4.0 Background

Qualifying petitions are defined in the Petition Scheme as those petitions containing more than 1,000 signatures. Non-qualifying petitions are defined in this scheme as petitions with more than 50 signatories but less than 1,000. This petition, which contains 453 signatures, of those living, working or studying within the Borough, is therefore classified as a non-qualifying petition.

The Council's Petition Scheme provides that non-qualifying petitions shall be referred to the relevant decision-maker. Where the decision-maker is an Executive Member or an Officer they shall meet with the Petition Organiser to discuss the contents of the petition. Following which they shall determine how to respond to it. Once a decision is made the decision-maker will notify the Petition Organiser in writing of their decision.

In respect of this petition, the management of the foreshore is an Executive function. The petition fulfills the requirements in the Petition Scheme for being accepted by the Monitoring Officer. The Petition Organiser, Mr Ruewell has been advised that the petition has been accepted and referred to the Leader of the Council as the relevant Councillor.

The Leader of Worthing Borough Council should therefore meet with Mr Ruewell to discuss the contents of the petition. The Leader must then make a decision as to any action to be taken in respect of the decision. The Leader will then issue a decision notice setting out their response to the petition and any action to be taken by the

Council. The decision notice will be published within 5 working days of the decision and the Petition Organiser notified of the outcome.

The Council's response to a petition, whether qualifying or non-qualifying, will depend on what the petition asks for but may include one or more of the following:

- taking the action requested;
- considering the petition at a Full Council meeting;
- holding an enquiry into the matter;
- undertaking research into the matter;
- holding a public meeting;
- holding a consultation;
- holding a meeting with the petitioners;
- referring the petition for consideration by the Overview & Scrutiny or Joint Overview & Scrutiny Committee;
- writing to the Petition Organiser setting out the Council's views about the request in the petition;
- deciding not to agree to do what is asked in the petition.
