *From October 2010 it became a mandatory condition that all licence holders selling alcohol put in place an age verification policy for the premises. In some circumstances the Council will impose, where necessary to promote the licensing objectives, implicit conditions on the checking of the age of those who appear under 21 or 25 to ensure that alcohol is not sold to those under 18 years of age.*
- 7.13 *Licence holders need to have sufficient day to day control of operations at their premise. They will be held responsible for breaches of the licence and ensuring there is adequate staffing and training. The authorities will continue to use young people for the 'test purchasing' of alcohol and CCTV evidence, which has proved its usefulness in prosecutions for unlawful sales of alcohol. The likely consequences of a review of licence for underage sales include the imposition of additional conditions such as the attendance of a personal licence holder, licence suspensions and in some cases revocation to act as deterrence.*

6. Consultation

- 6.1 The application has been subject to the statutory consultation and statutory public advertisement arrangements in accordance with the provisions of the Act, in respect of which relevant representations were received from the following:

Other Persons – 1 X Representation from a resident and a petition containing 198 signatures.

Responsible Authorities – 1 X Representation from Sussex Police

7. Relevant Representations

- 7.1 Detail of the relevant representations received is reproduced at Appendices D & E and the petition at F. They are considered to relate to the statutory licensing objectives as follows:

Prevention of Crime & Disorder.

Prevention of Public Nuisance

Protection of Children from Harm

- 7.2 Sussex Police made a number of comments and listed a number of conditions that they consider required to enable this premise to meet the licensing objectives if members were of a mind to grant a licence.
- 7.3 A local resident made a number of comments in her representation including comments regarding property value, necessity and litter from local shops none of which are relevant considerations to this particular application under the Licensing Act. However, her letter does express concerns regarding noise, antisocial behaviour and public nuisance and these matters may be considered by members.
- 7.4 A petition of 198 signatories objecting to the application was received during the consultation. Members have been supplied with a copy in full. However, the petition gives only very vague reason as to why each signatory has objected and many of the reasons are blatantly irrelevant. Whilst these have not been excluded members will need to be selective and consider very carefully the weight, if any, they apportion to these.
- 7.4 The applicant, Sussex Police, the resident that made relevant representation and the lead signatory of the petition have been formally notified of this hearing and invited to attend.

8. Mediation

- 8.1 The Licensing Act 2003 encourages mediation.
- 8.2 Sussex Police have successfully mediated with Mr Arulchelvam and as a result the following conditions have been volunteered to the applicant's operating schedule:
1. *Spirits will be stored and displayed behind the counter area. No display of alcohol shall be permitted within 2 metres of the entrance other than behind the counter.*
 2. *No beers, lagers or ciders will be sold in cans with an Alcohol By Volume (ABV) in excess of 6.5 % or in bottles larger than 750ml with an ABV in excess of 6.5%*
 3. *Digital CCTV and appropriate recording equipment to be installed in accordance with Home Office Guidelines relating to UK Police Requirements for Digital CCTV System, operated and maintained throughout the premises to cover all public areas, including the entrance to the premises. The CCTV cameras and recording equipment must be of a sufficient quality to work in normal lighting levels inside the premises at all times. CCTV footage will be stored for a minimum of 28 days and the management will give full and immediate cooperation and technical assistance to the police in the event that CCTV footage is required for the prevention and detection of suspected or alleged crime. The CCTV images will record and display*

dates and times, and these will be checked regularly to ensure their accuracy. The management of the premises will ensure that key staff are fully trained in the operation of the CCTV and will be able to download selected footage onto a disc for the police without difficulty or delay and without charge to Sussex Police. Any mechanical breakdown beyond the control of the proprietor shall be made available upon request to the police. Any mechanical breakdown or system failure will be remedied as soon as practicable.

