JSC/032/19-20 Our Growing Regional Economy - An Update on the Greater Brighton Economic Board

Purpose

The report provided the Joint Strategic Committee with an update on the benefits Adur and Worthing had gained from the Councils' membership of the Greater Brighton Economic Board (GBEB), which included:

- securing funding through the Local Growth Fund;
- advocating for local infrastructure issues at regional and national level;
- promoting economic development as part of the Greater Brighton region.

The report also sought approval from the Joint Strategic Committee to recommend to meetings of the full councils that Arun District Council be confirmed as a member of the GBEB. This additional capacity would further strengthen the Board's position as a voice for economic development, across the Greater Brighton region, advocating at local, regional, national and international level.
