

ADUR DISTRICT
COUNCIL

COUNCIL MEETING
24th February 2022
Agenda Item 9

Draft Revenue Budget 2022/23

If members have any queries regarding the detail behind the Revenue Budget, please contact Emma Thomas (01903 221232) or Sarah Gobey (01903 221221) prior to the meeting.

CONTENTS:

1. REPORT TO THE EXECUTIVE
Budget Estimates 2022/23 and Setting of the 2022/23 Council Tax
2. APPENDIX 1
5 year forecast for Adur District Council
3. APPENDIX 2
Proposals for investment in services
4. APPENDIX 3
Schedule of earmarked reserves
5. APPENDIX 4
Council Tax base for 2022/23
6. Recommendation from the Executive dated 1st February 2022
7. APPENDIX 5
Summary of Executive Member requirements and portfolio budgets (including summary of budget variations)
 - Summary of Executive Member Portfolios
 - Environment
 - Health and Wellbeing
 - Customer Services
 - Leader
 - Regeneration
 - Resources
8. APPENDIX 6
Prudential Indicators and MRP Policy - As recommended for approval by the Joint Strategic Committee on the 8th February 2022
9. COUNCIL TAX DETERMINATION 2022/23 - Draft report (final report to be provided following West Sussex County Council decision regarding Council Tax for 2022/23)

Adur Executive
1 February 2022
Agenda Item 5

ADUR DISTRICT COUNCIL

Key Decision [~~Yes~~/No]

Ward(s) Affected: All

Budget Estimates 2022/23 and Setting of the 2022/23 Council Tax

Report by the Director for Digital, Sustainability & Resources

Officer Contact Details

sarah.gobey@adur-worthing.gov.uk

Executive Summary

1. Purpose

1.1 This report is the final budget report of the year, the culmination of the annual budgeting exercise, and asks members to consider:

- The final revenue estimates for 2022/23 including any adjustments arising from settlement;
- An updated outline 5-year forecast; and
- The provisional level of Council Tax for 2022/23, prior to its submission to the Council for approval on the 24th February 2022. This will be subject to any proposals to change the draft revenue budget following the consideration of the budget by the Executive.

1.2 The report outlines the medium term financial challenge through to 2026/27, discusses the continuing impact that the pandemic is having on our finances over the next year, and sets out performance in the key strategic areas of commercialisation, digital transformation and strategic asset investment. This has been updated to include the latest information regarding the impact of the pandemic on the Council financial position. The current budget strategy is having a significant effect on how the Council will be funded in the future with increasing income generated from commercial income and rents. Following the delay to the fairer funding review, the challenge still remains significant

for 2023/24, however the delivery of the budget strategy will ensure that this is met.

1.3 These budgets reflect the Councils' ambitions set out in *Platforms for our Places: Going Further and 'And then'*, and agreed savings proposals contributing to the financial sustainability of the Councils. The report also updates members about the impact of the draft 2022/23 settlement.

1.4 The major points raised within the report include:

- A full update on the impact of settlement. The Council should prepare itself for a continuation of the reduction in Government resources for 2023/24 and beyond (see section 4);
- Creation of a Covid 19 contingency budget from one-off resources provided by Government to fund both covid related risks and any associated recovery actions throughout 2022/23;
- Highlights the proposed funding for initiatives to support the Councils' ambitions set out in *Platforms for our Places - Going Further and And Then*;
- Details the proposals to invest in services outlined in Appendix 2;
- The Executive will need to consider whether to increase Council Tax by 1.99% or by a lower amount (section 5.10).

1.5 The budget is analysed by Executive Member portfolio. In addition, the draft estimates for 2022/23 have been prepared, as always, in accordance with the requirements of the Service Reporting Code of Practice for Local Authorities (except in relation to pension costs adjustments that do not impact either on the Budget Requirement or the Council Tax Requirement).

1.6 The Police and Crime Commissioner (PCC) has already been informed that the referendum criteria for this year is an increase of £10.00 per Band D property which would be equivalent to an increase of 4.65%. The proposed 2022/23 budget is due to be considered by the Sussex Police and Crime Panel (PCP) on 28th January 2022. If the proposals are vetoed by the PCP, revised proposals will be considered by the Panel on the 14th February 2022 at which point the Commissioner will be in a position to confirm the Council Tax for 2022/23 in time for Council on the 24th February 2022.

1.7 The draft Local Government Settlement allows Councils to increase core Council Tax by up to 2%. Those Councils with responsibility for Adult Social Care can increase Council Tax by up to a further 1% which

can be increased by up to 3% where they opted to defer the flexibility that was available to them in 2021/22. Therefore a Council Tax increase of between 3% and 6% for Councils with social care responsibilities is allowed for 2022/23.

1.8 The precept for West Sussex County Council has not yet been finalised and will not be confirmed until 18th February 2022. The formal detailed resolution setting the overall Council Tax for next year will be presented directly to the Council Meeting on 24th February 2022.

1.9 The following appendices have been attached to this report:

- (i) **Appendix 1** 5 year forecast for Adur District Council
- (ii) **Appendix 2** Proposals for investment in services
- (iii) **Appendix 3** Estimated Reserves
- (iv) **Appendix 4** Council Tax base for 2022/23
- (v) **Appendix 5** Summary of Executive Member Portfolio budgets for 2022/23

2. Recommendations

2.1 The Executive is recommended to:

- (a) Consider and approve, if agreed, the proposals to invest in services outlined in Appendix 2;
- (b) Agree to recommend to Council the draft budgets for 2022/23 at Appendix 5 as submitted in Executive Member Portfolio order, and the transfer to Reserves leading to a net budget requirement of £9,742,360 which includes provision for the proposals in Appendix 2, subject to any amendments agreed above; and
- (c) Consider which Band D Council Tax to recommend to Council for Adur District Council's requirements in 2022/23 as set out in section 5.10
- (d) Recommend to Council that special expenses of £25.29 per Band D equivalent to be charged in all areas of the District except Lancing.

- (e) Approve the Council Tax base of 21,699.7 for 2022/23 as set out in paragraph 12.3.

3. INTRODUCTION

- 3.1 The Joint Strategic Committee considered the report 'Developing a revenue budget for 2022/23 at the time of a pandemic' on 13th July 2021. This report outlined the current financial context, the key budget pressures and the budget strategy for Adur and Worthing Councils. The report built on the strategy first proposed in 2015/16 whose strategic aim was to ensure that the Councils would become community funded by 2020 reliant, by then, only on income from trading and commercial activities, council tax and business rates.
- 3.2 To address the known pressures and to realise its ambitions set out in *Platforms for our Places*, the Councils have set-up several strategic programmes delivering new income and savings for the next 5 years:
- The Major Projects programme will lead on delivering regeneration projects to increase employment space and additional housing;
 - The Service Redesign programme leads on the delivery of the Digital Strategy and ensure that the benefits are realised from this programme of work;
 - The Strategic Asset Management programme will lead on delivering the income growth associated with the Strategic Property Investment Fund;
 - The Commercial programme develops initiatives to promote income growth from commercial services and seeks to improve the customer experience; and
 - The Affordable Homes Working Group leads on initiatives to improve the supply of affordable homes and to reduce the cost of temporary and emergency accommodation.
 - The Corporate Landlord programme which seeks to rationalise accommodation use and generate capital receipts from the sale of surplus assets and thereby reducing the costs associated with funding priority projects identified in *Platforms for our Place: Going Further*.

3.3 The successful delivery of our strategy fundamentally changes how the Council is funded while pursuing transformational approaches to how we deliver services and work with our partners. The Council is moving increasingly away from government funding towards funding from the local community via Council Tax, and will become increasingly reliant on income from commercial activities over time. Between 2016/17 and 2026/27 income from locally controlled sources (including Council Tax) is expected to increase from £11.8m to £21.9m, whilst at the same time income controlled by central government (including a share of business rates) will reduce from £4.1m to £2.3m.

