Authorised Officer (on behalf of the Licensing Authority)

Annexe 1 : Mandatory Conditions

A. Mandatory conditions: Supply of Alcohol

1. No supply of alcohol may be made under the premises licence:-
 - (a) at a time when there is no designated premises supervisor in respect of the premises licence, or
 - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended
2. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

B. Mandatory conditions: Door supervision

Where employed each such individual must be licensed by the Security Industry Authority.

C. Mandatory conditions: Irresponsible Promotions

The responsible person must ensure that staff do not carry out, arrange or participate in any irresponsible promotions in relation to the premises. An irresponsible promotion is any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises

- Drinking Games including any game or activity that requires or encourages (or is designed to require or encourage) individuals to drink a quantity of alcohol within a time limit, or to drink as much as possible. This does not include “drinking up time”, shortly before the end of licensed hours.
- Provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;
- Provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective.
- Promotional posters or promotional material on, or in the vicinity of, the premises which can be reasonably considered to condone, encourage or glamorise antisocial behaviour or refer to drunkenness favourably.
- Dispensing alcohol directly into the mouth of a customer by a member of staff. This includes activities such as the “dentist’s chair”. This prohibition does not apply where a person is not able to drink without assistance because of a disability.

D. Mandatory conditions: Free Drinking Water

Free potable water must be provided on request to customers where it is reasonably available on the premises.

E. Mandatory conditions: Age Verification

An age verification policy for the premises must be produced, implemented and details made available to authorised officers upon request. The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either:

- a holographic mark, or
- an ultraviolet feature

F. Mandatory conditions: Small Alcohol Measures

The responsible person must ensure that where any of the following alcoholic drinks are sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures-

- (i) beer or cider: ½ pint;
- (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
- (iii) still wine in a glass: 125 ml;

These measures must be displayed in a menu, price list or other printed material which is available to customers on the premises. Customers must be made aware that these measures are available.

Where a customer orders a drink listed above but does not specify the alcohol measure, the customer must be made aware of the range of measures available. This can be either verbally or by ensuring they have seen the printed materials on which their availability is listed. If the responsible person is satisfied that the customer has been made, and continues to be, aware of the range of measures available, the responsible person does not need to repeat that information in relation to each sale.

G. Mandatory conditions : Permitted Price

A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

For the purposes of the condition “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979; “permitted price” is the price found by applying the formula—

$$P = D + (D \times V)$$

Where —

- P is the permitted price*
- D is the rate of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and*
- V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;*

“relevant person” means, in relation to premises in respect of which there is in force a premises licence —

- the holder of the premises licence*
- the designated premises supervisor (if any) in respect of such a licence, or*
- the personal licence holder who makes or authorises a supply of alcohol under such a licence;*

Full details regarding this condition can be found in the Home Office Guidance on banning the sale of alcohol below the cost of duty plus VAT for suppliers of alcohol and enforcement authorities in England & Wales dated May 2014.