4. *The store will operate a proof of age scheme such as "Challenge 25" whereby any person attempting to buy alcohol who appears to be under 25 will be asked for photographic ID to prove their age. The only form of ID that will be accepted are passports, driving licences with a photograph or validate proof of age cards bearing the "PASS" mark hologram. Suitable and sufficient signage advertising the "Challenge 25" policy will be displayed in prominent locations in the premises.*
5. *The premises shall at all times maintain and operate an age restricted sales refusals recording system (in book or electronic form) which shall be reviewed by the Designated Premises Supervisor at intervals not to exceed four (4) weeks and feedback given to staff as relevant. The recording system is to be signed and dated by the DPS at the time of review. The refusals recording system shall be available to the authorised officers of the Local Licensing Authority, Police and West Sussex Trading Standards upon request.*
6. *Signage to deter proxy sales and clearly stating that it is an offence for under 18s to purchase alcohol will be displayed.*
7. *All staff members engaged, or to be engaged, in selling alcohol on the premises shall have received the following training in age-restricted sales*
 - *The premises licence holder will ensure that all staff members engaged in selling alcohol on the premises shall receive induction training as to the lawful selling of age restricted products prior to the selling of such products, and verbal reinforcement/refresher training thereafter at intervals of not more than four months, with dates and times of the verbal reinforcement/refresher training documented.*
 - *All age-restricted sales training undertaken by staff members shall be fully documented and recorded. All training records shall be made available to the authorised officers of Sussex Police, Local Licensing Authority and West Sussex Trading Standards Service upon request.*

8.3 These would become enforceable conditions of any licence members may consider granting and consequently Sussex Police have confirmed that their concerns have been addressed and they have withdrawn their objection to the amended application being granted.

8.4 Mediation between Mr Arulchelvam and the member of the public that made relevant representation had not occurred at the time of drafting this report but members will be informed of any developments.

8.5 Mediation with those that signed the petition and given relevant reason was deemed impractical

9. Consideration

- 9.1 Members must take into consideration the following when determining this application:
- The four statutory licensing objectives
 - Worthing Borough Council's Statement of Licensing Policy
 - Guidance issued by the Home Secretary
 - The relevant representations from all parties and the mediated agreement reached.
- 9.2 These are the only matters to be addressed by the authority when considering this application. The statutory Licensing objectives are the only grounds on which representations can be made, and the only grounds on which an authority will be able to refuse an application or impose conditions in addition to statutory conditions and those proposed by the applicant in the Operating Schedule.
- 9.3 When considering this application for a premises licence the following options are available to the Sub-Committee:
- a. Grant the licence, as requested,
 - b. Grant the licence, as requested, with additional conditions appropriate to the promotion of the specific licensing objectives on which relevant representations have been received.
 - c. Reject the whole or part of the application.

Members may also:

- d. Grant the licence but exclude certain licensable activities from the licence,
- e. Refuse to specify a particular person as a premises supervisor,
- f. Approve different parts of the premises for different activities.

9.4 Members are required to give reasons for their decision.

10. Legal Implications

10.1 Under Section 181 and Schedule 5 of the Act, the following rights of appeal to the Magistrates' Court in respect of applications for a premises licence includes:

- (1) The applicant may appeal against any decision to modify the conditions of the licence.
- (2) The applicant may appeal against a rejection in whole or part of an application.
- (3) A person who has made relevant representations may appeal against a licence being granted, or against the modification or lack of modification of any conditions.

10.2 The Act allows for the local licensing authority to undertake a review following the grant of a premises licence, when requested to do so by a responsible authority, such as the police or the fire authority, or any other party, such as a resident living in the vicinity of the premises. The government's guidance states:

“The proceedings set out in the 2003 Act for reviewing premises licences represent a key protection for the community where problems associated with licensing objectives are occurring after the grant or variation of a premises licence.

At any stage, following the grant of a premises licence, a responsible authority, or any other person, may ask the licensing authority to review the licence because of a matter arising at the premises in connection with any of the four licensing objectives.

- 10.3 In determining this application, the principles of the Human Rights Act 1998 must be taken into consideration and the convention rights of both individuals and businesses will be given due weight.
- 10.4 Members must consider each application on its own merits, and in accordance with the principles of natural justice, as well as the provisions of the Licensing Act 2003. All relevant factors must be taken into account, and all irrelevant factors must be disregarded.
- 10.5 All applications, before Committee, must be considered against the backdrop of anti-discriminatory legislation, such as the Equality Act 2010 and also in accordance with the Council's stated policy on Equal Opportunities.
- 10.6 In accordance with Section 17 of the Crime and Disorder Act 1998 the Council is under a duty to exercise its functions with due regard to the likely effect on, and the need to do all it reasonably can to prevent, crime and disorder in its areas. The possible crime and disorder implications are clearly relevant factors in the consideration of all applications and this is re-emphasised by the Licensing Act 2003 itself. In giving "due regard" to these possible implications members will consider and weigh up all the information available and representations made, including those from interested parties and the responsible authorities particularly the Police.