3.4 The subsequent report to the Joint Strategic Committee, on 7th December 2021 updated Members as to the latest budgetary information and the forecast shortfall was revised as follows:

Adur District Council	2022/23	2023/24	2024/25	2025/26	2026/27
	£'000	£'000	£'000	£'000	£'000
Overall shortfall – December forecast	155	1,202	1,371	1,725	2,066
Savings identified in December 2021	-168	-528	-888	-1,288	-1,618
Revised budget shortfall/ Surplus(-) as at December 2021	-13	674	483	437	448

- 3.5 The 2021/22 savings proposals identified within the report amounted to £168,000.
- 3.6 Since the meeting in December, the Adur District Council budget has been finalised and the last adjustments have been included subject to the final considerations about the level of Council Tax and any proposals to reinvest back into services. Overall, therefore, the current financial position of the Council for 2022/23 can be summarised as:

	£'000
Original 2022/23 budget surplus	-22
<i>Changes to income from grants and taxation:</i>	
(a) Improvements to the income from Council Tax	-80
(b) Impact of current forecast Council Tax Collection Fund deficit / surplus (-)	6
(c) Improvement to business rate forecast	-29
(d) Increased government income to compensate for increase to National Insurance costs - continuation of lower tier grant.	-75
<i>Other changes:</i>	
(e) Increase in the use of the temporary and emergency accommodation	150
(f) Impact of 1.25% National Insurance payments	138
(g) Refiling of capital programme	-
(h) Impact of 2021/22 pay award and regradings	24
(i) Net committed growth items identified by Service Heads (See Appendix 2 of the JSC report approved on 7/12/2021)	113
(j) Removal of contingency budget for committed growth	-70
Revised budget surplus as at 7th December 2021	155
<i>Impact of Settlement</i>	
Final change to business rate income following confirmation of the tariff and new multiplier	2
One off funding:	
New Homes Bonus	-146
Additional Lower Tier Grant	-5
Service Grant	-121
Budget Surplus following settlement	-115

	£'000
Budget Surplus following settlement	-115
<i>Adjustment for final items identified</i>	
Final assessment of Council Tax income and the collection fund deficit for 2022/23	3
Covid Contingency budget	120
One-off costs associated with the Local Plan	55
Impact of new tipping charge contract	45
Further reduction in car parking income due to continued impact of pandemic on income.	52
Removal of revenues and benefits savings target - staff resources retained due to impact of Covid on work volumes.	18
Removal of contingency for new service investment proposals	-70
Revised Budget shortfall	108
Less: Net savings agreed in December	-168
Budget surplus based on a 2% Council Tax increase (before any further action is agreed)	-60

4. 2022/23 LOCAL GOVERNMENT FINANCE SETTLEMENT

- 4.1 The government published the provisional local government finance settlement for 2022/23 on 16th December 2021 via a written statement. Consultation on the provisional settlement closed on the 16th January 2022. This is a one-year settlement and in many ways is similar to the 2021/22 settlement.
- 4.2 Settlement confirmed the referendum principles set out above. The Councils will be able to increase Council Tax by up to 2% or £5.00 whichever is the lower.
- 4.3 Ministers will be re-starting the local government funding reforms in the Spring. This means that the Fair Funding Review and baseline reset are both going to be under consideration again, for possible implementation in 2023/24.

4.4 The impact of settlement can be summarised as follows:

- **Revenue support grant and baseline funding**

The Council will receive no Revenue Support Grant in 2022/23. Since 2016/17 the Council has seen Revenue Support Grant fall by £0.9m and has received no grant since 2018/19.

Whereas baseline funding (minimum amount of retained business rates) has frozen this year in line with the business rate multiplier at £1,767,150.

However, councils will be compensated for the impact of freezing of business rates via grants and the net overall impact of this change is a marginal loss of £2,000 in business rate income.

- **Lower tier services grant (£111m nationally)**

This grant which is broadly distributed on the basis of need but also includes an element to support those with reductions in Core Spending Power. Adur District Council will receive £79,270.

- **Services Grant (£822m nationally)**

A new one-off 2022/23 Services Grant has been created to fund core services which is distributed using the 2013/14 Settlement Funding Assessment methodology. Adur District Council will receive £121,820.

This funding will be excluded from any proposed baseline for transitional support as a result of any proposed system changes.

- **New Homes Bonus**

New Homes Bonus (NHB) will continue for another year but the government very clearly intends to phase out the current scheme by 2023-24. For 2022/23, there is no change in the operation of the scheme: the scheme works in the same way and applies the same threshold (0.4%). The threshold means that NHB payments will only be made on an increase in the council tax base that exceeds 0.4%.

NHB allocations of £554m will be made nationally. This is a one off allocation in 2022/23 and the Council will receive an additional grant of £146,440.

However given the transitional nature of this payment, it is not proposed to use it to balance the budget. Instead it is proposed that this grant will be set aside into a Covid contingency budget discussed below.

Overall the Council is expected to use the following amounts in NHB to support the budget over the next few years.

	2021/22	2022/23	2023/24 Onwards
	£'000	£'000	£'000
NHB used to support the budget			
2019/20 allocation	10	10	0
2021/22 allocation	8	0	0
2022/23 allocation		146	
Total NHB used to support the budget	18	156	0
One off payment in 2020/21 used to fund projects.	0	0	0
Total New Homes Bonus	18	156	0

4.4 Changes to local government funding in 2023/24 and beyond:

The Fairer Funding Review and the changes to the Business Rate Retention Scheme have now been delayed until 2023/24 at the earliest. However, there is now an intention to review and update the funding system with a clear indication that transitional arrangements will be in place for historic funding allocations.

4.4 Summary of 2022/23 Local Government Settlement

4.4.1 In overall terms, the 2022/23 settlement revealed that Core Spending Power (CSP which is the total of council tax, business rates, and government grant) has increased by 6.9% in cash terms which is roughly equivalent to a 4.0% increase in real terms. This is the largest increase for some time and it is expected that CSP will continue to grow for the following two years following the increases announced as part of the Comprehensive Spending Assessment.

4.4.2 Members should be aware that the settlement figures quoted above are provisional only. The consultation period ended on 13th January 2022 with final settlement expected in February.

4.4.3 There were few significant changes at this late stage in previous years. If there are any significant changes arising from the final information members will be briefed before Council.

4.5 **Update on current Business Rate Retention Scheme**

4.5.1 The business rate retention scheme has now been in place for several years. There are two key features which members are reminded of:

- 1) There is a 'safety net' in place for any Council whose actual business rates income falls short of the target income for business rates. The safety net arrangements will be 7.5% of Baseline Funding which is equivalent to a maximum fall in income below the baseline funding level of £132,530.
- 2) A 'levy' is in place for any Council whose business rates exceed the target set. The levy will mean that the Council can keep 50p of every additional £1 generated over its share of the business rate target.

For each additional £100,000 raised the Council will keep the following amounts:

	Share of additional income	Additional Levy paid to treasury	Kept locally
	£'000	£'000	£'000
HM Treasury	50		
County Council	10	5	5
Borough Council	40	20	20
	100	25	25

4.5.2 The forecast for 2022/23 is currently being finalised. The 2022/23 NNDR return which underpins this forecast is due to be submitted by the 31st January 2022 and any substantial changes resulting from the final assessment of the business rate income will be managed through the business rate smoothing reserve which has been set up for this purpose.

4.5.3 The Collection Fund will have another deficit at the end of the current year, largely due to the additional Covid 19 (£1.7m) and other reliefs granted in the year. In addition, the losses incurred in 2020/21 are now being recovered over a three year period. Overall a deficit of £0.9m will need to be recouped in 2022/23 which can be broken down as follows:

	2021/22 £'000	Share of 2020/21 loss £'000	Total to be recovered in 2022/23 £'000
Adur District Council	235.8	32.6	268.4
West Sussex County Council	59.0	130.6	189.6
Government (HMT)	294.8	163.2	458.0
Total recovered	589.6	326.4	916.0

The Council has received compensation in 2021/22 for the additional reliefs granted. The losses, which can largely be attributed to the additional Covid reliefs, are funded from the business rate smoothing reserve in 2022/23

and 2023/24 set up to address timing differences in the business rate system.

4.5.4 Looking further ahead, the generation of additional business rates is one of the solutions to the Council's ongoing financial pressures. Members will be aware that there are several schemes progressing which will create employment space. Examples include: Adur Civic Centre site, new warehouse at Shoreham Airport, and Monks Farm.

4.5.5 Finally, it should be appreciated that there are still a number of risks associated with the business rate forecast:

- It is difficult to establish the number of appeals which are likely to come forward. There is no time limit on when an appeal might be lodged. However to date far fewer appeals have been received following the 2017 revaluation following the introduction of the new 'Check, Challenge, and Appeal' process by the VOA.
- Major redevelopments will temporarily reduce business rate income whilst the site is being redeveloped.
- Conversion of office blocks and retail space into accommodation will result in a permanent loss of income however, this will be mitigated to some extent by the additional Council Tax generated once the conversion is completed.

4.5.6 Consequently there could be significant swings in the amount of business rate income in any one year. However, any shortfall in income will be recovered in the following financial year. The Council will fully provide for any known backdated business rates appeals at the 2021/22 year end. To help mitigate these risks the Council has created a Business Rate smoothing reserve.

4.5.7 Finally, as in previous years, Adur District Council will participate in the County Business Rate Pool which was suspended last year due to the uncertainty surrounding the impact of the pandemic on the business rate income. This has no direct impact on the budget itself as the Council is guaranteed under the terms of the pool to be no worse off by pooling, but it enables the County area to retain around £m business rates to invest in local economic regeneration initiatives, income which would have been paid to the Treasury. The pool is administered by the County Council and

funding is distributed by a collective meeting of all of the Leaders of the West Sussex Councils.

4.6 **Long term implications of current government policy**

4.6.1 The financing of local government has continued to change. We are moving from a grant based on need (Revenue Support Grant) to funding based on the delivery of homes (Council Tax) and the creation of employment space (Business Rate Retention Scheme). However, the proposed Fairer Funding Review and associated review of the Business Rate retention scheme will reset the position in the short term as business income will be re-distributed on the basis of need.

The income from Council Tax forms an increasingly significant proportion of the Council's overall taxation income over the next 5 years and so the decision regarding the annual increase has a greater strategic importance for both the current year and future years as well.

