Motion on Fairtrade

This council notes that:

The FAIRTRADE Mark was launched in the UK over 25 years ago. Worthing received Fairtrade Town status in 2005.

- Since 1994, consumer demand for Fairtrade has grown thanks to the efforts of grassroots campaigners, and pioneering Fair Trade businesses.
- There are now over 600 Fairtrade Communities in the UK and more than 2,000 globally.
- As a result of Fairtrade commitments from mainstream brands and retailers, the UK Fairtrade market is now one of the biggest in the world.
- Global Fairtrade sales in the year before the pandemic generated £166 million in Fairtrade Premium. Farmers in 73 countries have invested this money in their communities, increasing business productivity and contributing to the achievement of the global Sustainable Development Goals (SDGs).
- Despite this positive news, exploitation remains rampant in global supply chains. More than 40 million people are trapped in modern slavery, including forced labour, and 152 million young people in child labour. Hundreds of millions more are earning less than a living income or wage.
- This council believes that:
- Fairtrade and the wider Fair Trade movement has a significant contribution to make towards ending exploitation in global supply chains and achieving the SDGs.
- The recently agreed International Fair Trade Charter <https://wfto.com/fair-trade/charter-fair-trade-principles> should be welcomed, with its vision of transforming trade to work for people and planet.
- The Fairtrade principles of paying a 'premium' that is wholly managed by farmers and workers themselves, and of minimum prices to protect producers from market volatility, are crucial to systemic change.
- Public bodies, including local authorities, should support ethical procurement policies, using their purchasing power to support Fairtrade and ensure their supply chains, at home and abroad, are free of exploitation, including modern slavery.
- Companies operating through global supply chains should go further and take steps to require the payment of living wages and achievement of living incomes for all.

This council resolves to:

- Renew its commitment to 'Fairtrade Community' status, to support the Fairtrade Steering Group in its work towards keeping Fairtrade status for the area and developing activities around the goals in the future and to making Council employees, aware of the Council's policy on Fairtrade

- Actively promote Fairtrade locally, through support for local groups, in the media including social media, and events, including during Fairtrade Fortnight.
- Support local Fairtrade Schools, colleges and Universities, and actively promote Fair Trade teaching materials in local schools and educational institutions.
- Celebrate and incentivise businesses championing Fairtrade products in the local community.
- Review its procurement policy, including its catering offer, to ensure that Fairtrade produce is chosen wherever possible, and that Fair Trade considerations are included as a preference in any contracts going out to tender.