11. Other Implications

- 11.1 Any decision taken will have regard for the local environment and, in particular, any conditions attached for the purposes of preventing public nuisance will take this principle into account.

12. Recommendation

- 12.1 Members are requested to determine the application for a new Premises Licence made on behalf of by Mr Piranavan Arulchelvam for his post office/convenience store known as 'Lyndhurst Road Post Office' situated at 46 Lyndhurst Road, Worthing and give reasons for that determination.**

28th April 2016

Dear Mr Jones,

**APPLICATION FOR A PREMISES LICENCE TO BE GRANTED UNDER THE LICENSING ACT 2003
FOR 46 LYNDHURST ROAD, WORTHING BN11 2DF**

I write on behalf of the Chief Officer of Police for Sussex to raise a representation against the grant of the above application on the grounds of the Prevention of Crime and Disorder, the Prevention of Public Nuisance and the Protection of Children from Harm.

In principle Sussex Police are not opposed to the application however, the measures outlined in the operating schedule are not considered to be sufficient to give Sussex Police confidence that the Licensing objectives will be promoted. It is noted that the supply of alcohol is indicated to be from 00:00 ~23:00 hours on Monday. This is not in keeping with the opening times and appears to be a typing error. Please can this be clarified.

Sussex Police propose the conditions below, which are enforceable, clear and concise and ensure all four of the licensing objectives are promoted. These are in keeping with the nature of the business and the hours sought via this application:-

If the applicant is agreeable to the proposed conditions, Sussex Police can resolve this representation.

1. Spirits will be stored and displayed behind the counter area. No display of alcohol shall be permitted within 2 metres of the entrance other than behind the counter.
2. No beers, lagers or ciders will be sold in cans with an Alcohol By Volume (ABV) in excess of 6.5 % or in bottles larger than 750ml with an ABV in excess of 6.5%
3. Digital CCTV and appropriate recording equipment to be installed in accordance with Home Office Guidelines relating to UK Police Requirements for Digital CCTV System, operated and maintained throughout the premises to cover all public areas, including the entrance to the premises. The CCTV cameras and recording equipment must be of a sufficient quality to work in normal lighting levels inside the premises at all times. CCTV footage will be stored for a minimum of 28 days and the management will give full and immediate cooperation and technical

Sussex Police, Neighbourhood Licensing Team

Telephone: 01273 404030

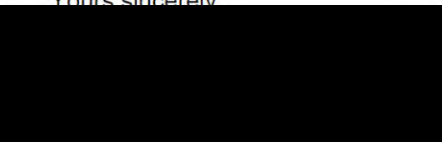

assistance to the police in the event that CCTV footage is required for the prevention and detection of suspected or alleged crime. The CCTV images will record and display dates and times, and these will be checked regularly to ensure their accuracy. The management of the premises will ensure that key staff are fully trained in the operation of the CCTV and will be able to download selected footage onto a disc for the police without difficulty or delay and without charge to Sussex Police. Any mechanical breakdown beyond the control of the proprietor shall be made available upon request to the police. Any mechanical breakdown or system failure will be remedied as soon as practicable.

4. The store will operate a proof of age scheme such as "Challenge 25" whereby any person attempting to buy alcohol who appears to be under 25 will be asked for photographic ID to prove their age. The only form of ID that will be accepted are passports, driving licences with a photograph or validate proof of age cards bearing the "PASS" mark hologram. Suitable and sufficient signage advertising the "Challenge 25" policy will be displayed in prominent locations in the premises.
5. The premises shall at all times maintain and operate an age restricted sales refusals recording system (in book or electronic form) which shall be reviewed by the Designated Premises Supervisor at intervals not to exceed four (4) weeks and feedback given to staff as relevant. The recording system is to be signed and dated by the DPS at the time of review. The refusals recording system shall be available to the authorised officers of the Local Licensing Authority, Police and West Sussex Trading Standards upon request.
6. Signage to deter proxy sales and clearly stating that it is an offence for under 18s to purchase alcohol will be displayed.
7. All staff members engaged, or to be engaged, in selling alcohol on the premises shall have received the following training in age-restricted sales
 - The premises licence holder will ensure that all staff members engaged in selling alcohol on the premises shall receive induction training as to the lawful selling of age restricted products prior to the selling of such products, and verbal reinforcement/refresher training thereafter at intervals of not more than four months, with dates and times of the verbal reinforcement/refresher training documented.
 - All age-restricted sales training undertaken by staff members shall be fully documented and recorded. All training records shall be made available to the authorised officers of Sussex Police, Local Licensing Authority and West Sussex Trading Standards Service upon request.