Breakdown of taxation income to the Council:

	2021/22	2022/23	2023/24	2024/25	2025/26	2026/27
	£'000	£'000	£'000	£'000	£'000	£'000
Council Tax *	6,557	6,793	7,009	7,204	7,365	7,529
Business Rates **	2,435	2,567	2,199	2,241	2,286	2,332
Government grants***	571	259	59	0	0	0
New Homes Bonus	18	156	0	0	0	0
Total funding from taxation***	9,581	9,775	9,267	9,445	9,651	9,861

* Includes any surplus or deficit on the collection fund

** Includes the surplus or deficit on the collection fund and any levy account payment

*** Includes one-off Covid grants

	2021/22	2022/23	2023/24	2024/25	2025/26	2026/27
Council Tax	68.44%	69.49%	75.63%	76.27%	76.31%	76.35%
Business Rates	25.41%	26.26%	23.73%	23.73%	23.69%	23.65%
Government grants (incl New Homes Bonus)	6.15%	4.25%	0.64%	0.00%	0.00%	0.00%
Total	100.00%	100.00%	100.00%	100.00%	100.00%	100.00%

5.0 DRAFT REVENUE ESTIMATES 2022/23

5.1 Detailed budgetary work is now complete and the estimate of the budget requirement (net of any proposed transfers to reserves) is £9,742,360. This includes the savings and committed growth proposals agreed at the Joint Strategic Committee in December.

5.2 *Impact of the pandemic on the Council's budgets:*

5.2.1 As part of settlement the Council received a number of one-off grants particularly in relation to the pandemic. These include:

	£'000
Services Grant	122
Lower Tier grant	79
New Homes Bonus	157
Less: Allocated to support the budget	-183
Covid 19 contingency budget and other one off budgets	175

5.2.2 The pandemic will continue to impact on the Councils finances throughout 2022/23. Where these impacts have been able to be quantified, provision has been included in the draft budget. Nevertheless, depending on the speed of the roll out of the vaccination and the impact of any new variants of the illness, the rate at which income recovers is difficult to quantify. Risk areas relating to the pandemic include:

- Fees and charges income, particularly in relation to car parks. Whilst throughout 2020/21 and in the first quarter of 2021/22 the Government has committed to providing 75% funding for any lost income, this support is no longer available. Consequently all future losses will have to be funded by the Council.
- Impact on homelessness caseload. The Council has recently seen an upswing in cases and as a result has increased the budget by

£150,000. There remains a risk that demand and associated costs may increase further over the coming year.

- Additional staffing costs. Currently there are a number of areas where it is proving difficult to recruit new staff, consequently there is increasing pressure on staffing budgets.

5.2.3 In light of these risks, these resources have been set aside into a Covid 19 contingency budget which will also be available to support initiatives for economic recovery.

5.3 ***Delivering the Council's priorities:***

5.3.1 The budget is fundamental to realising the Council's ambitions set out in 'Platforms for our Places : Going further 2020-2023' and in 'And Then'. The budget enables the Council's role to lead and work with partners to develop our communities and our economies. Attached at Appendix 2 are some proposals for investment back into services to deliver the outcomes committed to in Platforms for our Places for member consideration.

5.3.2 The budget includes specific funding for the commitments outlined in Platforms for our Places. Examples include:

5.3.3 **Prosperous places**

The Council recognises the importance of ongoing investment in our places to ensure that they remain vibrant locations for social, economic and culture hubs for our communities. Budgets have been created to facilitate the delivery of major projects to enable the development of Adur's town centres and provide for additional employment land.

There is also investment through the capital programme, investing in facilities to improve the local economy.

5.3.4 **Thriving People and Communities**

The Council continues to see an increase in demand for our Housing Service, in particular from those who are experiencing homelessness. The Council has made funding available for new investments to acquire Council-owned temporary and emergency accommodation to improve the accommodation offered to clients and reduce the costs for the Council.

The Councils are also aware of the importance of our communities to have active lives and enjoy our parks and open spaces. Funding is proposed to improve parks and play areas throughout the area to promote health and wellbeing of our communities through the capital programme.

5.3.3 **Tackling Climate Change and Supporting our Natural Environment**

In July 2019 the Councils declared a climate emergency and have developed a comprehensive Carbon Reduction Plan, outlining a set of ambitious and detailed actions designed to make the Councils carbon neutral by 2030.

Alongside the organisational work, the Councils have developed an area wide framework called SustainableAW which was published in December 2019. This was followed by a major community-led conference Zero2030 and a Climate Assembly process which provided a representative forum for residents over six one day sessions to engage with the climate and ecology challenge, creating ideas for action.

5.3.4 **Good Services and New Solutions**

Much of the Medium-Term Financial Strategy is underpinned by new approaches to how we design and deliver our services, and develop our commercial activities and investment portfolios. These approaches are not only designed to improve the financial sustainability of the Councils, but also the services that our communities, clients and customers experience. We will continue to invest in service improvement, using research and design methods to understand what needs to change in our services, working with staff to drive a customer first ethos and using our digital platforms to deliver simple, efficient digital service channels.

- 5.4 The final budget will be dependent on Members' consideration of the non-committed growth proposals, and the Council Tax increase that Members are prepared to support.
- 5.5 The key question of how the net budget requirement translates into the Council Tax charge can now be determined as the proposed details of the Local Government Finance Settlement have been received. Any final changes arising from settlement will be dealt with through the reserves. However, if there is a significant reduction in government resources, in-year action will be needed to reduce the final impact on the reserves.
- 5.6 Details of all of the main changes in the base budget from 2021/22 to 2022/23 are at Appendix 1. A breakdown of each Executive Member's summary budget is attached in Appendix 5. The changes can be summarised briefly as follows:

	£'000	£'000
2021/22 Original Estimate		9,581
Add: General Pay and Price Increases		451
Add: Committed and Unavoidable Growth:		
Net reduction in Cost pressures relating to Covid 19	-595	
One-off Covid 19 contingency budget and other one-off budgets funded by one-off government grants	175	
Impact of delivering Platforms	34	
Other committed growth	183	
Increased Expenditure as per 5 year forecast (net of any proposed use of reserves)	-203	
Reduced income due to Covid 19	52	
Impact of Capital Investment and Development Programme	114	-37
Less: Compensatory savings and additional Income:		
Compensatory savings	-145	
Additional income	0	-145
2022/23 budget prior to agreed savings		9,850
Less: Savings agreed by members		
Approved in December	-168	-168
Executive Member requirements		9,682
Potential contribution to reserves / amount available to invest in services (see Appendix 2)*		60
Potential budget requirement before external support		9,742
Collection fund deficit		99
2022/23 BUDGET REQUIREMENT		9,841

* The planned contributions to and from the reserves are analysed in Appendix 3. The final amount will depend on the decisions made about the proposals to invest in services at Appendix 2 and the Council Tax increase.

5.7 The estimates reflect the Council's share of the Joint Strategic Committee budget. The allocation of the costs of joint services under the remit of the JSC has been the subject of an annual review this year for any significant changes.

Further details can be provided by request from Emma Thomas (Chief Accountant) or Sarah Gobey (Chief Financial Officer).

5.8 The projected deficit on the Council Tax element of the Collection Fund is estimated to be £897,600, of which £137,230 is the District Council share. The deficit carried forward from 2020/21 must be spread over the three years 2021/22 - 2023/24 and so an element of the deficit relating to 2020/21 will be recouped in 2023/24. Consequently, current deficit will be recouped as follows:

	2022/23	2023/24
	£	£
Adur DC	-99,030	-38,200
West Sussex CC	-480,380	-185,290
Sussex Police CC	-68,340	-26,360
	<hr/>	<hr/>
	-647,600	-249,850

The deficit reflects the impact that the Pandemic is having on the amount of Council Tax Discounts claimed and the level of debt outstanding. The Government committed to support any 2020/21 deficits through the Local Taxation Compensation Scheme. The Council received a grant of £181,000 in 2020/21 which will be used over the three years to offset the losses incurred during the year.

5.9 Members are now faced with two questions:

- What level of Council Tax to set?
- Whether to accept the growth items detailed in Appendix 2?

The decisions made today will be reflected in the budget papers presented to Council.

5.10 **The Council Tax increase:**

5.10.1 The decision over the level of increase to the Council Tax influences not only the current budget but future budgets as well. Over the past 10 years, the Council Tax has been increased by 12.24%, an average of 13.35% per year (in 2011/12 the average Band D tax was £274.72, in 2021/22 it was £311.40). Over the equivalent period, inflation (CPI) has been 18.66%.

5.10.2 The budget forecast currently assumes that Council Tax will increase by just under 2.0% in 2022/23. The most recent inflation index was 5.4% (CPI in December 2021) and so the forecast rate is significantly below current inflation rates.

5.10.3 A 2% uplift would only be a modest increase in the Council share of the bill for 2022/23. The table below details how the average Council Tax will change as a result of a 1%, 1.5%, 1.8% and just under 2% increase.

