Annex A

This Council declared a Climate Emergency in July 2019 and has worked hard to create a robust Carbon Reduction Plan to work towards carbon neutrality for the Council by 2030. The Council has created a new Sustainable AW Framework to steer and guide a range of activities so that Council, businesses, community groups and individuals can work well together to take this agenda forward. We are putting our own house in order.

This Council now calls upon the Trustees of the West Sussex County Council Local Authority Pension Fund (of which the Councils employees are members) to divest that fund of all investments in fossil fuel stocks, equities and funds and it instructs the Councils Chief Executive to write to the Trustees of the fund with a copy of this Motion on Notice and asking them to take action.