If the applicant can agree these conditions Sussex Police are able to resolve this representation subject to the conditions being attached to the premises licence. If this is the case please can written confirmation be forwarded to this office via email and to the Local authority Licensing Officer at Adur-Worthing Councils

If you wish to discuss this further please do not hesitate to contact the licensing office on the contact details provided.

Yours sincerely,

Subject: Lyndhurst Road Post Office

Dear Pauline / Simon

Further to my telephone conversation with Pauline Giddings a little earlier today regarding the representation made by Worthing Police in respect of Lyndhurst Road Post Office I confirmed to her that I made an error on the application and the hours for the sale of alcohol should be 06:00-23:00 hours Monday to Sunday.

I spoke to Pauline regarding the conditions required by the Police and the applicant is happy to agree to them all being added to the operating schedule. With regard to no alcohol being on display in the shop within 2 metres of the entrance (condition 1) I have spoken with the applicant and he has agreed to move the display of alcohol in the centre aisles to the side instead of the front to avoid any chance of anyone passing the shop being able to pilfer alcohol from the shelf. I have attached a revised plan and would be grateful if this could replace the one already submitted. Please confirm that this is acceptable.

Thank you.

Kind regards

Debra Silvester

Re: Application for New Premises Licence at Lyndhurst Road Post Office at 46 Lyndhurst Road, Worthing, BN11 2DF

Dear Sirs

I am writing to formally object to the above application on the following grounds:

The post office is below a residential dwelling and the sale of alcohol between 6.00am and 11.00pm 7 days a week will cause considerable nuisance to me as resident of the flat directly above and to the other neighbours in the surrounding area. Bearing in mind that people bought or rented properties in the area based on the businesses operating there at the time of purchase, such a drastic change of opening times will have a detrimental effect on property sale and rental values.

I am deeply concerned that people regularly use the access road behind the shops and flats to consume alcohol. The last time I saw them they left quickly leaving behind empty cans and bottles. This access road also serves Fisherman's Mews, 38a Selden Road which lies directly behind the premises in question and is home to 4 vulnerable adults with learning difficulties and disabilities. The applied for opening and licensing hours and the inevitable increase in alcohol related problems will have a detrimental effect on their safety and wellbeing and will interfere with their daily routines, thereby causing them great distress.

Additionally the adjoining premises is a launderette with seating and will undoubtedly be frequented by those wishing to consume their purchases of alcohol in a warm comfortable off street location. This will interfere with and cause nuisance to the genuine customers frequenting the launderette.

The post office also sells newspapers which are delivered in the early hours of the morning between 2.00 am and 5.00 am which makes a considerable noise often waking me. If you were to grant this application there will be audible noise in my flat from about 5.00 am to almost midnight. The post office is not sufficiently sound proofed for this type of business and conversations held in the present post office can be heard, often word for word, throughout my flat.

The Post office has a bus stop and bench outside the door which would provide people purchasing alcohol from the post office with somewhere to sit and drink their purchases. People who sit on the bench to smoke already cause nuisance as I am unable to have my windows open as the smoke comes in. The bus stop is used by school children going to and from school and there is a primary school a short distance down the road. In addition playgroups meet in the Labour Hall opposite, with many young children walking past the post office on the way to and from school. It would be very unpleasant for them to be verbally abused by drunken people at the bus stop.

Despite the post office being in the no drinking zone I often see people drinking in the street and sitting on the bench by the bus stop; I frequently see empty beer and cider

cans and bottles in and around the bin next to the bus stop and in the surrounding streets. On several occasions there has been broken glass in the street which could cause injury to children or dogs.

There is already a shop just across the road which sells alcohol and the nearby Alexandra pub is open until 11.00pm and licensed for on and off sales. In addition there is another off licence a few hundred yards down the road. I therefore fail to see the necessity for another shop to be awarded a license to sell alcohol within such a small area.

The ready availability of alcohol is proven to cause social disruption and an increase in antisocial behaviour and I urge you to refuse this application to avoid the inevitable nuisance the granting of this licence will cause for local residents and businesses. I also believe as a tenant I have the right to live in the property undisturbed and this proposed change will cause considerable nuisance and disturbance.

Yours faithfully