	2021/22	Average annual increase for 2022/23			
		1%	1.5%	1.75%	1.99%
	£	£	£	£	£
Council Tax Band D	311.40	314.51	316.07	316.85	317.61
Annual increase		3.11	4.67	5.45	6.21
Weekly increase		0.06	0.09	0.10	0.12
Council Tax Band C	276.8	279.56	280.95	281.64	282.32
Average annual increase		2.76	4.15	4.84	5.52
Average weekly increase		0.05	0.08	0.09	0.11
Total additional Council Tax raised		67,480	101,330	118,260	134,750
Additional Council Tax raised over a 1% increase			33,850	50,780	67,270

5.10.4 Members should also be aware that the Police and Crime Commissioner has previously consulted on a £10.00 (4.65%) increase for their share of the overall bill. Whilst the level of increase to be set by the County Council is unknown at this stage, given the financial pressures that the County is under, there are indications that the increase will be close to the maximum permitted (3%). Consequently, the total overall increase in the average Council Tax bill for a Band D property based on the Council opting to set the tax at the maximum allowed could be close to 3%:

	2021/22	2022/23 (Indicative only)	%
	£	£	
Adur District Council	311.40	317.61	1.99%
West Sussex County Council	1,510.56	1,555.83	2.99%
Sussex Police and Crime Commissioner	214.91	224.91	4.65%
	2,036.87	2,098.35	3.02%

5.10.5 The decision to raise Council Tax influences not just the 2022/23 budget but future years and should be considered alongside the projected budget shortfalls for the next 5 years, as there are long term consequences to setting a Council Tax increase significantly lower than the maximum permitted. This is particularly significant at the moment given the scale of the withdrawal of government funding the Council will contend with over the next 2 - 3 years following the introduction of the fairer funding review. Potentially the next few years are financially challenging with significant savings required in each financial year of:

Estimated budget shortfall	2023/24 £'000	2024/25 £'000	2025/26 £'000	2026/27 £'000
Annual saving	1,151	144	356	340
Cumulative Savings	1,151	1,295	1,651	1,991

5.10.6 The impact of changing the Council Tax by 1%, 1.5%, 1.75% and 2.00% annually would be as follows:

Total income	2022/23	2023/24	2024/25	2025/26	2026/27
	£	£	£	£	£
1% annual increase	6,824,770	6,909,880	6,994,430	7,081,270	7,168,430
1.5% annual increase	6,858,620	6,978,390	7,098,420	7,220,890	7,345,820
1.75% annual increase	6,875,550	7,011,670	7,151,390	7,293,650	7,438,450
2% annual increase	6,892,040	7,046,900	7,204,360	7,364,440	7,529,120

Over the longer term, a higher increase will give the Council significant additional income:

Adur District Council - Long term impact of Council Tax increases

5.10.6 Members are asked to consider which level of Council Tax increase that they support. An increase just under 2.00% would enable the Council to set a balanced budget and fund all of the proposals for investment in services recommended for approval in Appendix 2. However, if a lower rate is set, then additional savings will have to be identified to fund the financial consequences as it would be inappropriate to use the reserves to balance the budget.

5.10.7 At this late stage in the budget process, it would be difficult to make any decisions that result in service reductions as these should be the subject of consultation, however the option remains to defer projects or the proposed investments into services to generate an in-year saving and fund the desired level of Council Tax increase.

5.11 Summary of budget position

Depending on the choices made regarding the Council Tax increase and the new growth items; the overall budget position will be (based on a 1.99% increase):

Net budget requirement	£'000	£'000
Less:		9,682
Baseline Funding	-1,767	
Share of additional Business Rate income	-766	
Council Tax (1.99% increase)	-6,892	
Other grants	-416	
Collection Fund Deficit	99	-9,742
Budget surplus based on 1.99% Council Tax increase		-60
Maximum impact of accepting the growth items (Appendix 2)		60
Budget balanced at a 1.99% Council Tax increase		-

6.0 IMPACT ON FUTURE YEARS

6.1 The impact of the proposed changes on the overall revenue budget for the next 5 years is shown in Appendix 1 (which includes an assumed 1.99% tax increase for 2022/23 which is to be considered as part of this report). The settlement, together with the other agreed changes to the budget means that the Council is likely to face a minimum shortfall of:

	Expected shortfall (Cumulative)				
	2022/23	2023/24	2024/25	2025/26	2026/27
	£'000	£'000	£'000	£'000	£'000
Budget shortfall prior to approving growth	108	1,259	1,403	1,759	2,099
Impact of accepting the growth items at appendix 2	60	60	60	60	60
Cumulative budget shortfall as per appendix 1	168	1,319	1,463	1,819	2,159
Less:					
Net savings identified in 2021/22 budget round	-168	-168	-168	-168	-168
Adjusted cumulative budget shortfall	-	1,151	1,295	1,651	1,991
Savings required each year	-	1,151	144	356	340

6.2 The continuation of the withdrawal of government funding has significant consequences for the Council . Looking ahead, the stimulation of the local economy and provision of additional housing will be two of the measures which will help protect the Council's services. There are potentially three benefits which flow from an improving economy and which will directly improve the council's financial position:

- Increased income from business rates which is discussed fully in section 4 above;
- Reduced cost of Council Tax benefits from any new jobs created;
- Additional Council Tax income from each new home;

6.3 However, these measures are unlikely to be enough. The Council has previously approved a budget strategy to:

- Generate £150k more commercial income per year;
- Rationalise the use of assets to reduce running costs and generate opportunities for disposal;
- Invest in new assets where these provide the opportunity to improve the local economy, the supply of housing or to reduce our carbon footprint;
- Promote efficiency whether this is through the digital strategy or by improving customer service; and
- Reducing the cost of temporary and emergency accommodation.

Overall, if the Council delivers upon the current budget strategy then the level of new initiatives required each year to balance the budget will reduce as follows:

	Expected shortfall per year			
	2023/24	2024/25	2025/26	2026/27
	£'000	£'000	£'000	£'000
Annual budget shortfall	1,151	144	356	340
Future savings from budget strategy:				
Investment in new assets	-100	-100	-100	-100
Commercial activities	-150	-150	-150	-150
Service and digital redesign	-80	-80	-80	-80
Asset rationalisation and disposal programme	-30	-30	-70	-70
Excess savings (-) / new savings initiatives to be identified	791	-216	-44	-10

6.4 With the delay to the fairer funding review, the challenge has now moved onto 2023/24 which becomes a more challenging year. Given the scale of savings that the Council needs to deliver from 2023/24 onwards, it is intended to do a full refresh of the strategy to ensure the Council meets the challenges of the next few years and continues to set a budget without reliance on reserves.

7.0 RESERVES

7.1 Sections 26 and 27 of The Local Government Act 2003 require the Council's Chief Financial Officer to comment on the adequacy of the Council's reserves. The reserves have therefore been reviewed in accordance with best practice.

7.2 To enable a view to be taken on the adequacy of reserves, Members need to be aware that, broadly speaking, there are two categories of revenue reserves relevant to the Council. The General Fund Working Balance which primarily is available to cushion the impact of uncertain cash flows and act as a contingency to meet unforeseen costs arising during a budget year (e.g. unexpected increases in the demand for services or losses in income); and Earmarked Reserves which are sums held for specific defined purposes and to meet known or predicted liabilities. Both categories of reserves can be used on a planned prudent basis to underpin the annual budget.

7.3 The Council's established policy is to maintain the General Fund Working Balance at between 6 – 10% of net revenue expenditure. The current balance as at 31st March 2021 is £951,400. The working balance was increased in 2019/20 to mitigate the additional risks that the Council is carrying in the light

of the pandemic. The balance is 9.9% of net 2021/22 revenue expenditure and is in the upper part of the range of 6% -10% set by the Council. There are no plans to draw down from the working balance other than to fund any potential overspend from 2021/22 and if needed this reserve will be boosted over the next few years from any in-year underspend to ensure that it remains sufficient to manage risks.

The year-end level on the General Fund Working Balance for the foreseeable future, therefore, is estimated as follows:

		£'000	%
31.03.2021	Balance carried forward – per Final Accounts	951	9.9
31.03.2022	Use of reserves expected to fund the potential 2021/22 overspend.	909	9.3
31.03.2023	No planned drawdown or contribution expected	909	9.8
31.03.2024	No planned drawdown or contribution expected	909	9.6
31.03.2025	No planned drawdown or contribution expected	909	9.4

7.4 On the basis of the year-end figures above, and taking into account past performance and the acknowledged track record of sound financial management in this Council, I believe the working balance is adequate for its purpose. In forming this view I have considered the following factors:

1. The Government has provided additional funding for 2022/23 which has been placed into a contingency budget to enable the Council to manage financial risks next year.
2. The Council has created specific budgets to manage any void losses related to commercial property and where there are likely to be ongoing losses these have been built into the revenue budget.
3. Interest rates are extremely low at present (0.25% base rate) and this has been reflected in our budgets. A further fall in interest rates of 0.1% would cost the Council in a region of £14,000 in 2022/23 in lost investment income.
4. A pay award of 1% more than currently allowed for within the budget would cost the General Fund approximately £108,800.

6. Any use of the working balance would be difficult to recoup in the short term. Consequently, the reserve needs to be sufficient enough to cope with at least two years of adverse impacts.

Against this background, and especially given the current economic climate and the impact of the pandemic, it is important that the Council maintains its reserves at the planned amount for the foreseeable future.

