Review of Joint Overview and Scrutiny Committee Work Programme for 2024/25

Report by the Director for Sustainability & Resources

Executive Summary

1. Purpose

- 1.1 This report sets out progress with the delivery of the new Joint Overview and Scrutiny Committee (JOSC) Work Programme for 2024/25 which is submitted to the Committee for consideration and comment.
- 1.2 This report also includes the details of:-
 - a scrutiny request submitted by Councillor Emma Evans relating to commemorative events which JOSC will need to consider and decide whether or not the matter should be added to the Work Programme; and
 - Information on the Housing related themed meeting which is taking place on 7 November 2024 which is attached again at Appendix C to this report.

2. Recommendations

- 2.1 That JOSC consider and review the progress with the proposed delivery of its Work Programme for 2024/25 and confirm the arrangements for the next meetings, in particular, the Housing related themed JOSC meeting on 7 November 2024.

- 2.2 That JOSC consider the Scrutiny request submitted and whether or not it should be added to the JOSC Work Programme

3. Context and Purpose of Scrutiny

- 3.1 It is good practice for an Overview and Scrutiny Committee to set a Work Programme outlining its work for the forthcoming year. In accordance with the terms of the Constitution and Paragraph 9.2 of the Joint Overview and Scrutiny Procedure Rules, the Work Programme is then reported to Council meetings for approval and for 2024/25 this was done at the Council meetings in July 2024.
- 3.2 A report must also be taken to each full Council on an annual basis detailing any changes to the Work Programme and this is usually reported mid year and for 24/25 this will be done in December 2024.

4. Issues for consideration

- 4.1 At its meeting on 15 July 2024, JOSC agreed a new Work programme for 2024/25 which was also agreed by the Council meetings later in July 2024. This new and reset Work Programme aims to help improve the effectiveness of overview and scrutiny and strictly apply the PAPER criteria. The Work Programme is now as fluid, proactive and clear as possible to help the Committee consider items which are relevant to the work of the Councils and align more closely with the Councils' strategic priorities and can help make a difference.
- 4.2 Although the new JOSC Work Programme has been reset it will still need to be flexible in order for JOSC to be able to consider any important additional items that might arise during the course of the Municipal Year. Therefore, JOSC needs to continually review the Work Programme for any changes required and requests for items to be added to the Work Programme should be considered by the Chairs and put to JOSC for consideration.
- 4.3 Items for the Work Programme should, however, be chosen/guided by how closely they align with the Councils' Strategic priorities and how the Committee can influence the outcomes and also general value and outcomes in accordance with the (PAPER criteria) - P - Public interest, (A) - Ability to change, (P) - Performance, (E) - Extent and (R) - Replication.

4.4 As part of the review process, JOSC is requested to consider a scrutiny request proposal from Councillor Emma Evans for JOSC to review the Councils' policy on commemorative events. Information relating to this request is set out at Appendix B to this report and this also contains a recommendation from the JOSC Chairs on this item. JOSC should also use the Forward Plan of Key decisions as a tool to identify and scrutinise items before the Executive decision is taken. This will assist in the Pre scrutiny role and the latest editions of the Forward Plan can be accessed here - [Forward plan of Key decisions](#)

4.5 The JOSC Work Programme for 2024/25 is set out at Appendix A to this report. The Committee is requested to review the JOSC Work Programme and confirm arrangements for the meeting on 7 November 2024 when there is due to be a housing themed meeting. Information on the Housing related meeting is attached again at Appendix C to this report.

5. Engagement and Communication

5.1 The JOSC Chairs and Vice-Chairs and the Council Leadership Team have been consulted on the proposals contained in this report.

6. Financial Implications

6.1 There are no direct financial implications to consider within this report.

7. Legal Implications

7.1 Under Section 111 of the Local Government Act 1972, the Councils have the power to do anything to facilitate or which is conducive or incidental to the discharge of any of their functions.

7.2 Section 1 of the Localism Act 2011 provides a Local Authority to do anything that individuals generally may do (subject to any current restrictions or limitations prescribed in existing legislation).

7.3 Section 3(1) of the Local Government Act 1999 (LGA 1999) contains a general duty on a best value authority to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness. The Joint Overview and Scrutiny Committee undertakes the overview and scrutiny role for the Councils and helps drive improvement and can review new ways of delivering services.

7.4 The Joint Overview and Scrutiny Committee is required to set a Work Programme each year in order to manage its work. Paragraph 9.2 of the current Joint Overview and scrutiny Procedure Rules which form part of the Councils' Constitutions and are binding on all Members, states that the Work Programme will be approved by both Councils and any changes to the Work Programme should be submitted to the Councils approximately mid year for noting.
