Joint Governance Committee  
28 May 2020  
Agenda Item 9

Ward(s) Affected: All

**Audit enquiries to those charged with Governance**

**Report by the Director for Digital & Resources**

**Executive Summary**

**1. Purpose**

- 1.1 Our external auditors, Ernst and Young, have asked that the Committee considers a letter about how the Joint Governance Committee gains assurance from management regarding the financial governance arrangements of the Councils. The Chairmen of the Committee have received two letters, one for Adur District Council, and one the Worthing Borough Council. The letter to Adur District Council is attached as Appendix 1, which is identical to the letter to Worthing Borough Council.
- 1.2 To assist the Committee in its deliberation of the letter, attached at Appendix 2 is the proposed response to each of the questions raised. This can form the basis of a formal letter.

**2. Recommendations**

- 2.1 The Joint Governance Committee is asked to consider and agree the proposed response to the audit letter.

### **3. Context**

3.1 The audit of the Council's financial statements is guided by International Standards of Auditing (ISAs). In order to comply with a number of these ISA's, each year the Chairmen of the Joint Governance Committee are written to by the Council's external auditor. The purpose of this letter is to obtain an understanding on how those charged with governance (the Joint Governance Committee) exercise oversight of management's processes in relation to fraud, laws and regulations and going concern.

### **4. Issues for consideration**

4.1 It is proposed that the Committee discusses its draft response to the letter at Appendix 2. Members should be aware that the Committee is also asked to comment on whether the Councils are a 'going concern'. This is addressed separately below.

### **5. Going Concern**

5.1 In accounting, "going concern" refers to an organisations' ability to continue functioning as a business entity. For the Councils, it is the responsibility of the Joint Governance Committee to assess whether the going concern assumption is appropriate when preparing the financial statements. The Councils are required to disclose in the notes to the Financial Statements whether there are any factors that may put the organisations' status as a going concern in doubt.

5.2 In forming an opinion on whether the Councils and the Joint Committee are 'going concerns' it is important to note the following:

- The budgets reported to Councils and the Joint Strategic Committee were balanced in 2019/20 and 2020/21
- The budget monitoring and outturn reports show that both Councils continue to spend within the overall budget set.
- Both Councils have a reasonable level of reserves and have a strategy to build reserves over the forthcoming years.
- Whilst there is a significant financial impact of the Covid 19 emergency on the Council finances, the Councils have received

government funding towards the likely impact and currently it is assessed that both Council's have sufficient reserves to fund the consequences of the emergency in 2020/21.

Consequently, the Committee should have no concerns about whether the Councils and the Joint Committee are going concerns.

## **6. Engagement and Communication**

- 6.1 The Head of Internal Audit and the Monitoring Officer have been consulted on the proposed responses to the External Auditors.
- 6.2 The purpose of the report is to consult with the members of the Joint Governance Committee on the proposed response to our External Auditors

## **7. Financial Implications**

- 7.1 There are no financial implications arising from this report.

## **8. Legal Implications**

- 8.1 This report concerns the audit of the Statements of Accounts which will be prepared in accordance with statutory instrument number 2015/234, the Accounts and Audit (England) Regulations 2015 as amended by the Accounts and Audit (Coronavirus)(Amendment) Regulations 2020; and the Chartered Institute of Public Finance and Accountancy (CIPFA) Code of Practice on Local Authority Accounting in the United Kingdom 2019/20, based on International Financial Reporting Standards (IFRS).

Dear Councillor Boram

**Understanding how the Joint Governance Committee gains assurance from management - Adur District Council**

Auditing standards require us to formally update our understanding of your arrangements for oversight of management processes and arrangements annually. Therefore, we are writing to ask that you please provide a response to the following questions.

- 1) How does the Joint Governance Committee, as 'those charged with governance' at the Authority, exercise oversight of management's processes in relation to:
  - undertaking an assessment of the risk that the financial statements may be materially misstated due to fraud or error (including the nature, extent and frequency of these assessments);
  - identifying and responding to risks of fraud in the Authority, including any specific risks of fraud which management have identified or that have been brought to its attention, or classes of transactions, account balances, or disclosure for which a risk of fraud is likely to exist;
  - communicating to employees its view on business practice and ethical behaviour (for example by updating, communicating and monitoring against the Authority code of conduct);
  - encouraging employees to report their concerns about fraud; and
  - communicating to you the processes for identifying and responding to fraud or error?
- 2) How does the Joint Governance Committee oversee management processes for identifying and responding to the risk of fraud and possible breaches of internal control?
- 3) Is the Committee aware of any:
  - breaches of, or deficiencies in, internal control; and
  - actual, suspected or alleged frauds during 2019/20?

4) Is the Committee aware any organisational or management pressure to meet financial or operating targets?

5) How does the Joint Governance Committee gain assurance that all relevant laws and regulations have been complied with? Are you aware of any instances of non-compliance during 2019/20?

6) Is the Joint Governance Committee aware of any actual or potential litigation or claims that would affect the financial statements?

7) How does the Joint Governance Committee satisfy itself that it is appropriate to adopt the going concern basis in preparing the financial statements?

8) What does the Joint Governance Committee consider to be the related parties that are significant to the Authority and what is its understanding of the relationships and transactions with those related parties?

9) Does the Joint Governance Committee have concerns regarding relationships or transactions with related parties and, if so, what is the substance of those concerns?

Please would you provide a response covering the whole of 2019/20, by email or letter either on behalf of those charged with governance or from yourself in your capacity as Chair of the Joint Governance Committee. Please send the response via e-mail to [hllili@uk.ey.com](mailto:hllili@uk.ey.com) or by hard copy to Hannah Lill at our Southampton Office address shown at the top of this letter. If possible, please could we have your response by 31<sup>st</sup> May 2020.

Thank you for your assistance. If you have any queries in respect of this letter please contact Hannah Lill at [hllili@uk.ey.com](mailto:hllili@uk.ey.com).

Yours sincerely