- 7.5 However, with the planned expansion of commercial activity, especially the investment in commercial property, the council has taken two other measures to further manage risk and bolster the reserves:

- i) As part of the initiative to invest in commercial property, an element of the additional rent raised every year is being set aside into a specific reserve to manage void periods on these properties and to set aside resources to fund future investment needs. The annual provision will be £650,000 in 2022/23. This provision will be gradually built up over the next 5 years to a level of £1,050,000 per year by 2026/27.
- ii) Following the LGA peer review, there was a change in approach to the management of general inflation (excluding inflation on items such as salaries, rates, utilities, and contractual commitments). This is no longer allocated out year but held centrally in the Corporate Management budget. This budget will be allocated out where the inflationary pressure can be demonstrated. Any unutilised budget at the year end will be transferred to the reserves and the budget offered up as a budget saving for the forthcoming year. This also provides a contingency budget for in-year pressures.

- 7.6 In the medium term, once the challenges of the next couple of years have been addressed, the council should review the position and take proactive steps to further bolster the overall reserves.

- 7.7 The estimated balance of general fund earmarked reserves as at 31st March, 2022 is £979,000, excluding the Business Rates Smoothing Reserve, any Section 106 sums held for future environmental improvements, grants, and any specific capital resources. Overall, the level of reserves held by the Councils is expected to improve over the forthcoming years as follows:

	Balance as at 31st March				
	2021	2022	2023	2024	2025
	Actual	Est.	Est.	Est.	Est.
	£'000	£'000	£'000	£'000	£'000
General Earmarked Reserves	1,486	979	1,570	2,303	3,153
Business Rates Smoothing Reserve	3,768	663	297	166	166
Grants and Contributions	1,343	1,343	1,343	1,343	1,343
Total earmarked reserves	6,597	2,985	3,210	3,812	4,662
General Fund Working Balance	952	910	910	910	910
Total reserves	7,549	3,895	4,120	4,722	5,572

A detailed schedule of the earmarked reserves is attached at Appendix 3. The significant risks to the overall budget and the Council's reserves are detailed below.

- 7.8 Given the relatively low level of reserves, it is now critical that these reserves be used only as a funding resource of last resort until such time as the reserve level has recovered to some extent. The Council has over the past year minimised new calls on such resources, utilising the ability to use capital receipts to fund initiatives to generate budget savings where possible.
- 7.9 In all probability, the Council will continue to have occasional opportunities to put money into earmarked reserves rather than solely to drawdown on a planned basis. Even without this, I believe the earmarked revenue reserves are adequate for their particular purposes provided that they are used sparingly.
- 7.10 However the size and nature of the risks to the overall budget leaves the Council with little room for using these reserves for new on-going spending initiatives. The Council should maintain its current policy of spending its scarce earmarked reserves on:
- supporting one-off rather than recurring revenue expenditure;
 - dealing with short-term pressures in the revenue budget; and
 - managing risk to the Council's budget.

8.0 SIGNIFICANT RISKS

- 8.1 Members will be aware that there are several risks to the Council's overall budget. These can be summarised as follows:-

(i) **Pandemic**

The risks associated with the pandemic are set out in detail in paragraph 5.2.2. However in summary we are expecting risks in a number of areas - income, cost of housing provision, impact on cost of contracts, and additional staffing costs. Wherever possible allowance has been built into the budget to accommodate these risks, but the scale of the challenge may be greater than expected.

(ii) **Withdrawal of funding by partners**

All budgets within the public sector are under scrutiny which may lead to partners reassessing priorities and withdrawing funding for partnership schemes. Consequently, the council may lose funding for key priorities and be left with unfunded expenditure together with the dilemma about whether to replace the funding from internal resources.

- (iii) **Income** - The Council receives income from a number of services which will be affected by demand particularly at the moment due to the impact of the pandemic. These include land charges, car park income, trade and green waste services, development control and now business rates. Whilst known further reductions in income have been built into the proposed budgets for 2022/23: the pace of recovery may be slower than anticipated; income may fall further than expected; or new targets for commercial income may not be met.

The Council is investing in new commercial property, as leases expire there is an increased risk of loss of income from voids. To mitigate this risk the Council has introduced an annual provision for void rents which will be £650,000 in 2022/23. This will be increased annually in line with the level of investment in the property portfolio and the associated risk.

- (iv) **Inflation** - A provision for 2% inflation has been built into pay and non-pay budgets. Whilst the Bank of England inflation forecasts expect that inflation will gradually return to 2% in 2022/23, there is a risk that inflation will run at a higher rate than allowed for within the budget. Each 1% increase in inflation is equivalent to the following amount:

	1% increase
	£'000
Pay	108
Non-pay	46

8.2 To help manage these risks, the Council has created a contingency budget of £120,000. The Council also has a working balance of £951,000 and £1.0m of other earmarked reserves are also available to the Council to help mitigate these risks.

9.0 CONSULTATION

9.1 The Council ran a detailed consultation exercise which supported the proposed five year budget strategy. In light of this, no consultation exercise was undertaken this year.

9.2 Officers and members have been consulted on the development of the budget.

10.0 UPDATE TO PRUDENTIAL INDICATORS

10.1 The Council's budget fully reflects the cost of financing the capital programme. Members have previously approved sufficient growth to accommodate the proposed capital programme. The Council has a fully funded capital programme and the associated revenue costs are built into the budget for 2022/23 and future years.

10.2 Under the Prudential Code of Practice and the capital finance system introduced in April 2004, the capital programme is based on the Council's assessment of affordability. This includes any new borrowing which the Council wishes to undertake.

10.3 The Code of Practice has been revised with a new code due to be introduced for 2023/24. The freedom for local authorities to set the scope and size of their capital plans remains unrestricted, but the prudential system processes have been strengthened to set out greater consideration of prudence, with sustainability and risk reporting improved through the governance procedures. There is also stronger guidance on commerciality which effectively prohibits solely commercial investment and requires the Council to regularly review current commercial investments. However this change was pressaged by the new rules surrounding borrowing from the PWLB and the Council has long since adapted it's property investment criteria.

10.4 The Prudential Code of Practice requires the Council to set a series of indicators to show that the capital programme has due regard to affordability, sustainability and prudence. These are included with the annual Treasury Management Strategy Statement which is due to be considered by JSC on the 8th February 2022 and which will be included in the Council budget pack for approval.

11.0 COMMENTS BY THE CHIEF FINANCIAL OFFICER

11.1 Section 25 of the Local Government Act 2003 requires an authority's Chief Financial Officer to make a report to the authority when it is considering its budget and Council Tax. The report must deal with the robustness of the estimates and the adequacy of the reserves allowed for in the budget proposals, so Members will have authoritative advice available to them when they make their decisions. The Section requires Members to have regard to the report in making their decisions.

11.2 As Members are aware, local authorities decide every year how much they are going to raise from Council Tax. They base their decision on a budget that sets out estimates of what they plan to spend on each of their services. Because they decide on the Council Tax in advance of the financial year in question, and are unable to increase it during the year, they have to consider risks and uncertainties that might force them to spend more on their services than they planned. Allowance is made for these risks by:

- making prudent allowance in the estimates for each of the services, and in addition;
- ensuring that there are adequate reserves to draw on if the service estimates turn out to be insufficient which has been considered in detail on section 7 of the report.
- Creating contingency budgets to help manage the greater risks associated with the pandemic as set out in paragraph 5.2.2

11.3 Overall view on the robustness of the estimates:

Subject to the important reservations below, a reasonable degree of assurance can be given about the robustness of the estimates and the adequacy of reserves. The exceptions relate to:

- (1) The provision of estimates for items outside of the direct control of the Council:
 - Income from fees and charges in volatile markets particularly at the moment given the pandemic, e.g. car parks and development control fees.
 - External competition and declining markets, particularly during a recession. E.g. Local land charges and building control fees.
 - Changes to business rate income due to revaluations, redevelopments and increases in mandatory rate relief.

- (2) Cost pressures not identified at the time of setting the budget. This would include items such as excess inflation.
- (3) Initiatives and risks not specifically budgeted for.

It will therefore be important for members to maintain a robust budget monitoring regime during 2022/23.

11.4 The Chief Financial Officer's overall view of the robustness of the estimates is, therefore, as follows:

The processes followed are sound and well established and identical to those that produced robust estimates in the past. The Council has also demonstrated that it has a sound system of financial management in place.

12.0 COUNCIL TAX SETTING

12.1 The Council is obliged to raise the balance of its resources, after allowing for any government grant and business rates, to finance the General Fund Revenue Budget from its local Council Taxpayers. The Adur District Council Tax will be added to the Precepts from West Sussex County Council and the Sussex Police and Crime Commissioner to form a combined Council Tax to levy on the taxpayers of Adur. This will be formally approved by Council on the 24th February 2022 via a report on the Council Tax Determination. The following paragraphs brief members on the overall content of the determination and seeks approval for both the tax base and special expenses.

12.2 Once the Executive has reached a decision on the Total Budget Requirement it wishes to recommend to the Council for the 2022/23 Budget, the resulting Council Tax for the District can be set. This takes into account the Total Aggregate External Finance (Government grants and Business Rates contributions) and any contribution to or from the local Collection Fund.

12.3 Adur District Council:

- (a) The following table shows the net sum to be raised from local Council Taxpayers in 2022/23 prior to the consideration of the budget proposals. This is based on 1.99% Council Tax increase, the maximum increase permitted without triggering the requirement for a referendum:

	£	£
Net 2022/23 Budget *		9,682,460
Less: Aggregate External Finance		
Baseline Funding	-1,767,150	
Additional Retained Business Rate income	-765,580	
New Homes Bonus	-156,520	
Lower Tier Services Grant	-79,270	
Services Grant	-121,820	
Local Tax Guarantee Scheme - use of set aside grant	-59,010	
Contribution to the Collection Fund deficit (as per paragraph 5.8)	99,030	
Total Aggregate External Finance		-2,850,320
Minimum amount to be raised from Council Tax		6,832,140
Net additional impact of proposals identified in Appendix 2 if all approved		59,900
Amount to be raised from Council Tax based on 1.99% Council Tax		6,892,040

- * 2022/23 budget requirement after any contribution to or from reserves required to balance the budget or any further increase to Council Tax.

Within section 5 of the report, members are given the options for the Council Tax and approving the service investment proposals.

(b) Council Tax Base

The Council's Tax base for 2022/23 is 21,699.70 Band D equivalent properties. There is an increase to the current year base of 21,232.80 which is largely due to a decreasing level of Council Tax discounts. The full calculation of the tax base is shown in Appendix 4.

	2021/22 Tax Base	2022/23 Tax Base
Lancing	6,306.00	6,415.30
Sompting	2,755.40	2,759.90
Other areas	12,171.40	12,524.50
TOTAL	21,232.80	21,699.70

(c) Special Expenses

At the extraordinary meeting of Council held on 10th January 1995, Maintenance of recreation grounds and provision of community buildings were agreed as special expenses not chargeable in the Lancing area under the terms of section 35 of the Local Government Finance Act 1992. In 2022/23 expenditure of £386,140 (£364,260 in 2021/22) falls under the resolution and will need to be financed by a Band D tax of £25.29, to be charged in all areas of the District except Lancing.

(d) Adur District Council Band D Council Tax

In Section 5.10, the options for the Council Tax increase are discussed in detail. An average Council Tax increase of 1.24% will ensure that the Council has a balanced budget, an average increase of 1.99% will lever in sufficient additional resources to fund the service investment proposals recommended for approval at Appendix 2 and deliver a balanced budget.

The actual amount charged in each area will depend on whether Special Expenses is charged and the level of the Basic Council Tax. The final agreed amounts will be incorporated into the Council Tax determination.

Area	2021/22	2022/23 (Average 1% increase)	2022/23 (Average 1.5% increase)	2022/23 (Average 1.75% increase)	2022/23 (Average 1.98% increase)
	£	£	£	£	£
Lancing - Basic Council Tax	294.21	296.73	298.26	299.07	299.79
Percentage increase		0.86%	1.38%	1.65%	1.90%

12.4 West Sussex County Council and Sussex Police Authority

- (a) The County Council requirements are expected to be confirmed on 18th February, 2022. The proposed Police and Crime 2022/23 budget is due to be considered by the Sussex Police and Crime Panel (PCP) on 28th January 2022.

	2021/22 £	2022/23 £
West Sussex County Council	1,510.56	t.b.c
Sussex Police Authority	214.91	t.b.c
TOTAL	1,724.47	t.b.c.

12.5 The final figures for all authorities including the parish councils will be incorporated into the formal Council Tax setting resolution to be presented to the Council at its meeting on 24th February 2022.

13.0 LEGAL IMPLICATIONS

13.1 The Local Government Act 2003 requires that the Council sets a balanced budget. This report demonstrates how Adur District Council will meet this requirement for 2022/23.

14.0 CONCLUSION

14.1 This has been another challenging year in which the Council has had to address a budget shortfall of £0.168m whilst contending with a pandemic. The Government is providing more support in 2022/23 however much of this support is one-off in nature, consequently these additional resources have been set aside to support the Council in managing the risks associated with the pandemic. To meet this challenge the Council has identified £0.168m of savings and is now in the position to set a balanced budget.

14.2 With the further delay to the Fair Funding Review, the financial challenge now moves to 2023/24. It is now clear that the Government does intend to introduce the Fairer Funding review for 2023/24 although there may well be some form of transitional relief as we move from one funding system to another. Consequently we must prepare the Council for the impact of the review and so the budget round will again be difficult as the Council grapples with the impact of reducing government funding, the continued impact of the Pandemic on our finances and the building capacity to invest in the initiatives detailed in Platform for our Places. Consequently, the strategy of delivering commercial income growth and business efficiencies continues to play a vital role in balancing the budget. Nevertheless, given the scale of the potential challenges ahead, a refreshed budget strategy will be presented in July next year which will bring forward new savings initiatives.

14.3 Provided we continue to deliver on this strategy, the Council will become increasingly financially resilient over the next 5-10 years as government funding reduces and we become largely funded by our community through Council Tax, retained Business Rates and income from our commercial services.

14.4 The aims of 'Platforms for our Places' are critical to our success. Developing the local economy to increase employment space and local jobs together with the provision of new homes is one of the strategic measures that the Council can take to protect its longer term financial interests, however there will inevitably be some difficult days ahead as the Council seeks to address the remaining budget shortfall.

14.5 There will need to be a sharp focus on financial health over the next couple of years whilst we balance the budget and rebuild the reserves. However, we must not forget that the Council has a good track record in dealing with such challenges

14.6 Finally, in preparing the strategy and forecast for 2022/23 an assessment was carried out of the significant risks and opportunities which may have an impact on the Council's budget. Where quantifiable, the budget has been adjusted accordingly but it is important to acknowledge that there are still some risks to the overall position which may have to be funded from reserves. Members will continue to receive regular budget monitoring reports and updates to the Council's 5-year Medium Term Financial Plan, to ensure that the financial challenges ahead are effectively met.

ADUR DISTRICT COUNCIL:

The following appendices have been updated to reflect the recommendations from the Executive as laid out in the Record of Decisions.

Decision

The Executive:-

- (a) approved the proposals to invest in services outlined in Appendix 2;
- (b) recommended to Council the draft budgets for 2022/23 at Appendix 5, as submitted in Executive Member Portfolio order, and the transfer to Reserves leading to a net budget requirement of £9,742,360 which included provision for the proposals in Appendix 2; and
- (c) recommended to Council an average increase of 1.99% in Council Tax, making the average Band D £317.61 for Adur District Council's requirements in 2022/23, as set out in paragraph 5.10;
- (d) recommended to Council that special expenses of £25.29 per Band D equivalent, to be charged in all areas of the District except Lancing;
- (e) approved the Council Tax base of 21,699.7 for 2022/23 as set out in paragraph 12.3.

Reason for Decision

Statutory requirement to set a budget

PRUDENTIAL INDICATORS AND MINIMUM REVENUE PROVISION POLICY

1. THE CAPITAL PRUDENTIAL INDICATORS 2022/23 – 2024/25

The Council's capital expenditure plans are the key driver of treasury management activity. The output of the capital expenditure plans is reflected in the prudential indicators, which are designed to assist members' overview and confirm capital expenditure plans.

1.1 Capital expenditure

This prudential indicator is a summary of the Council's capital expenditure plans, both those agreed previously, and those forming part of this budget cycle. Members are asked to approve the capital expenditure forecasts.

The tables below summarise the capital expenditure plans and how these plans are being financed by capital or revenue resources. Any shortfall of resources results in a financing or borrowing need.

ADUR DISTRICT COUNCIL

Capital expenditure	2020/21 Actual	2021/22 Estimate	2022/23 Estimate	2023/24 Estimate	2024/25 Estimate
	£m	£m	£m	£m	£m
Non-HRA	12.512	10.270	52.997	2.473	1.862
HRA	5.186	25.666	19.513	5.600	5.600
TOTAL	17.698	35.936	72.510	8.073	7.462
Financed by:					
Capital receipts	1.282	1.519	0.200	0.100	0.121
Capital grants and contributions	10.722	4.363	1.546	0.471	0.462
Revenue Reserves & contributions	4.216	6.474	5.976	6.709	6.739
Net financing need for the year	1.478	23.580	64.788	0.793	0.140

1.2 The Council's borrowing need (the Capital Financing Requirement)

The second prudential indicator is the Council's Capital Financing Requirement (CFR). The CFR is simply the total historical outstanding capital expenditure which has not yet been paid for from either revenue or capital resources. It is essentially a measure of the Council's indebtedness and so the underlying borrowing need. Any capital expenditure above, which has not immediately been paid for through a revenue or capital resource, will increase the CFR.

The CFR does not increase indefinitely, as the minimum revenue provision (MRP) is a statutory annual revenue charge which broadly reduces the indebtedness in line with each asset's life, and so charges the economic consumption of capital assets as they are used.

The CFR includes any other long term liabilities (e.g. finance leases). Whilst these increase the CFR, and therefore the Council's borrowing requirement, these types of schemes include a borrowing facility and so the Council is not required to separately borrow for these schemes. The Council currently does not have any such schemes within the CFR. The Council is asked to approve the CFR projections below:

ADUR DISTRICT COUNCIL

Capital Financing Requirement (£m)	2020/21 Actual	2021/22 Estimate	2022/23 Estimate	2023/24 Estimate	2024/25 Estimate
CFR – non-HRA	27.278	33.958	84.082	84.146	83.581
CFR - HRA	61.591	79.713	95.226	96.826	98.426
CFR – strategic	79.627	78.405	77.556	76.685	75.790
Total CFR	168.496	192.076	256.864	257.657	257.797
Movement in CFR	1.478	23.580	64.788	0.793	0.140
Movement in CFR represented by					
Financing need for the year	3.700	25.894	66.785	3.532	2.930
Less: MRP/VRP and other financing movements	(2.222)	(2.314)	(1.997)	(2.739)	(2.790)
Movement in CFR	1.478	23.580	64.788	0.793	0.140

- 1.3 Within the range of prudential indicators there are a number of key indicators to ensure that the Council operates the activities within well-defined limits. One of these is that the Council needs to ensure that the gross debt does not, except in the short term, exceed the total of the CFR in the preceding year plus the estimates of any additional CFR for 2022/23 and the following two financial years. This allows some flexibility for limited early borrowing for future years, but ensures that borrowing is not undertaken for revenue or speculative purposes.

The Chief Financial Officer reports that the Council complied with this prudential indicator in the current year and does not envisage difficulties for the future. This view takes into account current commitments, existing plans, and the proposals in this budget report.

Adur District Council External Debt £m	2020/21 Actual	2021/22 Estimate	2022/23 Estimate	2023/24 Estimate	2024/25 Estimate
Debt at 1 April	(161.802)	(158.936)	(182.516)	(247.304)	(248.097)
Expected change in Debt	2.866	(23.580)	(64.788)	(0.793)	(0.140)
Other long-term liabilities (OLTL)	0.000	0.000	0.000	0.000	0.000
Actual gross debt at 31 March	(158.936)	(182.516)	(247.304)	(248.097)	(248.237)
The Capital Financing Requirement	168.496	192.076	256.864	257.657	257.797
Under/(over) borrowing	9.560	9.560	9.560	9.560	9.560

Within the above figures the level of debt relating to commercial property is:

Adur District Council	2020/21 Actual	2021/22 Estimate	2022/23 Estimate	2023/24 Estimate	2024/25 Estimate
External Debt for commercial activities / non-financial investments					
Actual debt at 31 March £m	(79.627)	(78.405)	(77.556)	(76.685)	(75.790)
Percentage of total external debt %	50%	43%	31%	31%	31%

1.4 Treasury Indicators: limits to borrowing activity

The operational boundary - This is the limit which external debt is not normally expected to exceed. In most cases, this would be a similar figure to the CFR, but may be lower or higher depending on the levels of actual debt and the ability to fund under-borrowing by other cash resources.

ADUR DISTRICT COUNCIL

Operational boundary £m	2021/22 Estimate	2022/23 Estimate	2023/24 Estimate	2024/25 Estimate
Debt	185.0	248.0	249.0	249.0
Other long term liabilities	1.0	1.0	1.0	1.0
Total	186.0	249.0	250.0	250.0

The authorised limit for external debt - This is a key prudential indicator and represents a control on the maximum level of borrowing. This represents a legal limit beyond which external debt is prohibited, and this limit needs to be set or revised by the full Council. It reflects the level of external debt which, while not desired, could be afforded in the short term, but is not sustainable in the longer term.

1. This is the statutory limit determined under section 3 (1) of the Local Government Act 2003. The Government retains an option to control either the total of all councils' plans, or those of a specific council, although this power has not yet been exercised.
2. The Council is asked to approve the following authorised limits:

ADUR DISTRICT COUNCIL

Authorised limit £m	2021/22 Estimate	2022/23 Estimate	2023/24 Estimate	2024/25 Estimate
Debt	190.0	252.0	253.0	253.0
Other long term liabilities	1.0	1.0	1.0	1.0
Total	191.0	253.0	254.0	254.0

- 1.5 **Investment treasury indicator and limit** - total principal funds invested for greater than 365 days. These limits are set with regard to the Council's liquidity requirements and to reduce the need for early sale of an investment, and are based on the availability of funds after each year-end.

The Council is asked to approve the following treasury indicators and limits:

ADUR DISTRICT COUNCIL

MAXIMUM PROPORTION OF PRINCIPAL SUMS INVESTED > 365 DAYS			
	2022/23	2023/24	2024/25
Principal sums invested > 365 days	50%	50%	50%

1.6 Affordability prudential indicators

The previous sections cover the overall capital and control of borrowing prudential indicators, but within this framework prudential indicators are required to assess the affordability of the capital investment plans. These provide an indication of the impact of the capital investment plans on the Council's overall finances. The Council is asked to approve the following indicators:

Ratio of financing costs to net revenue stream

This indicator identifies the trend in the cost of capital (borrowing and other long term obligation costs net of investment income) against the net revenue stream.

ADUR DISTRICT COUNCIL

Adur	2020/21 Actual	2021/22 Estimate	2022/23 Estimate	2023/24 Estimate	2024/25 Estimate
	%	%	%	%	%
Non-HRA	10.03	14.43	15.83	24.14	22.51
HRA	16.03	23.51	24.89	26.36	26.03
Strategic purchases	(9.93)	(19.10)	(21.91)	(24.07)	(23.56)
TOTAL	16.13	18.84	18.81	26.43	24.98

HRA Ratio

Adur	2020/21 Actual	2021/22 Estimate	2022/23 Estimate	2023/24 Estimate	2024/25 Estimate
HRA debt £m	(60.476)	(78.598)	(94.111)	(95.711)	(97.311)
Number of HRA dwellings	2537	2537	2583	2630	2622
Debt per dwelling	£23.8k	£31.0k	£36.4k	£36.4k	£37.1k

1.7 Maturity structure of borrowing

These gross limits are set to reduce the Council's exposure to large fixed rate sums falling due for refinancing, and are required for upper and lower limits. Neither Council has any variable rate borrowing.

The Council is asked to approve the following treasury indicators and limits:

Limits to maturity structure of fixed interest rate borrowing 2022/23		
	Lower Limit	Upper Limit
Under 12 months	0%	25%
12 months to 2 years	0%	30%
2 years to 5 years	0%	50%
5 years to 10 years	0%	70%
10 years to 20 years	0%	80%
20 years to 30 years	0%	60%
30 years to 40 years	0%	60%
40 years to 50 years	0%	45%

2. MINIMUM REVENUE PROVISION (MRP) POLICY STATEMENT

- 2.1 The Councils are required to pay off an element of the accumulated General Fund capital spend each year (the CFR) through a revenue charge (the minimum revenue provision - MRP), although they are also allowed to undertake additional voluntary payments (voluntary revenue provision - VRP).

DLUHC regulations have been issued which require the full Councils to approve an MRP Statement in advance of each year. A variety of options are provided to councils, so long as there is a prudent provision.

For Adur District Council, the MRP relating to built assets under construction will be set aside once the asset is completed. If any finance leases are entered into, the repayments are applied as MRP.

The Council is recommended to approve the following MRP Statement:

ADUR DISTRICT COUNCIL

It was approved by the Joint Strategic Committee on 2nd June 2016 that for borrowing incurred before 1st April 2008, the MRP will be set aside in equal instalments over the life of the associated debt.

2.2 **General Fund**

For non-HRA capital expenditure after 1st April 2008 the MRP will be calculated as the annual amount required to repay borrowing based on the annuity method: equal annual payments of principal and interest are calculated, with the interest element reducing and the principal element increasing over the life of the asset as the principal is repaid. The interest is based on the rate available to the Council at the beginning of the year in which payments start and the MRP is calculated as the amount of principal, so that by the end of the asset's estimated life the principal is fully repaid (the Asset Life Method). The option remains to use additional revenue contributions or capital receipts to repay debt earlier.

An exception was agreed in the 2015/16 Treasury Management Strategy Statement: the Chief Financial Officer has discretion to defer MRP relating to debt arising from loans to Registered Social Landlords (RSLs) to match the profile of debt repayments from the RSL and other public bodies. RSLs normally prefer a maturity type loan as it matches the onset of income streams emanating from capital investment with the timing of the principal debt repayment. The deferral of MRP to the maturity date would therefore mean that MRP is matched at the same point as the debt is repaid, and is therefore cash (and revenue cost) neutral to the Council.

If concerns arise about the ability of the borrower to repay the loan, the Chief Financial Officer will use the approved discretion to make MRP as a "prudent provision" from the earliest point to ensure that sufficient funds are set aside from revenue to repay the debt at maturity if the RSL defaults.

2.3 **Housing Revenue Account**

Unlike the General Fund, the HRA is not required to set aside funds to repay debt. There is a requirement for a charge for depreciation to be made but there are transitional arrangements in place. The Council's MRP policy previously applied the financially prudent option of voluntary MRP for the repayment of HRA debt, to facilitate new borrowing in future for capital investment. However in order to provide additional capital funding to address the maintenance backlog identified by the condition survey, the payment of voluntary MRP was suspended for a period of 9 years from 2017/18 whilst the Council invests in its current housing stock and manages the impact of rent limitation.

2022/23 COUNCIL TAX RESOLUTION

REPORT BY DIRECTOR FOR DIGITAL AND RESOURCES

1.0 SUMMARY

- 1.1 The purpose of this report is to enable Council to make the necessary resolutions in relation to the setting of Council Tax for 2022/23.

2.0 BACKGROUND

- 2.1 The Localism Act 2011 made significant changes to the Local Government Finance Act 1992, and requires the billing authority to calculate a council tax requirement for the year.
- 2.2 The Chancellor introduced a social care precept which allowed those Councils with responsibility for Adult Social Care an additional annual increase in Council Tax. This flexibility is available to West Sussex County Council and for 2022/23 is capped at an additional 1%.
- 2.3 Since the meeting of the Executive the precept levels of other precepting bodies have been received or are to be confirmed. These are detailed in the paragraphs below.

3.0 PROPOSALS

3.1 Adur District Council

The Adur District Council Precept (including special expenses, but excluding parishes) for 2022/23 is detailed in Appendix A and totals **£6,892,040**. The increase in the average Band D Council Tax is **1.99%** and results in an average Band D Council Tax figure of **£317.61** for 2022/23.

- 3.1.1 Section 30(1) of the Local Government Finance Act 1992 requires the Council to set an amount of Council Tax each financial year for each category of dwelling in its area. Adur District Council, as a billing authority for the purposes of Council Tax, is required to set its

Council Tax before 11th March in the financial year preceding that for which the Council Tax is set.

- 3.1.2 These amounts are based on the Council's own budget, plus precepts from parish councils where applicable, plus shares of the budget for West Sussex County Council and The Police and Crime Commissioner for Sussex, all divided by the tax base. At its meeting on 9th February 2022, the Executive approved the tax base for the Adur District and for each of the Parish Council areas for 2022/23, the total is **21,699.70** Band D equivalents.

3.1 **Adur District Council**

- 3.1.3 For the purpose of calculating council tax, dwellings are allocated to valuation bands and the amount of Council Tax paid for dwellings in each band is calculated using nationally set weightings for each band.
- 3.1.4 Since the meeting of the Executive on **1st February 2022**, the precept levels of the other precepting bodies have been received or are still to be confirmed. These are detailed as follows:

Parish Councils

The Parish precepts for 2022/23 total **£440,337**.

West Sussex County Council

West Sussex County Council are due to set their precept at the Council meeting on 18th February 2022. Once confirmed an updated report will be provided for the Adur District Council meeting.

The Police and Crime Commissioner for Sussex

The Police and Crime Commissioner for Sussex met with the Police and Crime Panel who approved the Commissioner's proposal on **9th February 2022**. The Council has now received the precept notification of **£4,880,479.53**. This results in a Band D Council Tax of **£224.91**.

3.2 **Explanatory Note**

- 3.2.1 The Act specifies the calculations required and the resolution is structured to meet those requirements. The resolution is divided into the following sections:

a) **Council Tax Base (Resolution 1)**

This resolution stipulates the Council Tax Base for the forthcoming financial year, as agreed by the Executive at its meeting on **1st February 2022**.

b) Council Tax Requirement (Resolution 2)

This resolution sets the Council's own Council Tax Requirement for the purpose of setting council tax. It represents the amount of council tax that the Council must collect from the council tax payers in its area to fund the budget for its own activities for the forthcoming year.

b) Council Tax Requirement (Resolution 2)

The Council Tax Requirement is calculated by taking the Council's Net Revenue Budget for 2022/23 of **£9,742,360**, and deducting the aggregate of the amount of support the Council receives from the government in the form of Baseline Funding and Additional Business Rate income, and transfers to or from the Collection Fund, and other Government grants.

c) Basic Amount of Council Tax (Resolution 3)

This resolution sets the Basic Amount of Council Tax for each part of the Council's area. These amounts are based on precepts from parish councils in addition to the budget for the Council's own activities and hence the Basic Amount of Council Tax differs between parts of the Council's area.

d) Precepts of Major Precepting Authorities (Resolution 4)

As a billing authority, the Council also collects council tax in its area on behalf of West Sussex County Council and The Police and Crime Commissioner for Sussex. The amount that they precept is based on their Council Tax Requirement, divided between West Sussex districts and boroughs in proportion to the number of Band D equivalent dwellings in each district/borough area.

e) Setting of Council Tax (Resolution 5)

This resolution sets out the total amount of council tax payable for each category of dwelling and for each part of the Council's area, including the basic amount for each part of the Council's area plus the amounts precepted by West Sussex County Council and The Police and Crime Commissioner for Sussex.

4.0 CONCLUSIONS

4.1 The recommendations of the Executive are set out in the formal Council Tax Resolution in Appendix A.

4.2 If the formal Council Tax Resolution at Appendix A is approved, the total Band D Council Tax will be as follows:

Lancing Parish Council area

	2021/22 £	2022/23 £	Increase %
West Sussex County Council Total split as below:	1,510.56	TBC	TBC
West Sussex County Council Core Precept	1,340.87	TBC	
West Sussex County Council Adult Social Care Precept	169.69	TBC	
Police and Crime Commissioner for Sussex	214.91	224.91	4.65
Adur District Council Split as follows:			
Adur DC (excl. special expenses)	294.21	299.79	1.13
Lancing Parish Council	52.65	52.65	0.00
Lancing Parish Council area subtotal	346.86	352.44	1.61
Total for Lancing Parish Area	2,072.33	TBC	TBC

Sompting Parish Council area subtotal	355.86	362.25	1.80
Total for Sompting Parish Area	2,081.33	TBC	TBC

All other areas including Shoreham, Southwick and Coombes:

	2021/22 £	2022/23 £	Increase %
West Sussex County Council Total split as below:	1,510.56	TBC	TBC
West Sussex County Council Core Precept	1,340.87	TBC	
West Sussex County Council Adult Social Care Precept	169.69	TBC	
Police and Crime Commissioner for Sussex	214.91	224.91	4.65
Adur District Council Split as follows:			
Adur DC (excl. special expenses)	294.21	299.79	1.90
Special Expenses	24.39	25.29	3.69
Other Areas total	318.60	325.08	2.03
Total for Other Areas	2,044.07	TBC	TBC

5.0 RECOMMENDATION

- 5.1 Council is recommended to approve the formal Council Tax resolution for Adur District Council set out at Appendix A including the Council's specific Council Tax for 2022/23, Parish Precepts and Special Expenses, which include:
- 5.1.1 The basic part of Adur Council's requirements (excluding special expenses) in 2022/23 to be **£299.79** for a Band D equivalent property as per paragraph 3(h).
- 5.1.2 The special expenses part of Adur Council's requirements in 2022/23 to be **£25.29** for a Band D equivalent property.
- 5.1.3 The average Band D equivalent for Adur per paragraph 3(f), to be **£317.61**.

Appendix A Council Tax Resolutions

APPENDIX A

ADUR DISTRICT COUNCIL – COUNCIL TAX RESOLUTION

The council is recommended to resolve as follows:

1. It is noted that on **1st February 2022**, the Executive calculated the Council Tax Base 2022/23.
 - (a) for the whole Council area as **21,699.70** [Item T in the formula in Section 31B of the Local Government Finance Act 1992, as amended (the “Act”)]; and
 - (b) for dwellings in those parts of its area to which a Parish precept relates.
2. That the Council Tax requirement for the Council’s own purposes for 2022/23 (excluding Parish precepts) is **£6,892,040**.
3. That the following amounts be calculated by the Council for the year 2022/23 in accordance with Sections 31 to 36 of the Act:
 - (a) **£56,041,882** being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(2) of the Act taking into account all precepts issued to it by Parish Councils
 - (b) **£48,709,505** being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(3) of the Act.
 - (c) **£7,332,377** being the amount by which the aggregate at 3(a) above exceeds the aggregate at 3(b) above, calculated by the Council in accordance with Section 31A(4) of the Act, as its Council Tax requirement for the year. (Item R), in the formula in Section 31B of the Act).
 - (d) **£337.90** being the amount at 3(c) above (Item R), all divided by Item T (1(a) above), calculated by the Council in accordance with Section 31B of the Act, as the basic amount of its Council Tax for the year (including Parish precepts).
 - (e) **£440,337** being the aggregate amount of all special items (Parish precepts) referred to in Section 34(1) of the Act (as per the attached Appendix C).
 - (f) **£317.61** being the amount at 3(d) above less the result given by dividing the amount at 3(e) above by Item T (1(a) above), calculated by the Council, in accordance with Section 34(2) of the Act, as the basic amount of its Council Tax for the year.
 - (g) **£386,140** being the aggregate amount of all special expenses (not applicable in the Lancing Parish area)

- (h) **£299.79** being the amount at 3(d) above less the result given by dividing the amount at 3(e) and 3(g) above by Item T (1a above), calculated by the Council, in accordance with Section 34(2) of the Act, as the basic amount of its Council Tax for the year for dwellings in those parts of its area to which no Parish precept or Special Expense relates.
